- (2) the ratios determined under sections 13 through 17 of this chapter, if subdivision (1) does not apply.

Sec. 13. (a) The Option 1 ratio in a county is:

- (1) if the county received a 2006 certified distribution of county option income taxes that was distributed under IC 6-3.5-6-18(e) and also received a 2006 certified distribution of county economic development taxes, the quotient determined by dividing:

(A) the county option income tax rate, excluding any part of the rate attributable to a law listed in

IC 6-11-9-11, that would have been in effect in the county in 2007 and distributed under IC 6-3.5-6-18(e) if IC 6-3.5-6 had not been repealed; by

(B) the sum of the county adjusted gross income tax rate, county option income tax rate, and county economic development income tax rate that would have been in effect in the county in 2007, excluding any part of the rate attributable to a law listed in IC 6-11-9-11, if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed;

(2) if the county did not receive a 2006 certified distribution of county option income taxes that was distributed under IC 6-3.5-6-18(e), zero (0); and

(3) if the county received a 2006 certified distribution of county option income taxes that was distributed under IC 6-3.5-6-18(e), and did not receive a 2006 certified distribution of county economic development taxes, one (1).

(b) The Option 1 eligible civil units are the following:

(1) Any political subdivision that has the power to impose a property tax, other than a school corporation or a county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113).

(2) A county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113) if a majority of the members of each of the county fiscal bodies of the counties within the district passes a resolution approving an allocation of taxes under this chapter.

A resolution passed under IC 6-3.5-6-1.3 (before its repeal) that would have applied to a distribution of county adjusted gross income taxes or county option income taxes in 2007 if IC 6-3.5-1.1 and IC 6-3.5-6 had not been repealed shall be treated as a resolution adopted under section 1 of this chapter.

(c) An Option 1 eligible civil unit's allocation factor for a year is the sum of the following:

(1) The eligible civil taxing unit's controlled tax limit for a year.

(2) For an eligible civil taxing unit in a county that received a certified distribution of county adjusted gross income taxes, county option income taxes, or county economic development income taxes in 2006, an amount equal to the property taxes imposed on taxable property by the county in 1999 for the county's welfare fund and welfare administration fund in the county.

(3) For an eligible civil taxing unit in a county that received a certified distribution of county adjusted gross income taxes, county option income taxes, or county economic development income taxes in 2006, an amount equal to the property taxes levied in the county to fund or pay bonded indebtedness, lease rentals, or other obligations permitted by IC 5-1-14 or another law that were issued or entered into before July 1, 2005, including any refunding bonds or successor leases to the extent that the term does not exceed the term of the original obligation.

(4) For an eligible civil taxing unit in a county that received a certified distribution of county adjusted gross income taxes, county option income taxes, or county economic

development income taxes in 2006, an amount equal to the lesser of the fixed rate levies (as defined in IC 6-15-1-3) imposed on taxable property by the civil taxing unit in the county in:

- (A) the year of distribution; or
- (B) 2006.

Sec. 14. (a) The Option 2 ratio in a county is equal to:

- (1) if the county received a 2006 certified distribution of county option income taxes that was distributed under IC 6-3.5-6-18.5 (repealed), one (1); or
- (2) if the county did not receive a 2006 certified distribution of county option income taxes that was distributed under IC 6-3.5-6-18.5 (repealed), zero (0).

(b) The Option 2 eligible civil units are any entity that would have been eligible to receive a distribution under IC 6-3.5-6-18.5 if IC 6-3.5-6 had not been repealed.

(c) An Option 2 eligible civil unit's allocation factor for a year is the sum of the following:

- (1) The eligible civil taxing unit's controlled tax limit for a year.
- (2) For an eligible civil taxing unit in a county that received a certified distribution of county economic development income taxes in 2006, an amount equal to the property taxes imposed on taxable property by the county in 1999 for the county's welfare fund and welfare administration fund in the county.

Sec. 15. (a) The Option 3 ratio in a county is equal to:

- (1) if the county received a 2006 certified distribution of county adjusted gross income taxes and also received a 2006 certified distribution of county economic development taxes, the quotient determined by dividing:

- (A) the county adjusted gross income tax rate, excluding any part of the rate attributable to a law listed in IC 6-11-9-11, that would have been in effect in the county in 2007 and distributed under IC 6-3.5-1.1-15 if IC 6-3.5-1.1 had not been repealed; by
- (B) the sum of the county adjusted gross income tax rate, county option income tax rate, and county economic development income tax rate that would have been in effect in the county in 2007, excluding any part of the rate attributable to a law listed in IC 6-11-9-11, if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed;

- (2) if the county did not receive a 2006 certified distribution of county adjusted gross income taxes, zero (0); or
- (3) if the county received a 2006 certified distribution of county adjusted gross income taxes but did not receive a 2006 certified distribution of county economic income taxes, one (1).

- (2) A county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113) if a majority of the members

of each of the county fiscal bodies of the counties within the district passes a resolution approving an allocation of taxes under this chapter.

A resolution passed under IC 6-3.5-1.1-1.3 (before its repeal) that would have applied to a distribution of county adjusted gross income taxes or county option income taxes in 2007 if IC 6-3.5-1.1 and IC 6-3.5-6 had not been repealed shall be treated as a resolution adopted under section 1 of this chapter.

(c) An Option 3 eligible civil unit's allocation factor for a year is the sum of the following:

- (1) The eligible civil taxing unit's controlled tax limit for a year.
- (2) The controlled tax limit for a year of any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the eligible civil taxing unit.
- (3) The amount of federal revenue sharing funds and certified shares that were used by the eligible civil taxing unit (or any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the eligible civil taxing unit) to reduce its ad valorem property tax levies below the limits imposed by IC 6-1.1-18.5 (repealed) in 2006.
- (4) For a county that received a certified distribution of county adjusted gross income taxes, county option income taxes, or county economic development income taxes in 2006, an amount equal to the property taxes imposed on taxable property by the county in 1999 for the county's welfare fund and welfare administration fund in the county.

Sec. 16. (a) The Option 4 ratio in a county is equal to:

- (1) if the county also received a 2006 certified distribution of county economic development income taxes that was distributed under IC 6-3.5-7-12(b) and also received a 2006 certified distribution of county adjusted gross income taxes or county option income taxes, the quotient determined by dividing:

- (A) the county economic development income tax rate, excluding any part of the rate attributable to a law listed in IC 6-11-9-11, that would have been in effect in the county in 2007 and distributed under IC 6-3.5-7-12(b) if IC 6-3.5-7 had not been repealed; by
- (B) the sum of the county adjusted gross income tax rate, county option income tax rate, and county economic development income tax rate that would have been in effect in the county in 2007, excluding any part of the rate attributable to a law listed in IC 6-11-9-11, if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed;

tax or county option income tax, one (1).

(b) The Option 4 eligible civil units are the following:

(1) The county.

(2) Each city and town in the county.

(c) An Option 4 eligible civil unit's allocation factor for a year is the sum of the following:

(1) The eligible civil taxing unit's controlled tax limit for a year.

(2) For an eligible civil taxing unit in a county that received a certified distribution of county adjusted gross income taxes, county option income taxes, or county economic development income taxes in 2006, an amount equal to the property taxes imposed on taxable property by the county in 1999 for the county's welfare fund and welfare administration fund in the county.

(4) For an eligible civil taxing unit in a county that received a certified distribution of county adjusted gross income taxes, county option income taxes, or county economic development income taxes in 2006, an amount equal to the lesser of the fixed rate levies (as defined in IC 6-15-1-3) imposed on taxable property by the civil taxing unit in the county in:

(A) the year of distribution; or

(B) 2006.

Sec. 17. (a) The Option 5 ratio in a county is equal to:

(1) if the county received a 2006 certified distribution of county economic development income taxes that was distributed under IC 6-3.5-7-12(c) and also received a 2006 certified distribution of county adjusted gross income taxes or county option income taxes, the quotient determined by dividing:

(A) the county economic development income tax rate, excluding any part of the rate attributable to a law listed in IC 6-11-9-11, that would have been in effect in the county in 2007 and distributed under IC 6-3.5-7-12(c) if IC 6-3.5-7 had not been repealed; by

(B) the sum of the county adjusted gross income tax rate, county option income tax rate, and county economic development income tax rate that would have been in effect in the county in 2007, excluding any part of the rate attributable to a law listed in IC 6-11-9-11, if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed;

(2) if the county did not receive a 2006 certified distribution of county economic development income taxes, zero (0);

(3) if the county received a 2006 certified distribution of county economic development income taxes that was distributed under IC 6-3.5-7-12(b), zero (0); or

(4) if the county received a 2006 certified distribution of county economic development income taxes that was distributed under IC 6-3.5-7-12(c) but did not receive a 2006 certified distribution of county adjusted gross income tax or county option income tax, one (1).

(b) The Option 5 eligible civil units are the following:

(1) The county.

(2) Each city and town in the county.

(c) An Option 5 eligible civil unit's allocation factor for a year is the eligible civil unit's population. For the purpose of applying this subsection to a county, only the population of the county in an unincorporated area shall be attributed to the county.

Sec. 18. The amount allocated to an eligible civil taxing unit under Option 1 is the amount determined under STEP SIX of the following formula:

STEP ONE: Determine the amount of revenue to be distributed under this chapter.

STEP TWO: Multiply the STEP ONE amount by the county's Option 1 ratio.

STEP THREE: Determine the Option 1 allocation factor for the eligible civil taxing unit for the year of distribution.

STEP FOUR: Determine the sum of the Option 1 allocation factors for all eligible civil units in the county for the year of distribution.

STEP FIVE: Divide the STEP THREE result by the STEP FOUR result.

STEP SIX: Multiply the STEP FIVE result by the STEP TWO amount.

Sec. 19. The amount allocated to an eligible civil taxing unit under Option 2 is the amount determined using STEP NINE of the following formula:

STEP ONE: Determine the total amount of revenues that were distributed as distributive shares under IC 6-3.5-6-18.5 (repealed) in 1995.

STEP TWO: Determine the amount of revenue from taxes imposed under this chapter in the current year.

STEP THREE: Subtract the STEP ONE result from the STEP TWO result.

STEP FOUR: If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the ratio established under this chapter.

STEP FIVE: Determine the ratio of:

(A) the Option 2 allocation factor for the eligible civil taxing unit; divided by

(B) the sum of the Option 2 allocation factors for all eligible civil taxing units of the county during the current year.

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under this chapter.

STEP SEVEN: For each eligible civil taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each eligible civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under this chapter. The STEP THREE excess shall be distributed as provided in STEP NINE only to the

eligible civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

STEP NINE: For the eligible civil taxing units qualifying for a distribution under STEP EIGHT, each eligible civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

- (A) the Option 2 allocation factor for the eligible civil taxing unit; divided by
- (B) the sum of the Option 2 allocation factors for all eligible civil taxing units of the county during the current year.

Sec. 20. The amount allocated to an eligible civil taxing unit under Option 3 is the amount determined under STEP SIX of the following formula:

STEP ONE: Determine the amount of revenue to be distributed under this chapter.

STEP TWO: Multiply the STEP ONE amount by the county's Option 3 ratio.

STEP THREE: Determine the Option 3 allocation factor for the eligible civil taxing unit for the year of distribution.

STEP FOUR: Determine the sum of the Option 3 allocation factors for all eligible civil units in the county for the year of distribution.

STEP FIVE: Divide the STEP THREE result by the STEP FOUR result.

STEP SIX: Multiply the STEP FIVE result by the STEP TWO result.

Sec. 21. The amount allocated to an eligible civil taxing unit under Option 4 is the amount determined under STEP SIX of the following formula:

STEP ONE: Determine the amount of revenue to be distributed under this chapter.

STEP TWO: Multiply the STEP ONE amount by the county's Option 4 ratio.

STEP THREE: Determine the Option 4 allocation factor for the eligible civil taxing unit for the year of distribution.

STEP FOUR: Determine the sum of the Option 4 allocation factors for all eligible civil units in the county for the year of distribution.

STEP FIVE: Divide the STEP THREE result by the STEP FOUR result.

STEP SIX: Multiply the STEP FIVE result by the STEP TWO amount.

Sec. 22. The amount allocated to an eligible civil taxing unit under Option 5 is the amount determined under STEP SIX of the following formula:

STEP ONE: Determine the amount of revenue to be distributed under this chapter.

STEP TWO: Multiply the STEP ONE amount by the county's Option 5 ratio.

STEP THREE: Determine the Option 5 allocation factor for the eligible civil taxing unit for the year of distribution.

STEP FOUR: Determine the sum of the Option 5 allocation factors for all eligible civil units in the county for the year of distribution.

STEP FIVE: Divide the STEP THREE result by the STEP FOUR result.

STEP SIX: Multiply the STEP FIVE result by the STEP TWO amount.

Sec. 23. A council, either through an ordinance terminating a tax or an ordinance reducing the tax rate, may not decrease a tax imposed under this chapter below the tax rate necessary to continue the part of an allocation of taxes to a civil taxing unit that the civil taxing unit has pledged to pay or fund bonds, leases, or another obligation permitted by IC 5-1-14 or another law. For purposes of this section, a pledge of county adjusted gross income taxes (before the repeal of IC 6-3.5-1 or IC 6-3.5-1.1), county option income taxes (before the repeal of IC 6-3.5-6), or county economic development taxes (before the repeal of IC 6-3.5-7) shall be treated as a pledge of an allocation of taxes under this chapter.

Sec. 24. Subject IC 6-13-19 or any other law limiting the use of a civil taxing unit's revenues, a civil taxing unit may use taxes allocated to a civil taxing unit under this chapter for any governmental or public purpose, including any purpose for which a county adjusted gross income tax, a county option income tax, or a county economic development tax could be used before 2007.

Sec. 25. The county auditor shall retain from taxes allocated to a civil taxing unit under this chapter an amount equal to any:

- (1) reserve or settlement under IC 6-11-13;
- (2) assignment under IC 6-11-14; or
- (3) special allocation under IC 6-11-16;

that is payable from taxes imposed under this chapter in the manner and under the schedule determined under IC 6-11-13.

Sec. 26. The remainder of an eligible civil unit's allocation of taxes imposed under this chapter shall be distributed to the eligible civil taxing unit in the manner and under the schedule determined under IC 6-11-13.

Sec. 27. An eligible taxing unit shall deposit the amount distributed to the political subdivision under this chapter as provided in the budget for the year among the funds of the year in which the distributed taxes were imposed, including any amount budgeted for deposit in the political subdivision's rainy day fund. Money deposited in a fund under this section may be used for any purpose for which money in the fund may be used or transferred to another fund as authorized by law.

Sec. 28. The amount raised under this chapter and retained by a county auditor as an assignment or a special allocation may be used only for the purposes of the assignment or the special allocation.

Sec. 29. Subject to IC 6-13-22-11 concerning excess revenue, an amount retained in excess of the amount necessary for the purposes of a reserve, a settlement, an assignment, or a special allocation shall be distributed to the civil taxing unit from which the amount was retained. The amount distributed under this section does not reduce the controlled tax limit or allocation amount for a civil taxing unit in any year.

Chapter 9. Excluded Taxes

Sec. 1. In addition to the tax rate in effect in the county under IC 6-11-7 or IC 6-11-8, or both, the governing body specified in any of the following may adopt an additional tax rate for the county under this chapter.

Sec. 2. An additional tax rate adopted under this chapter (including a tax described in section 3 of this chapter) shall be treated as an excluded tax.

Sec. 3. An ordinance adopted in a county before April 1, 2006, that would have imposed any of the additional rates listed in IC 6-11-9-11 after 2006 if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed shall be treated after 2006 as an ordinance adopted under section 1 of this chapter.

Sec. 4. The tax rate imposed under section 3 of this chapter is equal to the combined total of the additional tax rates listed in IC 6-11-9-11 that the county would have imposed in 2007 if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed.

Sec. 5. The tax rate imposed under section 3 of this chapter applies to 2007 and each year thereafter until the earlier of the following:

- (1) The tax expires by law.
- (2) The tax is rescinded or the tax rate is reduced by the council under this article.

Sec. 6. A fiscal body or council, either through an ordinance terminating a tax or an ordinance reducing the tax rate, may not decrease an excluded tax imposed under this chapter below the tax rate necessary to continue the part of an allocation of taxes to a political subdivision that the political subdivision has pledged to pay or fund bonds, leases, or another obligation permitted by IC 5-1-14 or another law. For purposes of this section, a pledge of county adjusted gross income taxes (before the repeal of IC 6-3.5-1 or IC 6-3.5-1.1), county option income taxes (before the repeal of IC 6-3.5-6), or county economic development taxes (before the repeal of IC 6-3.5-7) under a law listed in IC 6-11-9-11 shall be treated as a pledge of an allocation of taxes under this article.

Sec. 7. The county auditor shall retain from the distribution of taxes made to the county the amount of each excluded tax imposed in the county.

Sec. 8. The amount raised by an excluded tax, after deducting any necessary reserves and settlements under IC 6-11-13, may be used only for the purposes allowed under the law under which it was imposed or its successor law. Any amount raised in excess of the amount necessary for the purposes of the excluded tax shall be treated as excess revenue under IC 6-13-22-11 and applied to reduce the excluded tax rate for the following year or the later year determined by the department. Except as otherwise provided by law, IC 36-1-8-5 applies to an unused and unencumbered balance remaining from an excluded tax when the purposes for the excluded tax have been fulfilled.

Sec. 9. (a) Except to the extent waived for a year by the department, an additional tax rate is imposed in each county at the lesser of the following:

- (1) The rate necessary, after deducting any amount being raised as property taxes to replace money in a rainy day fund used as a temporary loan to a debt service fund, to maintain the balance of the rainy day funds of each political subdivision at six percent (6%) of the budget in the immediately preceding year for the political subdivision in the county; or
- (2) twenty percent (20%) of the increase in the tax rate imposed in the county under IC 6-11-7.

(b) The additional rate under this section is an excluded tax.

(c) The county auditor shall retain the amount of the additional tax rate under this section as a special allocation. The retained amount shall be allocated among political subdivisions

for deposit in each political subdivision's rainy day fund in proportion to the controlled tax limits for each political subdivision in the county until the political subdivision's rainy day fund balance is at least six percent (6%) of the political subdivision's controlled tax limit.

(d) The council may adopt an ordinance to increase the additional tax imposed under this section. The county auditor shall retain the amount of the additional tax rate under this subsection as a special allocation. The retained amount shall be allocated among political subdivisions for deposit in each political subdivision's rainy day fund in proportion to the controlled tax limits of each political subdivision in the county.

Sec. 10. (a) This section applies to any county, regardless of whether the county has adopted an ordinance under:

- (1) IC 6-11-15 to provide additional property tax replacement credits or homestead credits from the part of a tax that is a controlled tax imposed under IC 6-11-7;
- (2) IC 6-11-16 to provide additional property tax replacement credits or homestead credits from the part of an optional additional county income tax imposed as an excluded tax under IC 6-11-8; or
- (3) another provision of this chapter to provide additional property tax replacement credits or homestead credits.

(b) In addition to any other additional tax rate imposed under this article, a council may adopt an additional tax rate to replace revenue lost to a political subdivision as the result of granting an additional homestead credit under this section. A county that adopted an ordinance under IC 6-3.5-7-26 (before its repeal) shall be treated as if the county adopted an ordinance under this section. The amount of the additional tax is an excluded tax.

(c) The additional tax rate may not exceed twenty-five hundredths of one percent (0.25%).

(d) An additional homestead credit is established in each county to which this section applies to offset the effect on homesteads in the county resulting from the statewide deduction for inventory under IC 6-1.1-12-42. The department shall set the percentage of the homestead credit so that the total amount of additional homestead credits granted equals the amount of the additional tax collected under this section. The homestead credit adopted under this section shall be applied as specified in the ordinance. The ordinance may provide that the additional tax be:

- (1) uniformly applied to increase the homestead credit granted under IC 6-1.1-20.9 for all homesteads in the county; or
- (2) applied to increase the homestead credit granted under IC 6-1.1-20.9 for all homesteads in the county in the same proportion as the amount of inventory assessed value deducted under IC 6-1.1-12-42 in the taxing district for the immediately preceding year's assessment date bears to the total inventory assessed value deducted under IC 6-1.1-12-42 in the county for the immediately preceding year's assessment date.

(e) The county auditor shall retain the amount necessary for the homestead credit as a special allocation. The retained amount shall be allocated among political subdivisions in proportion to property tax revenue lost as the result of granting additional homestead credits under this section.

(f) Money received under this section shall be treated for all purposes as property tax levies.

Sec. 11. (a) This section applies to an additional tax imposed under any of the following before April 1, 2006, and that would have been in effect for a year after 2006 if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed:

- (1) IC 6-3.5-1.1-2.5 (repealed).
- (2) IC 6-3.5-1.1-2.7 (repealed).
- (3) IC 6-3.5-1.1-2.8 (repealed).
- (4) IC 6-3.5-1.1-2.9 (repealed).
- (5) IC 6-3.5-1.1-3.3 (repealed).
- (6) IC 6-3.5-1.1-3.5 (repealed).
- (7) IC 6-3.5-1.1-3.6 (repealed).
- (8) IC 6-3.5-6-27 (repealed).
- (9) IC 6-3.5-6-28 (repealed).
- (10) IC 6-3.5-7-22 (repealed).
- (11) IC 6-3.5-7-24 (repealed).
- (12) IC 6-3.5-7-25 (repealed).
- (13) IC 6-3.5-7-27 (repealed).

(b) An additional tax rate is imposed in a county after 2006 for the purposes each law described in subsection (a). The amount of the additional tax rate is the tax rate imposed in 2006 under a law described in subsection (a). The additional tax rate is an excluded tax.

(c) An additional tax rate imposed under this section continues until the earliest of the following:

- (1) The date the additional tax rate is rescinded or reduced by the body establishing the additional rate.
- (2) The date that the purpose for which the tax rate was imposed is accomplished.
- (3) The date that the law described in subsection (a) would have terminated the additional tax rate.

(d) The county auditor shall retain the amount of the additional tax rate as a special allocation. The retained amount shall be allocated as provided in the applicable law described in subsection (a).

Sec. 12. (a) This section applies to any county, regardless of whether the county has adopted an ordinance under:

- (1) IC 6-11-15 to provide additional property tax replacement credits or homestead credits from the part of a tax that is a controlled tax imposed under IC 6-11-7;
- (2) IC 6-11-16 to provide additional property tax replacement credits or homestead credits from the part of an optional additional county income tax imposed as an excluded tax under IC 6-11-8; or
- (3) another provision of this chapter to provide additional property tax replacement credits or homestead credits.

(b) In addition to any other additional tax rate imposed under this article, a council may adopt an additional tax rate to replace revenue lost to a political subdivision as the result of granting an additional property tax replacement credit under this section. The amount of the additional tax is an excluded tax.

(c) The additional tax rate may not exceed one percent (1%).

(d) An additional property tax replacement credit is established in each county to which this section applies. The department shall set the percentage of the property tax replacement credit so that the total amount of additional property tax replacement credits granted equals the amount of

the additional tax collected under this section. The additional property tax replacement credit shall be uniformly applied to all taxpayer property tax liability for controlled property taxes imposed by the political subdivision.

(e) The county auditor shall retain the amount necessary for the property tax replacement credit as a special allocation. The retained amount shall be allocated among political subdivisions in proportion to property tax revenue lost as the result of granting additional property tax replacement credits under this section.

(f) Money received under this section shall be treated for all purposes as property tax levies.

Chapter 10. Credits

Sec. 1. (a) Except as provided in subsection (b), if for a particular taxable year a resident is liable for an income tax imposed by a county, city, town, or other local governmental entity located outside Indiana, that resident is entitled to a credit against the tax liability imposed under this article for that same taxable year. The amount of the credit equals the amount of tax imposed by the other governmental entity on income derived from sources outside Indiana and subject to the tax under this article. However, the credit provided by this section may not reduce a resident's tax liability under this article to an amount less than would have been owed if the income subject to taxation by the other governmental entity had been ignored.

(b) The credit provided by this section does not apply to a resident to the extent that the other governmental entity provides for a credit to the resident for the amount of taxes owed under this article.

(c) To claim the credit provided by this section, a resident must provide the department of state revenue with satisfactory evidence that the taxpayer is entitled to the credit.

Sec. 2. (a) If for a particular taxable year a taxpayer is, or a taxpayer and the taxpayer's spouse who file a joint return are, allowed a credit for the elderly or totally disabled under Section 22 of the Internal Revenue Code, the taxpayer is, or the taxpayer and the taxpayer's spouse are, entitled to a credit against the tax liability under this article for that same taxable year. The amount of the credit equals the lesser of:

(1) the product of:

- (A) the credit for the elderly or totally disabled for that same taxable year; multiplied by
- (B) a fraction, the:
 - (i) numerator of which is the tax rate imposed under this article against the taxpayer or the taxpayer and the taxpayer's spouse; and
 - (ii) denominator of which is fifteen-hundredths (0.15); or

(2) the amount of tax imposed on the taxpayer or the taxpayer and the taxpayer's spouse.

(b) If a taxpayer and the taxpayer's spouse file a joint return and are subject to different county income tax rates for the same taxable year, the taxpayer and the taxpayer's spouse shall compute the credit under this section by using the formula provided by subsection (a), except that they shall use the average of the two (2) county income tax rates imposed against them as the numerator referred to in subsection (a)(1)(B)(i).

Chapter 11. Administration

Sec. 1. Except as otherwise provided in this article, all provisions of the adjusted gross income tax law (IC 6-3) concerning:

- (1) definitions;
- (2) declarations of estimated tax;
- (3) filing of returns;
- (4) deductions or exemptions from adjusted gross income;
- (5) remittances;
- (6) incorporation of the provisions of the Internal Revenue Code;
- (7) penalties and interest; and
- (8) exclusion of military pay credits for withholding;

apply to the imposition, collection, and administration of the tax imposed by this article.

Sec. 2. The provisions of IC 6-3-1-3.5(a)(6), IC 6-3-3-3, IC 6-3-3-5, IC 6-3-4-4.1(h), IC 6-3-4-8.1(e), and IC 6-3-5-1 do not apply to the tax imposed by this article.

Sec. 3. Each employer, including an employer making payments by electronic funds transfer, shall report to the department of state revenue for each reporting period the amount of tax withholdings attributable to each county. The report must be made before the later of the time that an employer that is not making an electronic funds transfer is required to pay to the department of state revenue amounts withheld during the reporting period or the date specified by the department of state revenue.

Sec. 4. A taxpayer required to file estimated or annual state adjusted gross income tax returns under IC 6-3-4-4.1, including taxpayers making payments by electronic funds transfer, shall file estimated tax returns and make payments of the tax imposed by this article to the department of state revenue at the time or times and in the installments specified under IC 6-3-4-4.1 for making estimated state adjusted gross income tax returns by taxpayers not making an electronic funds transfer.

Chapter 12. Collection and Distribution of Revenue to a County

Sec. 1. (a) A special account within the state general fund shall be established for each county that adopts the tax. Estimated tax payments, wage withholding payments, and other revenue derived from the imposition of the tax by a county shall be deposited in that county's account in the state general fund on at least a monthly basis as the revenue is received.

(b) Overpayments of the county's tax deposited in a county's account and other amounts deposited in a county's account in error shall be withdrawn from the account whenever the amount of the excess deposit is determined. If the amount that must be withdrawn from a county's account exceeds the amount in the account, the budget agency shall advance to the county's account from the state general fund the amount necessary to make the withdrawal. The advance shall be repaid from the account on the schedule determined by the budget agency.

(c) Income earned on money held in a county's account becomes a part of that account.

(d) Revenue remaining in a county's account at the end of a fiscal year does not revert to the state general fund.

Sec. 2. The auditor of state shall distribute money in a county's account, less the reserve that the department of state

revenue determines is necessary to meet probable withdrawals from the fund for overpayments and other erroneous deposits, at least monthly.

Sec. 3. All distributions from an account shall be made by warrants issued by the auditor of state to the treasurer of state ordering the appropriate payments.

Sec. 4. The department of state revenue shall at least annually distribute to the county auditor for a county imposing a tax and to the department sufficient information for the county auditor and the department to determine that the distributions made to the county are correct and complete. To the extent that the information distributed under this section is confidential information under IC 6-8.1-7, the department of state revenue shall require the recipients to enter into an agreement under IC 6-8.1-7-1(b) before providing the information.

Sec. 5. The department of state revenue, in addition to offsetting withdrawals and the repayment of advances to an account against money deposited in an account, may on a settlement date seek repayment from a county of money erroneously distributed to the county. The county auditor shall reimburse the county's account for overpayments from county income tax distributions held by the county. The amount of the reimbursement shall be proportionately deducted from all allocations made to the political subdivisions in the county except allocations made to pay or fund any bonds, lease obligations, or other obligations (as defined in IC 5-1-3-1) for which county adjusted gross income tax, county option income tax, county economic development tax, or county income tax is pledged. If the amount held by the county is insufficient to reimburse the county's account, the county fiscal body may authorize an advance of money from the county general fund to make the reimbursement. The advance shall be repaid on the schedule determined by the county fiscal body.

Chapter 13. Distribution of Revenue by the County Auditor

Sec. 1. When taxes are distributed to a county under IC 6-11-12, the county auditor shall:

- (1) determine the part of the distribution that is attributable to the part of the tax imposed under IC 6-11-7, IC 6-11-8, and each additional excluded tax rate imposed under IC 6-11-9;
- (2) determine the part of each political subdivision's allocation of taxes imposed under IC 6-11-7 and IC 6-11-8 that must be retained under this article, including amounts retained as a result of assignments of taxes made by a political subdivision under IC 6-11-14; and
- (3) distribute the remainder of the taxes among the political subdivisions in the county according to the formulas established under this article.

Sec. 2. Amounts retained under section 1 of this chapter shall be distributed as required to carry out the purposes of the special allocation or other purpose for which the taxes are retained.

Sec. 3. To assist county auditors, the department shall compute allocations, amounts that must be retained, and amounts to be distributed for each purpose.

Sec. 4. The department shall establish a schedule for transmitting the information computed under section 3 of this chapter to each county auditor. The information must be accompanied by sufficient supporting work papers for the county

auditor to verify the accuracy and completeness of the computations.

Sec. 5. A county auditor shall provide each affected political subdivision, individual, or other entity entitled to a distribution with:

- (1) advance notice of the policies established under this chapter; and
- (2) sufficient documentation for the entity to verify the accuracy and completeness of the entity's distributions under this article.

The county auditor shall give the notices and documentation under this section on the schedule, if any, specified by the department.

Sec. 6. Subject to this chapter and any other law, a council may adopt an ordinance to establish the:

- (1) schedule on which distributions are made;
- (2) amount of reserve that the county auditor shall retain to reimburse the state for any overpayment to the county under IC 6-11-12;
- (3) schedule for apportioning amounts retained by the county auditor to the distributions that would otherwise be made under this article; and
- (4) formula and schedule for apportioning shortfalls among the distributions that would otherwise be made under this article.

Sec. 7. In the absence of an ordinance under section 6 of this chapter the:

- (1) schedule on which distributions are made;
- (2) amount of reserve that the county auditor shall retain to reimburse the state for any overpayment to the county under IC 6-11-12;
- (3) schedule for apportioning amounts retained by the county auditor to the distributions that would otherwise be made under this article; and
- (4) formula and schedule for apportioning shortfalls among the distributions that would otherwise be made under this article.

is the schedule, amount, and formula specified by the department under section 8 of this chapter or, in the absence of a policy under section 8 of this chapter, the county auditor.

Sec. 8. The department may establish the:

- (1) schedule on which distributions are made;
- (2) amount of reserve that a county auditor shall retain to reimburse the state for any overpayment to the county under IC 6-11-12;
- (3) schedule for apportioning amounts retained by the county auditor to the distributions that would otherwise be made under this article; and
- (4) formula and schedule for apportioning shortfalls among the distributions that would otherwise be made under this article.

Sec. 9. If the council adopts an ordinance under section 6 of this chapter, the department may establish under section 8 of this chapter a different standard than the standard adopted in the ordinance only as necessary to:

- (1) protect taxpayers;
- (2) protect the holders of bonds, leases, or other obligations;

(3) provide for uniform and just treatment of all political subdivisions in the county; or

(4) enforce a law.

Sec. 10. To the extent possible, the county auditor, council, and department shall provide for monthly distributions of a county's tax.

Sec. 11. An ordinance adopted under section 6 of this chapter or a policy established under section 3, 7, or 8 of this chapter may not adversely affect the payment or funding of any bonds, lease obligations, or other obligations (as defined in IC 5-1-3-1) for which:

- (1) county adjusted gross income tax, county option income tax, or county economic development tax was pledged before 2007; or
- (2) county income tax is pledged.

Sec. 12. A county auditor may not maintain a reserve to reimburse the state for any overpayment to the county under IC 6-11-12 that exceeds the probable net settlement to the state for taxes from which the reserve is retained.

Sec. 13. The county auditor shall retain from a county's distribution under IC 6-11-12 the amount of any settlement with the state required to eliminate overpayments to the county of taxes imposed under this article that are not covered by a reserve.

Chapter 14. Assignments of an Allocation

Sec. 1. The fiscal body of a political subdivision may by ordinance or resolution assign any part of the political subdivision's allocation, including a special allocation, of a county's distribution of taxes to another entity to carry out any governmental purpose, including any purpose for which county adjusted gross income taxes, county option income taxes, or county economic development taxes could have been pledged or assigned before 2007.

Sec. 2. An assignment of a political subdivision's share of:

- (1) county adjusted income taxes;
- (2) county option income taxes; or
- (3) county economic development income taxes;

that would have applied to a year after 2006 if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed, shall be treated as an assignment of the political subdivision's allocation of a county's distribution of taxes under this article.

Sec. 3. Except as provided in section 2 of this chapter, if the political subdivision assigns an allocation, the fiscal body shall certify the allocation to the county auditor and the department.

Sec. 4. If a political subdivision fails to pay or fund bonds, lease obligations, or other obligations (as defined in IC 5-1-3-1) for which a pledge of county adjusted gross income tax, county option income tax, or county economic development tax was made, the department may order the county auditor to retain from the amount that would otherwise be allocated to the political subdivision the amount necessary to fulfill the political subdivision's obligations. The amount retained under this section shall be treated as an assignment of the political subdivision's allocation to meet the political subdivision's obligations under the pledge.

Sec. 5. The county auditor shall retain an assigned amount and directly distribute it to the assignee as if it were a distribution to the political subdivision.

Sec. 6. An assignment under this chapter (including an assignment described in section 2 of this chapter) applies until the fiscal body of the political subdivision rescinds or reduces the amount of an assignment in a subsequent ordinance.

Sec. 7. A political subdivision (or the department in the case of section 4 of this chapter) may not reduce or rescind an assignment to the extent that the reduction or rescission will adversely affect the payment or funding of any bonds, lease obligations, or other obligations (as defined in IC 5-1-3-1) for which county adjusted gross income tax, county option income tax, or county economic development tax, or county income tax is pledged.

Sec. 8. An assignment of controlled taxes does not change the political subdivision's controlled tax limit or controlled levy limit.

Chapter 15. Special Allocations From Controlled Taxes

Sec. 1. This chapter applies only to the part of a tax that is a controlled tax imposed under IC 6-11-7.

Sec. 2. (a) This section applies to any county.

(b) In addition to any other property tax replacement credit or homestead credit granted under this article, the fiscal body of a political subdivision may adopt an ordinance to retain part of the amount that would otherwise be allocated to the political subdivision under IC 6-11-7 to replace revenue lost to a political subdivision as the result of granting additional property tax replacement credits under this section. The ordinance must specify the amount to be retained. The amount retained under this section is not an excluded tax.

(c) An additional property tax replacement credit is established in each county to which this section applies. The additional property tax replacement credit applies to the controlled property taxes imposed by the political subdivision adopting an ordinance under this section. The department shall set the percentage of property tax replacement credits so that the total amount of additional property tax replacement credits granted equals the amount of the tax retained under this section. The additional property tax replacement credit shall be uniformly applied to all taxpayer property tax liability for controlled property taxes imposed by the political subdivision.

(d) The county auditor shall retain the amount necessary for the additional property tax replacement credit as a special allocation. The retained amount shall be allocated to the political subdivision in proportion to the controlled property tax revenue lost as the result of granting additional property tax replacement credits under this section.

(e) Money received under this section shall be treated for all purposes as controlled property tax levies.

Chapter 16. Special Allocations From Optional Additional County Income Taxes

Sec. 1. This chapter applies only to the part of the tax imposed under this article that is imposed as an excluded tax under IC 6-11-8.

Sec. 2. The amount of taxes allocated to a tax area under:

- (1) IC 36-7-13;
- (2) IC 36-7-31;
- (3) IC 36-7-31.3;
- (4) IC 36-7-32; or
- (5) another similar law;

shall be treated as a special allocation that reduces only the

amount that would otherwise be allocated to a political subdivision under IC 6-11-8. The amount of the special allocation under this section may not be considered in determining the controlled tax limit of a political subdivision or in setting tax rates under this article.

Sec. 3. (a) This section applies to a county that adopted an ordinance under IC 6-3.5-7-23 (before its repeal) to provide for an additional property tax replacement credit to replace library property taxes in the county.

(b) The county fiscal body may adopt an ordinance to retain part of the amount that would otherwise be allocated to political subdivisions under IC 6-11-8 to replace revenue lost to a public library as the result of granting an additional property tax replacement credit against library property taxes imposed in the county. An ordinance adopted under IC 6-3.5-7-23 (before its repeal) shall be treated as an ordinance adopted under this section. The county fiscal body may not designate for library property tax replacement purposes tax revenue that is generated by a tax rate of more than fifteen-hundredths percent (0.15%).

(c) An additional property tax replacement credit is established in each county to which this section applies. The department shall set the percentage of the property tax replacement credit so that the total amount of additional property tax replacement credits granted equals the amount of the tax retained under this section. The additional property tax credit shall be applied in the same manner as an additional property tax credit under IC 6-3.5-7-23 (before its repeal) would have been applied.

(d) The county auditor shall allocate the amount retained under this section as a special allocation. The retained amount shall be allocated among public libraries as an additional property tax credit under IC 6-3.5-7-23 (before its repeal) would have been allocated.

(e) Money received under this section shall be treated for all purposes as property tax levies.

(f) A special allocation and property tax replacement credit under this section continues in effect until rescinded or reduced by ordinance adopted by the county fiscal body.

Sec. 4. (a) This section applies to a county that received a certified distribution of county adjusted gross income taxes in 2006.

(b) In addition to any other property tax replacement credit or homestead credit granted under this chapter, part of the amount that would otherwise be allocated to political subdivisions under IC 6-11-8 must be retained to replace revenue lost to a political subdivision as the result of granting additional property tax replacement credits under this section.

(c) The amount to be retained is the amount raised by the tax rate that is equal to the part of the county adjusted gross income tax rate that was imposed to raise the part of the county's 2006 certified distribution that was allocated to civil taxing units (as defined in IC 6-3.5-1.1-1 (repealed)) and school corporations as property tax replacement credits.

(d) An additional property tax replacement credit is established in each county to which this section applies. The department shall set the percentage of property tax replacement credits so that the total amount of additional property tax replacement credits granted equals the amount of the tax

retained under this section. The additional property tax replacement credit shall be uniformly applied to property tax liability on taxable property in the county as follows:

(1) To the property tax liability of each eligible civil taxing unit, as determined under IC 6-11-8-15, for controlled property taxes.

(2) To the property tax liability of each school corporation for its general fund, debt service fund, capital projects fund, transportation fund, and special education preschool fund.

(e) The county auditor shall retain the amount necessary for the additional property tax replacement credit as a special allocation. The retained amount shall be allocated among political subdivisions in proportion to the property tax revenue lost as the result of granting additional property tax replacement credits under this section.

(f) Money received under this section shall be treated for all purposes as property tax levies.

Sec. 5. (a) This section applies to a county that received a certified distribution of county adjusted gross income taxes in 2006.

(b) In addition to any other property tax replacement credit or homestead credit granted under this chapter, part of the amount that would otherwise be allocated to each eligible civil taxing unit, as determined under IC 6-11-8-15, under IC 6-11-8 must be retained to replace revenue lost to an eligible civil taxing unit as the result of granting additional property tax replacement credits under this section.

(c) The amount to be retained is the amount raised by the tax rate that is equal to the part of the county adjusted gross income tax rate that was imposed to raise the part of the county's 2006 certified distribution that was:

(1) allocated to eligible civil taxing units (as determined under IC 6-11-8-15) as certified shares; and

(2) used as additional property tax replacement credits.

(d) An additional property tax replacement credit is established in each county to which this section applies. The department shall set the percentage of property tax replacement credits so that the total amount of additional property tax replacement credits granted equals the amount of the tax retained under this section. The additional property tax replacement credit shall be uniformly applied to property tax liability on taxable property in the county of each eligible civil taxing unit, as determined under IC 6-11-8-15, for controlled property taxes.

(e) The county auditor shall retain the amount necessary for the additional property tax replacement credit as a special allocation. The retained amount shall be allocated among political subdivisions in proportion to the property tax revenue lost as the result of granting additional property tax replacement credits under this section.

(f) Money received under this section shall be treated for all purposes as property tax levies.

Sec. 6. (a) This section applies to any county.

(b) In addition to any other property tax replacement credit or homestead credit granted under this chapter, a council may adopt an ordinance to retain part of the amount that would otherwise be allocated to political subdivisions under IC 6-11-8

to replace revenue lost to a political subdivision as the result of granting additional property tax replacement credits under this section. The ordinance must specify the amount to be retained.

(c) An additional property tax replacement credit is established in each county to which this section applies. The department shall set the percentage of property tax replacement credits so that the total amount of additional property tax replacement credits granted equals the amount of the tax retained under this section. The additional property tax replacement credit shall be uniformly applied to all controlled property tax liability in the county.

(d) The county auditor shall retain the amount necessary for the additional property tax replacement credit as a special allocation. The retained amount shall be allocated among political subdivisions in proportion to the controlled property tax revenue lost as the result of granting additional property tax replacement credits under this section.

(e) Money received under this section shall be treated for all purposes as controlled property tax levies.

Sec. 7. (a) This section applies to any county.

(b) In addition to any other additional property tax replacements or homestead credits granted under this chapter, a council may adopt an ordinance to retain part of the amount that would otherwise be allocated to political subdivisions under IC 6-11-8 to replace revenue lost to a political subdivision as the result of granting an additional homestead credit under this section. The amount retained is not an excluded tax. An ordinance adopted in a county under IC 6-3.5-6-13 (repealed) before April 1, 2006, shall be treated as an ordinance adopted under this section if the ordinance would have been in effect in a year after 2006 if IC 6-3.5-6 had not been repealed.

(c) The maximum amount that may be retained under this section for an ensuing year is the greater of:

(1) eight percent (8%) of the sum of the property taxes imposed in the county in the year immediately preceding the ensuing year; or

(2) the amount that the county retained under IC 6-3.5-6-18(b) (repealed) in 2006 for the purposes of granting homestead credits.

The ordinance must specify the amount to be retained.

(d) An additional homestead credit is established in each county to which this section applies. The department shall set the percentage of the homestead credit so that the total amount of additional homestead credits granted equals the amount of the additional tax collected under this section. The additional homestead credit shall be applied as an increase in the homestead credit allowed in a taxing district under IC 6-1.1-20.9 for a year. The homestead credit shall be uniformly applied to all homesteads in the county.

(e) The county auditor shall retain the amount necessary for the homestead credit as a special allocation. The retained amount shall be allocated among political subdivisions in proportion to property tax revenue lost as the result of granting additional homestead credits under this section.

(f) Money received under this section shall be treated for all purposes as property tax levies.

Sec. 8. (a) This section applies to any county.

(b) In addition to any other property tax replacement credit or homestead credit granted under this article, the fiscal body of a political subdivision may adopt an ordinance to retain part of the amount that would otherwise be allocated to the political subdivision under IC 6-11-8 to replace revenue lost to a political subdivision as the result of granting additional property tax replacement credits under this section. The ordinance must specify the amount to be retained. The ordinance may be combined with an ordinance adopted under IC 6-11-15.

(c) An additional property tax replacement credit is established in each county to which this section applies. The additional property tax replacement credit applies to the controlled property taxes imposed by the political subdivision adopting an ordinance under this section. The department shall set the percentage of property tax replacement credits so that the total amount of additional property tax replacement credits granted equals the amount of the tax retained under this section. The additional property tax replacement credit shall be uniformly applied to all taxpayer property tax liability for controlled property taxes imposed by the political subdivision.

(d) The county auditor shall retain the amount necessary for the additional property tax replacement credit as a special allocation. The retained amount shall be allocated to the political subdivision in proportion to the controlled property tax revenue lost as the result of granting additional property tax replacement credits under this section.

(e) Money received under this section shall be treated for all purposes as controlled property tax levies.

Chapter 17. Actions Taken by Fiscal Body Other Than Council

Sec. 1. This chapter applies to an action that under this article may be taken by a fiscal body that is not acting as a member of the council.

Sec. 2. A fiscal body may take an action after publishing a notice under IC 5-3-1.

Sec. 3. As soon as practical after its adoption, a certified copy of an ordinance or resolution adopted by a fiscal body shall be distributed to the:

- (1) county auditor;
- (2) department; and
- (3) department of state revenue.

Sec. 4. An ordinance or resolution adopted by a fiscal body may be amended or rescinded by adopting a subsequent ordinance or resolution.

Sec. 5. An ordinance or resolution adopted by a fiscal body before September 16 initially applies to the ensuing year. Unless waived by the department for good cause, an ordinance or resolution adopted after September 15 in a year initially applies to the year following the year of adoption by two (2) years.

Chapter 18. Bonds

Sec. 1. Notwithstanding any other law, if a political subdivision desires to issue obligations or enter into leases, payable wholly or in part by the tax, the obligations of the political subdivision or any lessor may be sold at public sale in accordance with IC 5-1-11 or at negotiated sale.

Sec. 2. A pledge of tax revenues under this article is enforceable in accordance with IC 5-1-14.

Sec. 3. With respect to obligations for which a pledge has been

made under this article, the general assembly covenants with the county and the purchasers or owners of those obligations that this article will not be repealed or amended in any manner that will adversely affect the tax collected under this article as long as the principal of or interest on those obligations is unpaid.

SECTION 43. IC 6-12 IS ADDED TO THE INDIANA CODE AS A NEW ARTICLE TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]:

ARTICLE 12. CONTROLLED TAX LIMIT

Chapter 1. Definitions

Sec. 1. The definitions in IC 6-1.1, IC 6-11, and IC 36-1-2 apply throughout this article.

Sec. 2. The definitions in this chapter apply throughout this article.

Sec. 3. "Adjustment" means an increase or a decrease of a:

- (1) political subdivision's controlled tax limit or controlled levy limit, or both;
- (2) political subdivision's property taxes or property tax rates;
- (3) county's income tax or income tax rate; or
- (4) political subdivision's allocation of income taxes; or

another action allowed under this article or IC 6-13.

Sec. 4. "Income tax" refers to a county income tax imposed under IC 6-13.

Sec. 5. "Indiana nonfarm personal income" means the estimate of total nonfarm personal income for Indiana in a year as computed by the federal Bureau of Economic Analysis using any actual data for the year and any estimated data determined to be appropriate by the federal Bureau of Economic Analysis.

Chapter 2. Excluded Taxes

Sec. 1. This article does not apply to the state or a political subdivision that does not have the power to impose a property tax.

Sec. 2. This article applies to the:

- (1) amount of controlled income taxes that may be imposed in a county for allocation to a political subdivision; and
- (2) controlled property taxes that may be imposed in a county by the political subdivision.

Sec. 3. The taxes described in section 2 of this chapter are controlled taxes subject to this article.

Sec. 4. This article does not apply to any part of:

- (1) an income tax imposed in a county; or
- (2) a property tax levy imposed by a political subdivision; that is designated as an excluded tax under this chapter or IC 6-11.

Sec. 5. A controlled tax limit or controlled levy limit calculated under this article does not apply to an excluded tax.

Sec. 6. An excluded tax may not be considered in calculating a controlled tax limit, controlled levy limit, or annual controlled tax increase for any political subdivision.

Sec. 7. A property tax imposed for a debt service fund (as defined in IC 6-14-1-8) is an excluded tax.

Sec. 8. A fixed rate levy (as defined in IC 6-15-1-3) is an excluded tax.

Sec. 9. A property tax imposed for any of the following is an excluded tax:

- (1) A referendum tax levy fund (IC 21-2-11.6).
- (2) A school capital projects fund (IC 21-2-15).

- (3) A special education preschool fund (IC 21-2-17).
- (4) A racial balance fund (IC 6-1.1-19-10 (repealed) or IC 21-2-22).
- (5) A cultural institution (IC 20-5-17.5-4 (repealed) or IC 36-10-13-8).

Sec. 10. A:

- (1) tax imposed under IC 6-1.1-21.2-12; or
- (2) special assessment imposed under IC 12-19-1.5-9;

for an allocation area is an excluded tax.

Sec. 11. A part of the income tax rate that is:

- (1) imposed under IC 6-11-8; or
- (2) otherwise designated by law as an excluded tax.

Chapter 3. Limitations on Controlled Taxes

Sec. 1. A:

- (1) controlled tax limit; and
- (2) controlled levy limit;

is established for each political subdivision.

Sec. 2. If the political subdivision is located in more than one (1) county, a controlled tax limit and controlled levy limit is established for each county in which the political subdivision is located. The controlled tax limit and the controlled levy limit in each county must reflect a proportionate share of the total amount of controlled taxes that may be imposed for the political subdivision. The apportionment must reflect the factors applicable to apportioning an adjustment under IC 6-12-5-5.

Sec. 3. A political subdivision's controlled tax limit specifies the maximum total amount of controlled taxes that may be imposed in a county in a year for the political subdivision. Subject to section 16 of this chapter, an action taken by a political subdivision, the council, or the department of local government is void to the extent that it allows controlled taxes to be imposed in a county in a year for a political subdivision that exceeds the political subdivision's controlled tax limit in the county for the year.

Sec. 4. A political subdivision's controlled levy limit does not limit the amount of controlled property taxes that a political subdivision may impose in a county in a year. However, the political subdivision's controlled levy limit specifies the maximum total amount of the political subdivision's controlled taxes that is eligible for:

- (1) homestead credits under IC 6-1.1-20.9-2 and property tax replacement credits under IC 6-1.1-21-5; and
- (2) distributions under IC 6-1.1-21 to replace revenue lost from the granting of homestead credits under IC 6-1.1-20.9-2 and property tax replacement credits under IC 6-1.1-21-5.

Sec. 5. If a county does not pay all of a political subdivision's total allowable tax increase amounts from income taxes the political subdivision may impose a controlled property tax to raise the amount that is not raised from income taxes. However, the additional amount of property taxes is not eligible for:

- (1) homestead credits under IC 6-1.1-20.9-2 and property tax replacement credits under IC 6-1.1-21-5; and
- (2) distributions under IC 6-1.1-21 to replace revenue lost from the granting of homestead credits under IC 6-1.1-20.9-2 and property tax replacement credits under IC 6-1.1-21-5.

Sec. 6. A political subdivision's allocation of income taxes under IC 6-11-7 is calculated based on the political subdivision's controlled tax limit.

Sec. 7. A political subdivision is not required to spend the entire amount of the political subdivision's controlled tax limit for a year or impose property taxes equal to the amount of the political subdivision's controlled levy limit.

Sec. 8. The use of controlled income taxes to increase the amount of money in:

- (1) the political subdivision's rainy day fund; or
- (2) another fund that the political subdivision is saving under a written plan approved by the department;

does not reduce the political subdivision's controlled tax limit or controlled levy limit.

Sec. 9. The use of controlled income taxes as property tax replacement credits, homestead credits, or other credits under IC 6-11-15 does not reduce the political subdivision's controlled tax limit or controlled levy limit.

Sec. 10. A temporary adjustment, as determined by the department, in the amount of controlled income taxes or controlled property taxes that are imposed for a political subdivision is disregarded for purposes of determining the political subdivision's controlled tax limit and controlled levy limit for the following year.

Sec. 11. The application of money from:

- (1) the political subdivision's rainy day fund;
- (2) an excess revenue fund account;
- (3) excluded income taxes under IC 6-11-9 or IC 6-11-16; or
- (4) another source;

to reduce the controlled income taxes or controlled property taxes imposed for the political subdivision in a year shall be treated as a temporary adjustment.

Sec. 12. For purposes of determining a political subdivision's controlled tax limit, controlled levy limit, and allocations of controlled income taxes, the assignment of controlled income taxes under IC 6-11-14 or controlled property taxes to another entity shall be treated as if the money were expended by the assigning political subdivision.

Sec. 13. A political subdivision is not prohibited by law from using controlled income taxes to pay expenditures for a purpose or from a fund when a law imposes a limit at or requires expenditure of a specified property tax levy or specified property tax rate. The law shall be construed to mean that the total of all controlled income taxes and controlled property taxes that may or must be expended is the amount that would be raised by the specified levy or rate.

Sec. 14. Regardless of whether a political subdivision's controlled tax limit or controlled levy limit would permit a higher tax or rate, the controlled taxes that may be imposed in a year for a particular fund or purpose may not exceed the maximum tax amount or rate specified by law, if any, for the fund or purpose.

Sec. 15. An unused part of a political subdivision's controlled tax limit or controlled levy limit that is attributable to a:

- (1) family and children's fund;
- (2) children's psychiatric residential treatment services fund;
- (3) school general fund;
- (4) school transportation fund; or

(5) school bus replacement fund; may not be reallocated and applied to increase the controlled tax limit or controlled levy limit for any other fund or purpose.

Sec. 16. If, as the result of applying the property tax and income tax rates certified by the department, more controlled taxes are raised for a political subdivision than the maximum amount allowed under the political subdivision's controlled tax limit, the collection of the excess is valid. The excess shall be treated as excess revenue under IC 6-13-22.

Chapter 4. Computation of Controlled Tax and Levy Limits

Sec. 1. A political subdivision's controlled tax limit and controlled levy limit for a county are the controlled tax limit and controlled levy limit calculated by the department.

Sec. 2. The department shall annually calculate a political subdivision's controlled tax limit and controlled levy limit under this article.

Sec. 3. (a) This section does not apply to a school corporation.

(b) Subject to any adjustment allowed or required under this article, a political subdivision's controlled tax limit in a county for the ensuing year is equal to the amount determined under STEP SEVEN of the following formula:

STEP ONE: Determine the amount of controlled property taxes, as adjusted under IC 6-13-4-10, and controlled income taxes under IC 6-11-7 imposed in the county for the political subdivision for the immediately preceding year, as certified by the department and adjusted to eliminate the:

- (A) effects of any temporary adjustments in the certified amount; and
- (B) cumulative effects of any incorrect data, computations, and advertisements on the certified amount;

as determined by the department.

STEP TWO: Multiply the STEP ONE amount by the greater of the political subdivision's:

- (A) tax growth quotient; or
- (B) assessed value growth quotient;

for the ensuing year.

STEP THREE: Determine the lesser of one and fifteen hundredths (1.15) or the quotient of:

- (A) the assessed value of all taxable property subject to the political subdivision's controlled property tax levy for the ensuing year; divided by
- (B) the assessed value of all taxable property that is subject to the political subdivision's controlled property tax levy:
 - (i) for the ensuing year; and
 - (ii) that is contained in the geographic area that was subject to the political subdivision's controlled property tax levy in the preceding year.

STEP FOUR: Determine the greater of:

- (A) the amount determined in STEP THREE; or
- (B) one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO and:

- (A) the amount paid by the annexed area during the immediately preceding year for services that the political

subdivision must provide to that area during the ensuing year as a result of the annexation, if the boundary change involved an annexation of an area to which the political subdivision provided services on a contractual basis in the immediately preceding year; or

(B) zero dollars (\$0), if:

- (i) the boundary change did not involve an annexation of an area to which the political subdivision provided services on a contractual basis in the immediately preceding year; or
- (ii) the political subdivision will not continue to provide the services previously provided on a contractual basis in the ensuing year.

STEP SEVEN: Determine the greater of STEP FIVE or STEP SIX.

Sec. 4. A political subdivision's tax growth quotient for the ensuing year is the amount determined under STEP FOUR of the following formula:

STEP ONE: For each of the six (6) years preceding the year by two (2), divide the Indiana nonfarm personal income for the year by the Indiana nonfarm personal income for the year immediately preceding that year, rounding to the nearest one-thousandth (0.001).

STEP TWO: Determine the sum of the STEP ONE results.
STEP THREE: Divide the STEP TWO result by six (6), rounding to the nearest one-thousandth (0.001).

STEP FOUR: Determine the lesser of the following:

- (A) The STEP THREE quotient.
- (B) One and six-hundredths (1.06).

Sec. 5. A political subdivision's assessed value growth quotient for the ensuing year is the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the three (3) years that most immediately precede the ensuing year and in which a statewide general reassessment of real property does not first become effective.

STEP TWO: Compute separately, for each of the years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the:

- (A) sum of:
 - (i) the political subdivision's total assessed value of all taxable property; plus
 - (ii) the total assessed value of property tax deductions in the political subdivision under IC 6-1.1-12-41 or IC 6-1.1-12-42;

in the particular year; divided by

- (B) the sum of:
 - (i) the political subdivision's total assessed value of all taxable property; plus
 - (ii) the total assessed value of property tax deductions in the political subdivision under IC 6-1.1-12-41 or IC 6-1.1-12-42;

in the year immediately preceding the particular year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

Sec. 6. (a) A separate controlled tax limit shall be computed for each of the following:

(1) The school corporation's school general fund and charter schools under IC 6-1.1-19-1.5.

(2) The school corporation's transportation fund under IC 21-2-11.5-3.

(3) The school corporation's school bus replacement fund under IC 21-2-11.5-3.

(b) A school corporation's controlled tax limit for the:

(1) school corporation's school general fund and charter schools under IC 6-1.1-19-1.5 is the maximum controlled tax that may be imposed in the county under IC 6-1.1-19-1.5;

(2) school corporation's transportation fund under IC 21-2-11.5-3 is the maximum controlled tax that may be imposed in the county under IC 21-2-11.5-3; and

(3) school corporation's school bus replacement fund under IC 21-2-11.5-3 is the maximum controlled tax that may be imposed in the county under IC 21-2-11.5-3.

Sec. 7. The department shall compute a controlled tax limit for each political subdivision that imposed a property tax in 2006 as if this chapter applied to the political subdivision in 2006. The controlled tax limit computed under this section shall be used in computing a political subdivision's:

(1) 2007 controlled tax limit under section 3 of this chapter; and

(2) annual controlled tax increase that is eligible to be funded from income taxes under IC 6-11.

Sec. 8. The 2006 controlled tax limit for a political subdivision, other than a school corporation, is the sum of the following:

(1) The remainder, without any adjustment under IC 6-13-4-10, of the total amount of property taxes certified by the department to be imposed in the county for the political subdivision in 2006:

(A) after deducting the property taxes attributable to excluded taxes, as certified by the department; and

(B) adjusted to eliminate the:

(i) cumulative effects of any temporary adjustments in the certified amount; and

(ii) cumulative effects of any incorrect data, computations, and advertisements on the certified amount;

as determined by the department.

(2) The amounts, if any, of county adjusted gross income taxes (before its repeal) that were applied by the taxing units in the county as property tax replacement credits to reduce the individual levies of the taxing units, as provided in IC 6-3.5-1.1 (before its repeal) in 2006.

(3) The amounts, if any, by which the maximum permissible ad valorem property tax levies of the taxing units of the county were reduced under IC 6-1.1-18.5-3(b) STEP EIGHT (before its repeal) in 2006.

(4) The difference between:

(A) the amount determined in IC 6-1.1-18.5-3(e) STEP FOUR (before its repeal); minus

(B) the amount the civil taxing units' levies were increased because of the reduction in the civil taxing units' base year certified shares under IC 6-1.1-18.5-3(e) (before its repeal);

in 2006.

Sec. 9. A school corporation's 2006 controlled tax limit is the school corporation's controlled tax limit, as determined under section 6 of this chapter for 2006.

Sec. 10. Except as permitted to be increased under IC 6-12-5-6, a political subdivision's controlled levy limit for the ensuing year is the lesser of the following:

(1) The political subdivision's controlled levy limit for the immediately preceding year.

(2) The political subdivision's controlled tax limit for the ensuing year.

Sec. 11. The department shall compute a controlled levy limit for each political subdivision that imposed a property tax in 2006 as if this chapter applied to the political subdivision in 2006. The controlled levy limit computed under this section shall be used in computing a political subdivision's:

(1) 2007 controlled levy limit under section 10 of this chapter; and

(2) annual controlled tax increase that is eligible to be funded from income taxes under IC 6-11.

Sec. 12. A political subdivision's 2006 controlled levy limit is equal to the political subdivision's 2006 controlled tax limit.

Sec. 13. (a) This section applies to the determination of the controlled tax limit and controlled levy limit for a political subdivision:

(1) for which no certified taxes were imposed in the immediately preceding year; and

(2) that existed on March 1 of the preceding year.

(b) The controlled tax limit for a political subdivision described in subsection (a) in the ensuing year is the amount certified under subsection (c).

(c) The political subdivision shall refer its proposed budget for the ensuing year to the department before July 2 of the immediately preceding year. The department shall make the final determination concerning the political subdivision's budget, controlled levy limit, and controlled tax limit for the ensuing year before the immediately following August 2. The amount certified under this section is the political subdivision's controlled levy limit and controlled tax limit for the ensuing year.

Chapter 5. Adjustments

Sec. 1. The department may make an adjustment for any of the reasons specified in this article or IC 6-13. The department may increase a controlled levy limit only as permitted under section 6 of this chapter.

Sec. 2. Subject to this article, an adjustment under this article may be made on the department's own motion or after an appeal under IC 6-13. To the extent possible, the department shall make adjustments required by this article before certifying a political subdivision's controlled tax limit and controlled tax levy to the political subdivision under IC 6-13-5.

Sec. 3. An adjustment may be a:

(1) permanent adjustment that affects the computation of the political subdivision's controlled tax limit or controlled tax levy, or both, in all future years; or

(2) temporary adjustment that affects the computation of the political subdivision's controlled tax limit or controlled tax levy, or both, in only the years specified by the department;

as determined by the department. The department may make an

adjustment as a temporary adjustment only if the department determines that a law specifies that the adjustment is temporary, a permanent adjustment is not reasonably necessary to carry out the continuing governmental responsibilities of a political subdivision, or the conditions that justify the adjustment will not have a continuing effect on the political subdivision.

Sec. 4. If an adjustment is temporary, the department shall determine the years to which the adjustment applies.

Sec. 5. If a political subdivision is located in more than one (1) county and an adjustment is not directly related to the controlled taxes raised in a particular county, the department may apportion the adjustment among the counties in which the political subdivision is located in proportion to any of the following:

- (1) Each county's share of the controlled taxes certified by the department for the political subdivision in the immediately preceding year, as determined without considering the adjustment.
- (2) Each county's share of the assessed valuation of taxable property in the political subdivision, if an apportionment under subdivision (1) does not justly reflect the obligation of each county to provide funding for the political subdivision.
- (3) The cost of the services provided to each county, if an apportionment under subdivisions (1) and (2) do not justly reflect the obligation of each county to provide funding for the political subdivision.
- (4) Any other formula that justly reflects the obligation of each county to provide funding for the political subdivision, if an apportionment under subdivisions (1) through (3) do not justly reflect the obligation of each county to provide funding for the political subdivision.

Sec. 6. The department may increase a political subdivision's controlled levy limit only:

- (1) as allowed under IC 6-11-4-13 concerning the establishment of a controlled tax limit and controlled levy limit for a new political subdivision;
- (2) to make a temporary adjustment to fund a shortfall in property taxes or correct the cumulative effects of incorrect data, computations, or advertisements on property taxes in appropriate circumstances; or
- (3) by the amount by which another political subdivision's controlled levy limit is reduced.

A political subdivision's controlled tax limit is increased by the amount and for the years that an increase is granted under this section.

Sec. 7. An adjustment under this article or IC 6-13 is subject to judicial review in the same manner as an appeal under IC 6-13.

Sec. 8. The department may make an adjustment if a political subdivision, in an appeal filed under IC 6-13, demonstrates that the political subdivision cannot carry out the governmental functions committed to it by law without the adjustment unless the political subdivision is given the authority for which it petitions. The amount of the adjustment is that which is reasonably necessary for the political subdivision to carry out its governmental functions committed to it by law.

Sec. 9. The department may make an adjustment if a political subdivision, in an appeal filed under IC 6-13, demonstrates that

the adjustment is reasonably necessary to fund the operation of:

- (1) a new facility opened by the political subdivision after December 31, 1972; or
- (2) an existing facility that has not been used for at least three (3) years and that is being reopened by the political subdivision after July 1, 1988.

The adjustment, if approved, shall be an amount equal to the increase in costs resulting from the activity described in subdivision (1) or (2). In determining the amount of the increased costs, the department shall consider the costs to the political subdivision of complying with safety, health, space, heat, or lighting standards required by state or federal law or regulation and the other physical operation costs that in the opinion of the department justify an adjustment.

Sec. 10. The department may make an adjustment if a political subdivision, in an appeal filed under IC 6-13, demonstrates that the adjustment is reasonably necessary due to increased costs of the political subdivision resulting from:

- (1) annexation;
- (2) consolidation; or
- (3) other extensions of governmental services by the political subdivision to additional geographic areas or persons.

The amount of the adjustment is the amount reasonably necessary to pay the increased costs.

Sec. 11. The department may make an adjustment to eliminate the effects of temporary adjustments made by the department.

Sec. 12. Subject to section 13 of this chapter, the department may make an adjustment to eliminate the cumulative effects of incorrect data, computations, or advertisements on controlled taxes. If the adjustment is made for an ensuing year after income tax rates have been certified, the department may order a distribution from the political subdivision's rainy day fund for the ensuing year to replace the amount lost in the ensuing year as a result of the incorrect data, computations, or advertisements.

Sec. 13. The primary method of funding a shortfall is to order a distribution from the rainy day fund to cover the shortfall. The amount used to cover the shortfall would be replaced through the imposition of an excluded income tax under IC 6-11-9 in the years determined by the department. However, for good cause, the department may make an adjustment to eliminate the effects of a shortfall of controlled taxes.

Sec. 14. The department may make a temporary adjustment to eliminate a political subdivision's excessive cash balances:

- (1) that a political subdivision:
 - (A) has accumulated; or
 - (B) will accumulate in the ensuing year if an adjustment is not made under this section; and
- (2) that are available for the purposes for which a controlled tax would otherwise be imposed.

Sec. 15. The department may not consider any of the following as excessive cash balances:

- (1) Money in a political subdivision's rainy day fund under IC 36-1-8-5.1.
- (2) Money that is being accumulated by a political subdivision in a rainy day fund or for another purpose approved by the department.
- (3) Gifts, bequests, and grants from a private individual, the federal government, or another entity.

(4) Money designated in a law as miscellaneous revenue or otherwise designated by law or rule of the department as revenue that is not to be considered in determining a political subdivision's controlled tax limit.

(5) Excluded taxes.

(6) The proceeds of bonds or other obligations approved by the department.

Sec. 16. The department shall consider money in a political subdivision's excess revenue fund account under IC 6-13-22 as an excessive cash balance.

Sec. 17. The department may make an adjustment to reflect a reduction in the:

- (1) political subdivision's services;
- (2) political subdivision's cost of services; or
- (3) geographic areas or persons served by the political subdivision.

Sec. 18. The department shall make the adjustments reasonably necessary to do the following:

(1) To pay the principal or interest on an obligation to meet the requirements of the family and children's fund for child services (as defined in IC 12-19-7-1) other than loans and bonds payable under IC 6-15-3-8.

(2) To pay the principal or interest on an obligation to meet the requirements of the children's psychiatric residential treatment services fund for children's psychiatric residential treatment services (as defined in IC 12-19-7.5-1) other than loans and bonds payable under IC 6-15-3-8.

Chapter 6. Additional Relief and Requirements

Sec. 1. If grounds exist for an adjustment under this article or IC 6-13, the department may do any of the following:

(1) Order a transfer of money from the political subdivision's rainy day fund under IC 36-1-8-5.1 to temporarily replace the amount of the shortfall.

(2) Order a transfer from the political subdivision's excess revenue fund account.

(3) Grant any necessary permission for a grant or grants from any funds of the state that are available for the purpose.

(4) Grant any necessary permission for a loan or loans from any funds of the state that are available for the purpose.

(5) Grant any necessary permission for the political subdivision to borrow funds from a source other than the state or any necessary assistance in obtaining the loan.

(6) Grant any necessary permission for an advance or advances of funds that will become payable to the political subdivision under any law providing for the payment of state funds to the political subdivision.

(7) Grant permission to the political subdivision to:

(A) cancel any unpaid obligation of the political subdivision's general fund to the political subdivision's cumulative building fund; or

(B) use, for general fund purposes, any unobligated balance in the political subdivision's cumulative building fund and the proceeds of any levy made or to be made by the political subdivision for the political subdivision's cumulative building fund.

(8) Grant permission, subject to any agreement with the bondholders, to use, for general fund purposes, any

unobligated balance in any construction fund, including any unobligated proceeds of a sale of the political subdivision's general obligation bonds.

Sec. 2. (a) This section applies only to a school corporation.

(b) This section does not apply to an adjustment granted for any of the following:

(1) An adjustment for the transportation fund that is necessary because of a transportation operating cost increase of at least ten percent (10%) over the preceding year as a result of at least one (1) of the following:

(A) A fuel expense increase.

(B) A significant increase in the number of students enrolled in the school corporation who need transportation or a significant increase in the mileage traveled by the school corporation's buses due to students enrolled in the school corporation as compared to the previous year.

(C) A significant increase in the number of students enrolled in special education who need transportation or a significant increase in the mileage traveled by the school corporation's buses due to students enrolled in special education as compared to the previous year.

(D) Increased transportation operating costs due to compliance with a court ordered desegregation plan.

(E) The closure of a school building within the school corporation that results in a significant increase in the distances that students must be transported to attend school in another school building.

(2) An adjustment that is necessary because the amount of total revenue actually received or estimated to be received by the school corporation on behalf of students transferring to the school corporation is less than the total transfer tuition payments actually made or estimated to be made on behalf of students transferring from the school corporation.

(c) Every school corporation with respect to which the department authorizes an adjustment under IC 6-12-5-8 is, if the school corporation accepts the adjustment, prohibited throughout any year in which or for which the school corporation receives the adjustment from taking any of the prohibited actions described in this section without the prior approval of the department.

(d) The prohibited actions are any of the following:

(1) The acquisition of real estate for school building purposes, the construction of new school buildings, or the remodeling or renovation of existing school buildings.

(2) The making of a lease of real or personal property for an annual rental or the incurring of any other contractual obligation (except an employment contract for a new employee, which contract is to supersede the contract of a terminating employee) calling for an annual outlay by the school corporation in excess of ten thousand dollars (\$10,000).

(3) The purchase of personal property for a consideration in excess of ten thousand dollars (\$10,000).

(4) The adoption or advertising of a budget, tax levy, or tax rate for any year.

(e) If a school corporation subject to the controls described in this section takes any of the actions described in subsection (d)

without having obtained the prior approval of the department, the department may take appropriate steps to reduce or terminate any adjustment granted under IC 6-12-5 or any other relief granted under section 1 of this chapter.

Sec. 3. (a) In addition to, or instead of, any adjustment under IC 6-12-5, the department may permit a school corporation to make a referendum tax levy for the ensuing year under this section if a majority of the individuals voting in a referendum held in the school corporation approves the school corporation making a referendum tax levy.

(b) If the school corporation requests that the department take the steps necessary to cause a referendum to be conducted, the department shall proceed as follows:

(1) The question to be submitted to the voters in the referendum must read as follows:

"For the __ (insert number) year or years immediately following the holding of the referendum, shall the school corporation impose a property tax rate that does not exceed _____ (insert amount) cents (\$0.__) (insert amount) on each one hundred dollars (\$100) of assessed valuation and that is in addition to the school corporation's normal tax rate?".

The voters in a referendum may not approve a referendum tax levy that is imposed for more than seven (7) years. However, a referendum tax levy may be reimposed or extended under this section.

(2) The department shall act under IC 3-10-9-3 to certify the question to be voted on at the referendum to the county election board of each county in which any part of the school corporation lies. Each county clerk shall, upon receiving the question certified by the department, call a meeting of the county election board to make arrangements for the referendum. The referendum shall be held in the next primary or general election in which all the registered voters who are residents of the school corporation are entitled to vote after certification of the question under IC 3-10-9-3. However, if the referendum would be held at a primary or general election more than six (6) months after certification by the department, the referendum shall be held at a special election to be conducted not less than ninety (90) days after the question is certified to the circuit court clerk or clerks by the department. The school corporation shall notify each affected county election board of the date on which the school corporation desires that the referendum be held, and, if practicable, the referendum shall be held on the day specified by the school corporation. The referendum shall be held under the direction of the county election board, which shall take all steps necessary to carry out the referendum. If a primary election, general election, or special election is held during the sixty (60) days preceding or following the special election described in this subdivision and is held in an election district that includes some, but not all, of the school corporation, the county election board may also adopt orders to specify when the registration period for the elections cease and resume under IC 3-7-13-10. Not less than ten (10) days before the date on which the referendum is to be held, the county election board shall cause notice of the question that is to be voted

upon at the referendum to be published in accordance with IC 5-3-1. If the referendum is not conducted at a primary or general election, the school corporation in which the referendum is to be held shall pay all the costs of holding the referendum.

(3) Each county election board shall cause the question certified to the circuit court clerk by the tax control board to be placed on the ballot in the form prescribed by IC 3-10-9-4. The county election board shall also cause an adequate supply of ballots and voting equipment to be delivered to the precinct election board of each precinct in which the referendum is to be held.

(4) The individuals entitled to vote in the referendum are all the registered voters resident in the school corporation.

(5) Each precinct election board shall count the affirmative votes and the negative votes cast in the referendum and shall certify those two (2) totals to the county election board of each county in which the referendum is held. The circuit court clerk of each county shall, immediately after the votes cast in the referendum have been counted, certify the results of the referendum to the department. If a majority of the individuals who voted in the referendum voted "yes" on the referendum question, the department, upon being notified of the result of the referendum, shall take prompt and appropriate steps to notify the school corporation that the appellant school corporation is authorized to collect, for the year that next follows the year in which the referendum is held, a referendum tax levy not greater than the amount approved in the referendum. The referendum tax levy may be imposed for the number of years approved by the voters following the referendum for the school corporation in which the referendum is held. If a majority of the individuals who voted in the referendum voted "yes" on the referendum question, the school corporation shall establish a referendum tax levy fund under IC 21-2-11.6. A school corporation's referendum tax levy may not be considered in the determination of the school corporation's state tuition support under IC 21-3-1.7 or the determination of the school corporation's controlled levy limit or controlled tax limit under this article and IC 21-3-1.7. If a majority of the persons who voted in the referendum did not vote "yes" on the referendum question, the school corporation may not make any referendum levy for its general fund, and another referendum under this section may not be held for a period of one (1) year after the date of the referendum.

Sec. 4. With respect to any political subdivision to which a loan or an advance of state funds is made under section 1 of this chapter, or for which a loan or an advance is recommended under section 1 of this chapter for purposes other than for the purpose of remedying a shortfall under IC 6-13-17-3, the department may authorize an additional excluded property tax levy for a specified year solely for the purpose of enabling the political subdivision to repay the loan or advance. The department shall, in the department's order, specify the amount of the authorized additional excluded property tax levy and take appropriate steps to ensure that the amount of the proceeds of the additional excluded property tax levy that should be used for loan repayment purposes is not used for any other purpose. The

department may not exercise the power described in this section for a particular subdivision for more than one (1) year in any period of four (4) consecutive years.

SECTION 44. IC 6-13 IS ADDED TO THE INDIANA CODE AS A NEW ARTICLE TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]:

- (1) does not have the power to impose a property tax; and
- (2) is a special taxing district, an authority, a board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to a political subdivision that has the power to impose a property tax;

In exercising any waiver under this section, the department shall give taxpayers a reasonable opportunity to appeal budgets, taxes, and tax rates under this article.

Sec. 10. After 2006, for the purposes of certifying property taxes and property tax rates and applying homestead credits and property tax replacement credits:

(b) The department may take an action under this section:

- (1) on its own motion after notifying the affected political subdivision and the county auditor for the affected county;
- (2) after receiving notice of an error under section 10 of this chapter; or
- (3) as part of an appeal under IC 6-13-13.

A request under this section may be combined with a request under IC 6-13-17 to make up a shortfall.

Sec. 5. (a) This section applies only to an appropriation to which section 3 of this chapter applies.

(b) In making the determination under section 4 of this chapter, the department shall limit the amount of the additional appropriation to revenues available, or to be made available, that have not been previously appropriated.

Sec. 6. (a) This section applies only to an appropriation to which section 3 of this chapter applies.

Chapter 17. Permissible Adjustments in Controlled Taxes and Excluded Taxes

Sec. 1. The department may make any adjustment in a budget, tax, tax rate, or income tax allocation allowed under this article or another law. The department shall make the adjustments required under IC 6-12. To the extent possible, the department shall make adjustments before the department certifies a political subdivision's controlled tax limit under IC 6-13-5.

Sec. 2. The department may at any time increase a debt service fund or require an assignment of a political subdivision's allocation of income taxes for the following reasons:

- (1) To pay the principal or interest on a funding, refunding, or judgment funding obligation of a political subdivision.
- (2) To pay the interest or principal on an outstanding obligation of the political subdivision.
- (3) To pay a judgment rendered against the political subdivision.
- (4) To pay lease rentals that have become an obligation of the political subdivision under IC 21-5-11 or IC 21-5-12.

Alternatively, the department may treat a required increase under this section in the same manner as a shortfall under this chapter.

Sec. 3. (a) The primary method of funding a shortfall is to order a distribution from the rainy day fund to cover the shortfall described in this section. The amount used to cover the shortfall would be replaced through the imposition of an excluded income tax under IC 6-11-9 in the years determined by the department. However, for good cause, the department may adjust taxes, tax rates, budgets, allocations, controlled levy limits, and controlled tax limits, order a temporary distribution from a political subdivision's rainy day fund, or take any other action, as necessary, to eliminate the cumulative effects of a shortfall in property tax revenue or income taxes that resulted from any of the following:

- (1) Erroneous assessed valuation figures that were:
 - (A) provided to the political subdivision;
 - (B) used by the political subdivision in determining its total property tax rate; and
 - (C) discovered to be in error after the political subdivision's property tax levy resulting from that total rate was finally approved by the department.

(2) The payment of refunds in an appeal under IC 6-1.1 and IC 6-1.5.

(3) An error described in IC 6-13-5.

(4) The payment of refunds of income tax under IC 6-8.1.

(5) The sum of the:

(A) property taxes collected for a fund; and

(B) income tax allocations transferred to the political subdivision and available for the purposes of a fund; are less than ninety-eight percent (98%) of the sum of the property tax levy and income tax allocations certified by the department for the fund.

(6) The granting of an appeal under IC 6-13-13 that authorizes an increase in controlled taxes after the date that department finally determines the income tax rate for a county in which the political subdivision is located.

(b) If the department determines that any of the conditions described in subsection (a) occurred, the department may do any combination of the following:

(1) Order a transfer of money from the political subdivision's rainy day fund to temporarily replace the amount of the shortfall.

(2) Order a transfer from the political subdivision's excess revenue fund account.

(3) Grant any necessary permission for a grant or grants from any funds of the state that are available for the purpose.

(4) Grant any necessary permission for a loan or loans from any funds of the state that are available for the purpose.

(5) Grant any necessary permission for the political subdivision to borrow funds from a source other than the state or assistance in obtaining the loan.

(6) Grant any necessary permission for an advance or advances of funds that will become payable to the political subdivision under any law providing for the payment of state funds to the political subdivision.

(7) Grant permission to the political subdivision to:

(A) cancel any unpaid obligation of the political subdivision's general fund to the political subdivision's cumulative building fund; or

(B) use, for general fund purposes, any unobligated balance in the political subdivision's cumulative building fund and the proceeds of any levy made or to be made by the political subdivision for the political subdivision's cumulative building fund.

(8) Grant permission, subject to any agreement with the bondholders, to use, for general fund purposes, any unobligated balance in any construction fund, including any unobligated proceeds of a sale of the political subdivision's general obligation bonds.

(c) The department may take an action under this section as part of an appeal under IC 6-13-13. A request may be combined with a request under IC 6-13-5 to eliminate the effects of incorrect data, computations, or advertisements.

(d) If the department of local government finance authorizes an increase to make up a shortfall, the department shall take appropriate steps to ensure that the proceeds are first used to repay any loan made to the political subdivision for the purpose of meeting its current expenses.

(e) For purposes of fixing its budget and for purposes of the controlled tax limits, a political subdivision may not treat money received to eliminate a shortfall as part of its controlled taxes for the year unless the department determines that inclusion of the amount is necessary to eliminate the cumulative effects of the shortfall.

Chapter 18. Miscellaneous Budget Procedures

Sec. 1. The fiscal officer of a political subdivision may appropriate funds received from an insurance company if the funds are:

Sec. 3. Warrants representing temporary loans that are payable out of taxes imposed and in the course of collection are exempt obligations.

Sec. 4. A lease that either:

- (1) has a term of less than five (5) years; or
- (2) is not a controlled lease;

is an exempt obligation.

Sec. 5. Obligations:

(1) that are not payable from property taxes or income taxes; and

(2) for which a guarantee of payment from property taxes or income taxes in the event that payment from another source of revenue is insufficient has not been made;

are exempt obligations.

Sec. 6. Bonds in a total amount that does not exceed five thousand dollars (\$5,000) are exempt obligations.

Sec. 7. Funding bonds, refunding bonds, and judgment funding bonds are exempt obligations.

Chapter 3. General Provisions

Sec. 1. Whenever the proper officers of a political subdivision decide to issue bonds payable from property taxes or county income taxes to finance a public improvement, they shall adopt an ordinance or a resolution that sets forth their determination to issue the bonds.

Sec. 2. A political subdivision may, subject to the limitations provided by law, issue any bonds, notes, or warrants that it considers necessary.

Sec. 3. A political subdivision may issue or enter into obligations under any law that requires or permits the imposition of:

- (1) property taxes; or
- (2) income taxes;

to pay debt service or lease rentals without pledging to impose property taxes or income taxes, or both, if necessary, to pay the debt service or lease rentals.

Sec. 4. If the proper officers of a political subdivision determine to use revenues other than property taxes or income taxes to pay obligations without pledging to impose property taxes or income taxes for that purpose, provisions of any law relating to property taxes or income taxes do not apply to the issuance of or entering into the obligations.

Sec. 5. A property tax levy for a debt service fund is not:

- (1) subject to the controlled tax limits or controlled levy limits imposed under IC 6-12; or
- (2) included in computing a political subdivision's controlled tax limit or controlled levy limit for a year.

Sec. 6. A property tax levy for a debt service fund shall be treated as an excluded tax. Income taxes used for the purposes of a debt service fund are excluded taxes only to the extent that IC 6-11 designates the income taxes as excluded taxes.

Sec. 7. A political subdivision shall fix property tax rates from the appropriate debt services fund that are sufficient to provide funds for the following purposes:

- (1) To pay the principal or interest on a funding, refunding, or judgment funding obligation of the political subdivision.
- (2) To pay the principal or interest on an outstanding obligation for which property taxes of the political subdivision were pledged.
- (3) To pay the principal or interest on:

- (A) an obligation issued by the political subdivision to meet an emergency that results from a flood, a fire, a pestilence, a war, or any other major disaster; or
- (B) a note issued under IC 36-2-6-18, IC 36-3-4-22, IC 36-4-6-20, IC 36-5-2-11, or IC 36-9-4 to enable a city, town, or county to acquire necessary equipment or facilities.

(4) To pay the principal or interest on an obligation issued in the manner provided in this article, IC 6-1.1-20-3 (before its repeal), or IC 6-1.1-20-3.1 through IC 6-1.1-20-3.2 (before their repeal).

(5) To pay a judgment rendered against the political subdivision.

(6) To pay the principal or interest on an obligation to meet the requirements of the family and children's fund for child services (as defined in IC 12-19-7-1).

(7) To pay the principal or interest on an obligation to meet the requirements of the children's psychiatric residential treatment services fund for children's psychiatric residential treatment services (as defined in IC 12-19-7.5-1).

Sec. 8. The department and a county income tax council may not reduce a political subdivision's allocation of county income taxes below the amount of the political subdivision's allocation of county income taxes pledged by the political subdivision. A county income tax council and the department are not required to increase a political subdivision's allocation of county income taxes to eliminate the effects on the political subdivision's budget resulting from the pledge of the political subdivision's allocation to the funding or payment of an obligation.

Sec. 9. The collection of money in excess of the amount certified for a debt service fund is valid. The excess is subject to treatment as excess revenue under IC 6-13-22.

Sec. 10. The department shall develop forms and procedures to expedite the review of bonded indebtedness and lease rental obligations under this article. In developing forms and procedures, the department must seek to avoid unnecessary delays that will increase the borrowing costs or construction costs of projects and purposes that a political subdivision would otherwise have the power to carry out.

Chapter 4. Construction

Sec. 1. Except as provided in section 2 of this chapter, a political subdivision may not advertise for or receive bids for the construction of an improvement until the expiration of the later of:

- (1) the period within which taxpayers may file a petition for review of or a remonstrance against the proposed issue; or
- (2) the period during which a petition for review of the proposed issue is pending before the department.

Sec. 2. (a) Whenever a petition for review of a proposed issue is pending before the department, the department may order the political subdivision to advertise for and receive bids for the construction of a public improvement.

- (b) When the department issues an order under subsection (a):
 - (1) the political subdivision shall file a bid report with the department within five (5) days after the bids are received; and
 - (2) the department shall render a final decision on the proposed issue within fifteen (15) days after it receives the bid report.

(c) Notwithstanding the provisions of this section, a political subdivision may not enter into a contract for the construction of a public improvement while a petition for review of the bond issue that is to finance the improvement is pending before the department.

Sec. 3. The department in determining whether to approve or disapprove a school building construction project shall consider the following factors:

- (1) The current and proposed square footage of school building space per student.
- (2) Enrollment patterns within the school corporation.
- (3) The age and condition of the current school facilities.
- (4) The cost per square foot of the school building construction project.
- (5) The effect that completion of the school building construction project would have on the school corporation's tax rate.
- (6) Any other pertinent matter.

Sec. 4. The department in determining whether to approve or disapprove a school building construction project may not approve or recommend the approval of a project that is financed through the issuance of bonds if the bonds mature more than twenty-five (25) years after the date of the bonds' issuance.

Sec. 5. After December 31, 1995, the department may not approve a school corporation's proposed lease rental agreement or bond issue to finance the construction of additional classrooms unless the school corporation first:

- (1) establishes that additional classroom space is necessary; and
- (2) conducts a feasibility study, holds public hearings, and hears public testimony on using a twelve (12) month school term (instead of the nine (9) month school term (as described in IC 20-10.1-2-2)) rather than expanding classroom space.

Chapter 5. Review of Bonds

Sec. 1. This chapter applies when:

- (1) the proper officers of a political subdivision decide to issue bonds in a total amount that exceeds five thousand dollars (\$5,000); and
- (2) IC 6-14-7 does not apply to the bonds.

The decision to issue bonds may be a preliminary decision.

Sec. 2. A political subdivision may not impose property taxes or income taxes to pay debt service for the bonds to which this chapter applies without:

- (1) complying with this chapter; and
- (2) approval of the proposed issue (or the proposed issue as reduced by the department) by the department.

Sec. 3. The proper officers of a political subdivision shall give notice of the decision by:

- (1) posting; and
- (2) publication once each week for two (2) weeks.

The notice required by this section shall be posted in three (3) public places in the political subdivision and published in accordance with IC 5-3-1-4.

Sec 4. (a) Ten (10) or more taxpayers who:

- (1) will be affected by the proposed issuance of the bonds; and
- (2) wish to object to the issuance on the grounds that it is unnecessary or excessive;

may file a petition in the office of the county auditor of the county in which the political subdivision is located.

(b) The petition must be filed within fifteen (15) days after the notice required by section 3 of this chapter is given. The petition

must contain the objections of the taxpayers and facts that show that the proposed issue is unnecessary or excessive.

Sec. 5. Whenever taxpayers file a petition in the manner prescribed in section 4 of this chapter, the county auditor shall immediately forward a certified copy of the petition and any other relevant information to the department. A review under sections 6 through 9 of this chapter may be combined with a review under IC 6-14-8 or IC 6-14-9.

Sec. 6. Upon receipt of a certified petition filed in the manner prescribed in section 4 of this chapter, the department shall fix a date, time, and place for a hearing on the matter. The department shall hold the hearing not fewer than five (5) or more than thirty (30) days after the department receives the petition. The department shall hold the hearing in the political subdivision or in the county where the political subdivision is located.

Sec. 7. At least five (5) days before the date fixed for the hearing, the department shall give notice of the hearing, by mail, to the executive officer of the political subdivision and to the first ten (10) taxpayers who signed the petition. The mailings shall be addressed to the officer and the taxpayers at their usual place of residence.

Sec. 8. After the hearing required by this chapter, the department may approve, disapprove, or reduce the amount of the proposed issue. The department must render a decision not later than three (3) months after the hearing. If a decision is not rendered within that time, the issue is considered approved unless the department takes the extension provided for in this section. A three (3) month extension of the period during which the decision must be rendered may be taken by the department if the department mails notice of the extension to the executive officer of the political subdivision and to the first ten (10) taxpayers who signed the petition at least ten (10) days before the end of the original three (3) month period. If a decision is not rendered within the extension period, the issue is considered approved.

Sec. 9. A:

- (1) taxpayer who signed a petition under this chapter; or
- (2) political subdivision against which a petition referred to in this chapter is filed;

may petition for judicial review of the final determination of the department under this chapter. The petition must be filed in the tax court not more than forty-five (45) days after the department renders its decision under this chapter.

Chapter 6. Review of Interest Rate

Sec. 1. This chapter applies when the proper officers of a political subdivision decide to issue any bonds, notes, or warrants that will:

- (1) be payable from property taxes or income taxes; and
- (2) bear interest in excess of eight percent (8%) per annum.

Sec. 2. A political subdivision may not impose property taxes or income taxes to pay debt service for bonds, notes, or warrants to which this chapter applies without:

- (1) complying with this chapter; and
- (2) approval of the interest rate by the department.

Sec. 3. The political subdivision shall submit the matter to the department for review. A review under this section may be combined with a review under IC 6-14-8 or IC 6-14-9.

Sec. 4. The department may either approve or disapprove the rate of interest.

Chapter 7. Remonstrance and Petition Process for Controlled Debt Service and Controlled Lease Rentals

Sec. 1. This chapter applies only to controlled debt service and controlled lease rentals.

Sec. 2. For purposes of this chapter, a project is any project or purpose for which a political subdivision may issue bonds or enter into leases, including a sale-lease back of an existing building.

Sec. 3. For purposes of this chapter, a controlled project is any project financed by bonds or a lease, except for the following:

- (1) A project for which the political subdivision reasonably expects to pay:

(A) debt service; or

(B) lease rentals;

from funds other than property taxes or income taxes. However, a project that would otherwise be exempt under this subdivision becomes a controlled project if the political subdivision pledges property taxes or income taxes to pay debt service or lease rentals if other funds are insufficient.

- (2) A project that will not cost the political subdivision more than two million dollars (\$2,000,000).

- (3) A project that is being refinanced to provide gross or net present value savings to taxpayers.

- (4) A project for which bonds were issued or leases were entered into before January 1, 1996, or for which the state board of tax commissioners (repealed) has approved the issuance of bonds or the execution of leases before January 1, 1996.

- (5) A project that is required by a court order holding that a federal law mandates the project.

- (6) A project for which the political subdivision complied with IC 6-1.1-20 (before its repeal).

Sec. 4. A political subdivision may not impose property taxes or income taxes to pay debt service or lease rentals without:

- (1) completing the procedures in section 5 of this chapter; and

- (2) if a sufficient petition requesting the application of a petition and remonstrance process has been filed as set forth in section 6 of this chapter, completing the procedures in section 6 of this chapter.

Sec. 5. A political subdivision must do the following:

- (1) The proper officers of a political subdivision shall:

(A) publish notice in accordance with IC 5-3-1; and

(B) send notice by first class mail to any organization that delivers to the officers, before January 1 of that year, an annual written request for such notices;

of any meeting to consider adoption of a resolution or an ordinance making a preliminary determination to issue bonds or enter into a lease and shall conduct a public hearing on a preliminary determination before adoption of the resolution or ordinance.

- (2) Whenever the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall give notice of the preliminary determination by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the organizations described in subdivision (1)(B).

(3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease must include the following information:

(A) The maximum term of the bonds or lease.

(B) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(D) The purpose of the bonds or lease.

(E) A statement that any owners of real property within the political subdivision who want to initiate a petition and remonstrance process against the proposed debt service or lease payments must file a petition that complies with subdivisions (4) and (5) not later than thirty (30) days after publication in accordance with IC 5-3-1.

(F) With respect to bonds issued or a lease entered into to open:

(i) a new school facility; or

(ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space;

the estimated costs the school corporation expects to incur annually to operate the facility.

(G) A statement of whether the school corporation expects to appeal for an adjustment under IC 6-12-5 for an increased controlled tax limit or controlled levy limit to pay the estimated costs described in clause (F).

(4) After notice is given, a petition requesting the application of a petition and remonstrance process may be filed by the lesser of:

(A) one hundred (100) owners of real property within the political subdivision; or

(B) five percent (5%) of the owners of real property within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county auditor, deliver to the county auditor or the county auditor's designated printer the petition forms to be used solely in the petition process described in this section. The county auditor shall issue to an owner or owners of real property within the political subdivision the number of petition forms requested by the owner or owners. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may not be required to identify themselves and may be allowed to pick up additional copies to distribute to other property owners.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county

auditor under subdivision (7).

(7) Each petition must be filed with the county auditor not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county auditor must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present each petition to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

not later than fifteen (15) business days after the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of real property within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of real property as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or the lease to be entered into.

Sec. 6. If a sufficient petition requesting the application of a petition and remonstrance process has been filed as set forth in section 5 of this chapter, the political subdivision shall do the following:

(1) The proper officers of the political subdivision shall give notice of the applicability of the petition and remonstrance process by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the organizations described in section 5(1)(B) of this chapter.

Notice under this subdivision must include a statement that any owners of real property or tenants of residential property within the political subdivision who want to petition in favor of or remonstrate against the proposed debt service or lease payments must file petitions and remonstrances in compliance with subdivisions (2) through (4) not earlier than thirty (30) days or later than sixty (60) days after publication in accordance with IC 5-3-1.

(2) Not earlier than thirty (30) days or later than sixty (60) days after the notice under subdivision (1) is given:

(A) petitions (as described in subdivision (3)) in favor of the bonds or lease; and

(B) remonstrances (as described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of real property or a tenant or tenants of residential property within the political subdivision. A petition or remonstrance signed by a tenant of residential property must be accompanied by an affidavit setting forth the name of the landlord and the property address of the tenant's leasehold. Each signature on a petition must be dated, and the date of signature may not be before the date on which the petition and remonstrance forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the

county auditor under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county auditor, deliver to the county auditor or the county auditor's designated printer the petition, remonstrance, and affidavit forms to be used solely in the petition and remonstrance process described in this section. The county auditor shall issue to an owner or owners of real property or a tenant or tenants of residential property within the political subdivision the number of petition, remonstrance, or affidavit forms requested by the owner or owners or tenant or tenants. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property or tenants of residential property;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature;

(D) govern the closing date for the petition and remonstrance period; and

(E) apply to the carrier under section 7 of this chapter.

Persons requesting petition, remonstrance, or affidavit forms may not be required to identify themselves and may be allowed to pick up additional copies to distribute to other property owners or tenants of residential property. The county auditor may not issue a petition, remonstrance, or affidavit form earlier than twenty-nine (29) days after the notice is given under subdivision (1). The county auditor shall certify the date of issuance on each petition, remonstrance, or affidavit form that is distributed under this subdivision.

(4) The petitions, remonstrances, and affidavits must be verified in the manner prescribed by the state board of accounts and filed with the county auditor within the thirty (30) to sixty (60) day period described in subdivision (2) in the manner set forth in section 5 of this chapter relating to requests for a petition and remonstrance process.

(5) The county auditor must file a certificate and the petition or remonstrance with the body of the political subdivision charged with issuing bonds or entering into leases not later than fifteen (15) business days after the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or fewer. The county auditor may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures, up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of real property and the number of petitioners and remonstrators who are tenants of residential property within the political subdivision.

(6) If a greater number of owners of real property plus tenants of residential property within the political subdivision sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. The

proper officers of the political subdivision may not make a preliminary determination to issue bonds or enter into a lease for the controlled project defeated by the petition and remonstrance process under this section or any other controlled project that is not substantially different within one (1) year after the date of the county auditor's certificate filed under subdivision (5). Withdrawal of a petition carries the same consequences as a defeat of the petition.

(7) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of real property and tenants of residential property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department required under IC 6-14-8.

Sec. 7. (a) If a petition and remonstrance process is commenced under section 6 of this chapter, during the sixty (60) day period commencing with the notice under section 6(1) of this chapter, the political subdivision seeking to issue bonds or enter into a lease for the proposed controlled project may not promote a position on the petition or remonstrance by doing any of the following:

(1) Allowing facilities or equipment, including mail and messaging systems, owned by the political subdivision to be used for public relations purposes to promote a position on the petition or remonstrance unless equal access to the facilities or equipment is given to persons with a position opposite to that of the political subdivision.

(2) Making an expenditure of money from a fund controlled by the political subdivision to promote a position on the petition or remonstrance (except as necessary to explain the project to the public) or to pay for the gathering of signatures on a petition or remonstrance. This subdivision does not prohibit a political subdivision from making an expenditure of money to an attorney, an architect, a construction manager, or a financial adviser for professional services provided with respect to a controlled project.

(3) Using an employee to promote a position on the petition or remonstrance during the employee's normal working hours or paid overtime.

(4) In the case of a school corporation, promoting a position on a petition or remonstrance by:

(A) using students to transport written materials to their residences; or

(B) including a statement within another communication sent to the students' residences.

However, this section does not prohibit an employee of the political subdivision from carrying out duties with respect to a petition or remonstrance that are part of the normal and regular conduct of the employee's office or agency.

(b) A person may not solicit or collect signatures for a petition or remonstrance on property owned or controlled by the political subdivision.

Chapter 8. Review by Department

Sec. 1. Subject to section 2 of this chapter, this chapter applies to the following:

- (1) Bonded indebtedness.
- (2) Lease rentals under a lease with an original term of at least five (5) years.

Sec. 2. This chapter does not apply to the following:

- (1) Temporary loans made in anticipation of and to be paid from current revenues of the political subdivision actually imposed and in the course of collection for the budget year in which the loans are made.
- (2) Bonded indebtedness that will be repaid through property taxes or income taxes imposed under IC 12-19.
- (3) Bonded indebtedness or lease rentals that were approved under IC 6-1.1-18.5-8 (before its repeal) or IC 6-1.1-19-8 (before its repeal).
- (4) Property taxes or income taxes that a school corporation imposes to pay or fund bond or lease rental indebtedness created or incurred before July 1, 1974.

Sec. 3. A political subdivision may not impose property taxes or income taxes to pay debt service for bonded indebtedness or leases to which this chapter applies without:

- (1) complying with this chapter; and
- (2) approval of the bonded indebtedness or leases by the department.

Sec. 4. (a) A political subdivision must file a petition requesting approval from the department to incur bonded indebtedness or execute a lease with an original term of at least five (5) years.

(b) If IC 6-14-7 applies to the bonded indebtedness or lease and the bonded indebtedness is to be paid or funded with property taxes, the petition must be filed not later than twenty-four (24) months after the first date of publication of notice of a preliminary determination under IC 6-1.1-20-3.1(2) (repealed) or IC 6-14-7-5(2), as applicable, unless the political subdivision demonstrates that a longer period is reasonable in light of the political subdivision's facts and circumstances.

Sec. 5. A political subdivision must obtain approval from the department before the political subdivision may:

- (1) incur bonded indebtedness; or
- (2) enter into a lease.

Sec. 6. The department may seek recommendations from the local government tax control board or the department of state revenue, or both, when determining whether to authorize incurring bonded indebtedness or the execution of a lease.

Sec. 7. The department shall render a decision within three (3) months after the date it receives a request for approval under section 4 of this chapter. However, the department may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the political subdivision.

Sec. 8. The local government tax control board, the department of state revenue, and other state agencies shall provide information to the department that the department considers necessary to determine the estimated impact of the issuance of bonds or execution of a lease on a political subdivision's property tax rate or the rate of an income tax in a

county where the political subdivision is located.

Sec. 9. Subject to section 10 of this chapter, the department may:

- (1) approve or disapprove the proposed bond issue or lease agreement; or
- (2) approve an alternative financing arrangement by:
 - (A) reducing the amount of the proposed bond issue or lease agreement;
 - (B) modifying other terms of the proposed bond issue or lease agreement;
 - (C) approving the use of other funding mechanisms that are available to the political subdivision to cover all or part of the costs that would be covered by the proposed bond issue or lease agreement;
 - (D) modifying the scope of the proposed project, in the case of bonds to be issued or a lease to be entered into for the acquisition, construction, renovation, improvement, or expansion of a building, a structure, or another public improvement; or
 - (E) any combination of the methods described in clauses (A) through (D).

Sec. 10. In determining whether to approve or disapprove a proposed bond issue or lease agreement or to approve an alternative financing arrangement, the department shall consider the following factors:

- (1) Whether the proposed bond issue or lease agreement is unnecessary or excessive.
- (2) With respect to a proposed bond issue or lease agreement for the acquisition, construction, renovation, improvement, expansion, or use of a building, a structure, or another public improvement, whether the civil taxing unit has demonstrated that an adequate source of funding will be available to cover annual costs of operating, maintaining, and repairing the building, structure, or public improvement.
- (3) Whether an excessive impact on the political subdivision's tax rate or on the rate of an income tax imposed in a county where the political subdivision is located will result from:
 - (A) the issuance of the bonds or execution of the lease agreement; and
 - (B) with respect to a proposed bond issue or lease agreement for the acquisition, construction, renovation, improvement, expansion, or use of a building, a structure, or another public improvement, the annual costs of operating, maintaining, and repairing the building, structure, or public improvement.
- (4) Whether any costs of acquiring, constructing, renovating, improving, or expanding a building, a structure, or another public improvement that are to be financed through the issuance of bonds or execution of a lease are comparable to the costs incurred for those purposes by other similarly situated political subdivisions for similar projects.
- (5) With respect to a proposed bond issue or lease agreement for the acquisition, construction, renovation, improvement, expansion, or use of a building, a structure, or another public improvement, whether the building,

structure, or public improvement will be made available to residents of the political subdivision for uses other than those planned by the political subdivision.

(6) Any other pertinent matter, including matters described in IC 6-14-4.

Sec. 11. (a) A political subdivision may petition for judicial review of the final determination of the department under this chapter.

(b) The petition for judicial review must be filed in the tax court not more than forty-five (45) days after the department enters its order under this chapter.

Sec. 12. A taxpayer may petition for judicial review of the final determination of the department under this chapter. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this chapter.

Chapter 9. School Bus Loan Review

Sec. 1. This chapter does not apply to school bus purchase loans made by a school corporation that will be repaid solely from the general fund of the school corporation.

Sec. 2. A school corporation must obtain approval from the department before the school corporation may repay a school bus purchase loan.

Sec. 3. Before it approves or disapproves a proposed school bus purchase loan, the department may seek the recommendation of the local government tax control board or the department of state revenue.

Sec. 4. Subject to section 5 of this chapter, the department may either:

- (1) approve, disapprove, or modify then approve a school corporation's proposed school bus purchase loan; or
- (2) approve an alternative financing arrangement by:
 - (A) reducing the amount of the proposed school bus purchase loan;
 - (B) modifying other terms of the proposed school bus purchase loan;
 - (C) approving the use of other funding mechanisms that are available to the school corporation to cover all or part of the costs that would be covered by the proposed school bus purchase loan;
 - (D) modifying the scope of the proposed purchase of school buses; or
 - (E) any combination of the methods described in clauses (A) through (D).

Sec. 5. In determining whether to approve or disapprove a proposed school bus purchase loan, or to approve an alternative financing arrangement, the department shall consider the following factors:

- (1) Whether the proposed school bus purchase loan is unnecessary or excessive.
- (2) Whether an excessive impact on the tax rates, fees, or other charges imposed by the school corporation will result from the annual costs of operating, maintaining, and repairing the vehicles to be purchased with the loan.
- (3) Any other pertinent matter.

Sec. 6. The department shall render a decision not more than three (3) months after the date it receives a request for approval under this chapter. However, the department may extend this three (3) month period by an additional three (3) months if, at

least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the school corporation.

(A) establishes a maximum rate for any part of the:

(i) property taxes; or

(ii) special benefits taxes;

imposed by a political subdivision; and

(B) does not exempt the maximum rate from the adjustment under this section.

Sec. 2. For purposes of this chapter, "maximum rate" refers to the maximum:

(1) property tax rate or rates; or

(2) special benefits tax rate or rates;

referred to in the laws listed in section 1 of this chapter.

Sec. 3. The maximum rate for taxes first due and payable after 2003 is the maximum rate that would have been determined under section 5 of this chapter for taxes first due and payable in 2003 if section 5 of this chapter had applied for taxes first due and payable in 2003.

Sec. 4. The maximum rate must be adjusted:

(1) each time an annual adjustment of the assessed value of real property takes effect under IC 6-1.1-4-4.5; and

(2) each time a general reassessment of real property takes effect under IC 6-1.1-4-4.

Sec. 5. The new maximum rate under a statute listed in section 1 of this chapter is the tax rate determined under STEP SEVEN

of the following STEPS:

STEP ONE: Determine the maximum rate for the political subdivision levying a property tax or special benefits tax under the statute for the year preceding the year in which the annual adjustment or general reassessment takes effect.

STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the year preceding the year the annual adjustment or general reassessment takes effect to the year that the annual adjustment or general reassessment takes effect.

STEP THREE: Determine the three (3) years that immediately precede the ensuing year and in which a statewide general reassessment of real property does not first take effect.

STEP FOUR: Compute separately, for each of the years determined in STEP THREE, the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:

(A) Zero (0).

(B) The result of the STEP TWO percentage minus the STEP FIVE percentage.

STEP SEVEN: Determine the quotient of the STEP ONE tax rate divided by the sum of one (1) plus the STEP SIX percentage increase.

Sec. 6. The department shall compute the maximum rate allowed under section 5 of this chapter and provide the rate to each political subdivision with authority to levy a tax under a statute listed in section 1 of this chapter.

STEP TWO: Determine the sum of the STEP ONE results.

STEP THREE: Divide the STEP TWO result by six (6), rounding to the nearest one-thousandth (0.001).

STEP FOUR: Determine the lesser of the following:

(A) The STEP THREE quotient.

SECTION 58. IC 21-2-22 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]:

Chapter 22. Racial Balance Fund

Sec. 1. This chapter applies to a school corporation that:

- (1) is located in Allen County or Marion County;
- (2) is a party to a lawsuit alleging that its schools are segregated in violation of the Constitution of the United States or federal law;
- (3) desires to improve or maintain racial balance among two (2) or more schools within the school corporation, regardless of the school corporation's basis for desiring to improve or maintain racial balance; and
- (4) has a minority student enrollment that comprises at least ten percent (10%) of its total student enrollment, using the most recent enrollment data available to the school corporation.

Sec. 2. As used in this chapter, "minority student" means a student who is black, Spanish American, Asian American, or American Indian.

Sec. 3. A school corporation may establish a racial balance fund if the department of local government finance:

- (1) approved a racial balance fund for the school corporation before January 1, 2007, under IC 6-1.1-19-10 (repealed); or

(2) approves a racial balance fund under this chapter.

Sec. 4. The school corporation may petition the department of local government finance to impose an ad valorem property tax to raise revenue for the fund. However, before a school corporation may impose an ad valorem property tax under this chapter, the school corporation must file a petition with the department of local government finance. The petition must be filed before June 1 of the year preceding the first year the school corporation desires to impose the property tax and must include the following:

- (2) A settlement agreement among the parties to a desegregation lawsuit that includes the program that will improve or maintain racial balance in the school corporation.
- (3) The proposed property tax levy.
- (4) Any other item required by the department of local government finance.

Sec. 5. Upon receiving a petition under this chapter, the department of local government finance shall refer the petition to the local government tax control board. The local government tax control board shall consider the petition in the same manner as an appeal under IC 6-16. The local government tax control board may recommend to the department of local government finance that a school corporation be allowed to establish a racial balance fund to be funded by an ad valorem property tax levy. The amount of the levy shall be determined each year, and the levy may not exceed the lesser of the following:

- (1) The revenue derived from a tax rate of eight and thirty-three hundredths cents (\$0.0833) for each one hundred dollars (\$100) of assessed valuation within the school corporation.
- (2) The revenue derived from a tax rate equal to the difference between the maximum rate allowed for the school corporation's capital projects fund under IC 21-2-15 minus the actual capital projects fund rate that will be in effect for the school corporation for a particular year.

Sec. 6. The department of local government finance shall review the petition of the school corporation and:

- (1) disapprove the petition if the petition does not comply with this chapter;
- (2) approve the petition; or

Sec. 8. Money received from a property tax levy under this chapter shall be deposited in the school corporation's racial balance fund established under this chapter. Money in the fund may be used only for education programs that improve or maintain racial balance in the school corporation. Money in the fund may not be used for:

- (1) transportation; or
- (2) capital improvements;

even though those costs may be attributable to the school corporation's proposed programs for improving or maintaining racial balance in the school corporation.

(a) Subject to the amount appropriated by the general assembly for tuition support, the amount that a school corporation is entitled to receive in tuition support for a year is the amount determined in section 8.2 of this chapter.

(b) If the total amount to be distributed as tuition support under this chapter, in 2005 for enrollment adjustment grants under section 9.5 of this chapter (before its repeal), for academic honors diploma awards under section 9.8 of this chapter, in 2005 for supplemental remediation grants under section 9.9 of this chapter (before its repeal), for primetime distributions under IC 21-1-30, for special education grants under IC 21-3-2.1, and for vocational education grants under IC 21-3-12 for a particular year, exceeds:

- (3) three billion seven hundred forty-seven million two hundred thousand dollars (\$3,747,200,000) in 2007;

the amount to be distributed for tuition support under this chapter to each school corporation during each of the last six (6) months of the year shall be proportionately reduced so that the total reductions equal the amount of the excess. The amount of the reduction for a particular school corporation is equal to the total amount of the excess multiplied by a fraction. The numerator of the fraction is the amount of the distribution for tuition support that the school corporation would have received if a reduction were not made under this section. The denominator of the fraction is the total amount that would be distributed for tuition support to all school corporations if a reduction were not made under this section. **However, the department of education shall distribute the full amount of tuition support to school corporations in the second six (6) months of 2006 in accordance with IC 21-1-30 and this article without a reduction under this section.**

repealed by this act shall be treated as a reference to the appropriate requirements and procedures in IC 6-12, as added by this act;

(3) IC 6-1.1-20 (repealed by this act) shall be treated as a reference to the appropriate requirements and procedures in IC 6-14, as added by this act; and

(4) IC 6-1.1-41 (repealed by this act) shall be treated as a reference to the appropriate requirements and procedures in IC 6-15, as added by this act.

(b) Subject to this SECTION, after December 31, 2006, to the extent that there is a substantially similar requirement or procedure enacted in this act, a reference in a law, rule, policy, form, contract, or other document to any part of IC 6-3.5-1 (repealed), IC 6-3.5-1.1 (repealed by this act), IC 6-3.5-2 (repealed by this act), IC 6-3.5-6 (repealed by this act), IC 6-3.5-7 (repealed by this act), or IC 6-3.5-8 (repealed by this act) shall be treated as a reference to the appropriate requirements and procedures in IC 6-11.

(c) After June 30, 2006, to the extent that there is a substantially similar requirement or procedure enacted in this act, a reference in a law, rule, policy, form, contract, or other document to IC 6-1.1-17-16(e) (repealed by this act), IC 6-1.1-18.5-8 (repealed by this act), IC 6-1.1-19-4.2 (repealed by this act), IC 6-1.1-19-4.6 (repealed by this act), or IC 6-1.1-19-8 (repealed by this act) shall be treated as a reference to the appropriate requirements and procedures in IC 6-14, as added by this act.

(d) After June 30, 2006, to the extent that there is a substantially similar requirement or procedure enacted in this act, a reference in a law, rule, policy, form, contract, or other document to IC 6-1.1-17-16.7 (repealed by this act) or IC 6-1.1-18-12 (repealed by this act) shall be treated as a reference to the appropriate requirements and procedures in IC 6-13-16, as added by this act, and IC 6-15, as added by this act.

(e) Each county board of tax adjustment is terminated on July 1, 2006. Political subdivision budgets, tax rates, and taxes for each year after 2006 shall be reviewed in conformity with IC 6-13, as added by this act. A reference in any law to the county board of tax adjustment does not have the effect of creating any procedure or requirement not included in IC 6-13, as added by this act.

(f) This act, including IC 6-12-3-4, as added by this act, does not increase the amount of debt that a political subdivision may incur under the Constitution of the State of Indiana or any law that limits debt to a percentage of the assessed value in the political subdivision.

(g) Any law that limits the amount of anticipation warrants that a political subdivision may issue or other short term borrowing that a political subdivision may make to a percentage of the levy imposed for a particular purpose or fund shall be treated after December 31, 2006, as a reference to the percentage of the levy and county income taxes raised for the particular purpose or fund.

SECTION 81. [EFFECTIVE UPON PASSAGE] (a) IC 6-11 through IC 6-15, all as added by this act, shall be liberally construed to effectuate the intent of the general assembly to:

- (1) provide county income taxes as an alternative source of revenue for tax increases traditionally raised through annual increases in property tax levies tied to the assessed value growth quotient;
- (2) establish general tax controls over controlled property taxes and the county income taxes used to replace controlled property taxes;
- (3) provide necessary funding to carry out the essential governmental functions of political subdivisions;
- (4) establish a rainy day fund in each political subdivision as the primary source of savings for political subdivisions to use during times of economic distress, to provide funds to temporarily fund shortfalls, and for cash flow needs;
- (5) provide for the continued funding and payment after June 30, 2006, of debt and lease rentals incurred by political subdivisions and allocation areas before July 1, 2006;

- (7) provide additional public and administrative review of debt and lease rental obligations; and
- (8) grant the department of local government finance adequate authority to implement this act to carry out the intent of the general assembly.

(b) The repeal of a provision in IC 6-1.1 or IC 6-3.5 by this act shall not be construed to mean that the general assembly is rescinding any policy adopted in another act in the same session as this act. The department of local government finance shall administer IC 6-11 through IC 6-15, all as added by this act, in a manner that implements policies adopted in other acts that are not inconsistent with the policies adopted in IC 6-11 through IC 6-13, all as added by this act.

(c) Except with respect to limitations on the allocation factors that may be used to distribute income taxes under IC 6-11-8, as added by this act, and expansion of the purposes for which local income taxes may be used, it is the intent of the general assembly that political subdivisions:

- (1) be authorized to raise under the controlled tax limits imposed by this act substantially similar revenue from controlled property taxes and controlled income taxes under IC 6-11-7, as added by this act, as the political subdivision could have raised if IC 6-11 through IC 6-13, all as added by this act, had not been enacted; and
- (2) receive substantially similar distributions under IC 6-11-8, as added by this act, as the political subdivision could have received under the county adjusted gross income tax, county option income tax, and county economic development income tax.

(d) The legislative council shall provide for introduction of corrective legislation in the 2007 session of the general assembly to:

- (1) bring any law in conflict with this act (including any law enacted in the 2006 session of the general assembly) into

conformity with this act;

(2) make any technical change necessary or appropriate as the result of the passage of this act; and

(3) make any changes in IC 6-11 through IC 6-15, all as added by this act, or other related amendments in this act that are necessary to carry out the intent of the general assembly expressed in this SECTION.

(e) The department of local government finance is authorized to make the adjustments in taxes, tax rates, allocations, and distributions otherwise required by IC 6-11 through IC 6-13, all as added by this act, to carry out the intent of this SECTION in 2006 and 2007. In order to assist the general assembly with bringing the provisions of IC 6-11 through IC 6-13, all as added by this act, into conformity with the intent of the general assembly, the department of local government finance shall submit an initial report of its activities under this subsection before July 1, 2007, and a final report, before November 1, 2007, to the general assembly in an electronic format under IC 5-14-6 and to the governor. (b) If a county has not issued property tax statements under IC 6-1.1-22-8 to the persons liable for property taxes in the county for property taxes first due and payable in 2006, the county fiscal body may adopt an ordinance to apply the credit under IC 6-1.1-20.6, as in effect January 1, 2006, to the property taxes first due and payable in 2006. (d) This SECTION expires July 1, 2007.

SECTION 90. [EFFECTIVE JULY 1, 2005 (RETROACTIVE)]

(a) There is appropriated to the department of education the greater of the following from the state general fund for purposes of making the distributions for tuition support described in IC 21-3-1.7-9, beginning July 1, 2005, and ending June 30, 2006:

- (1) Twenty million one hundred thousand dollars (\$20,100,000).
- (2) An amount sufficient to enable the department of education to make tuition support distributions after December 31, 2005, and before July 1, 2006, in accordance with IC 21-1-30 and IC 21-3 without requiring a reduction in tuition support distributions to school corporations in the first six (6) months of 2006.

The amount appropriated under this SECTION is in addition to the amount appropriated by P.L.246-2005, SECTION 9 to the department of education for distribution for tuition support. The amount appropriated under this subsection shall be distributed in the same manner and on the same schedule as other distributions for tuition support subject to P.L.246-2005, SECTION 9.

(b) The deficiency appropriation made by this SECTION is not subject to transfer to any other fund or subject to transfer, assignment, or reassignment for any other use or purpose by:

- (1) the state board of finance, notwithstanding IC 4-9.1-1-7, IC 4-13-2-23, or any other law; or
- (2) the budget agency, notwithstanding IC 4-12-1-12 or any other law.

SECTION 91. [EFFECTIVE JANUARY 1, 2006 (RETROACTIVE)] IC 6-1.1-4-12, as amended by this act, applies only to assessment dates after December 31, 2005.

SECTION 92. [EFFECTIVE UPON PASSAGE] (a) The definitions in IC 6-1.1-12.1 apply throughout this SECTION.

(b) As used in this SECTION, "department" refers to the department of local government finance.

(c) As used in this SECTION, "taxpayer" means a person:

- (1) who operates a grey iron foundry located in Grant County;
- (2) who applied in 2001 for property tax deductions under IC 6-1.1-12.1 for new manufacturing equipment located in an

economic revitalization area; and

(3) whose applications described in subdivision (2) were denied.

(d) References to the Indiana Code in this SECTION refer to the Indiana Code in effect on March 1, 2001, unless otherwise stated.

(e) Notwithstanding any other law, a taxpayer who complies with the requirements of this SECTION is entitled to the property tax deduction for new manufacturing equipment in the amounts and for the number of years provided under IC 6-1.1-12.1-4.5, as determined by the department under subsection (h).

(f) The taxpayer shall provide the department with copies of the taxpayer's:

(1) statement of benefits; and

(2) applications for deductions from assessed value; for new manufacturing equipment placed in service in an economic revitalization area that the taxpayer filed in 2001.

(g) If there are any deficiencies in the taxpayer's filings described in subsection (f), the department shall assist the taxpayer in completing the information necessary to determine:

(1) the assessed value of the new manufacturing equipment; and

(2) the number of years over which the taxpayer is entitled to the deduction under this SECTION.

(h) The department shall determine:

(1) the amount of the assessed value of the new manufacturing equipment;

(2) the number of years over which the taxpayer is entitled to the deduction under this SECTION; and

(3) the percentages used to compute the taxpayer's deductions;

in accordance with IC 6-1.1-12.1-4.5(d) and IC 6-1.1-12.1-4.5(e) as if the taxpayer's applications for deductions had been approved in 2001.

(i) Notwithstanding IC 6-1.1-26 (as in effect on January 1, 2006), when the department has completed the department's determinations under subsection (h), the department shall issue an order to the county auditor of the county in which the economic revitalization area is located:

(1) describing the department's determinations under subsection (h); and

(2) requiring the county auditor to accept the taxpayer's refund claims as if the taxpayer's deduction applications had been approved in 2001.

The department shall provide the taxpayer with a copy of the order issued under this subsection.

(j) Notwithstanding IC 6-1.1-26 (as in effect January 1, 2006), the taxpayer may file refund claims for property taxes paid in previous years that are affected by the department's order issued under subsection (i). The taxpayer must attach a copy of the order issued under subsection (i) to the taxpayer's refund claim.

(k) Notwithstanding IC 6-1.1-26 (as in effect January 1, 2006), the county auditor shall pay the refund claims of the taxpayer filed under subsection (j) if the refund claims are fully consistent with the department's order issued under subsection (i).

SECTION 93. [EFFECTIVE UPON PASSAGE] (a) This SECTION applies to property that:

(1) is used for a fraternity for students attending Butler University;

(2) is owned by a nonprofit corporation that was, before the effective date of this SECTION, determined by the auditor of the county in which the property is located to be eligible to receive a property tax exemption under IC 6-1.1-10-16 or IC 6-1.1-10-24; and

(3) is not eligible for the property tax exemption under IC 6-1.1-10-16 or IC 6-1.1-10-24 for property taxes first due and payable in 2001, 2002, 2003, and 2004 because the nonprofit corporation failed to timely file an application under IC 6-1.1-11-3.5.

(b) Notwithstanding IC 6-1.1-11-1 and IC 6-1.1-11-3.5, the auditor of the county in which the property described in subsection (a) is located shall:

(1) waive the noncompliance with the timely filing requirement for the exemption application in question; and

(2) grant the appropriate exemption.

(c) A property tax exemption granted under this SECTION applies to:

(1) property taxes first due and payable in 2001;

(2) property taxes first due and payable in 2002;

(3) property taxes first due and payable in 2003; and

(4) property taxes first due and payable in 2004.

(d) This SECTION expires July 1, 2007.

SECTION 94. P.L.228-2005, SECTION 35, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: SECTION 35. (a) The definitions in IC 6-1.1-1 apply throughout this SECTION.

(b) As used in this SECTION, "taxpayer" means a nonprofit corporation that is an owner of land and improvements:

(1) that were:

(A) owned and occupied by the taxpayer during the period preceding the assessment date in 1999 and continuing through the date that this SECTION is effective; and

(B) used to prepare and create a soccer facility to provide youths with the opportunity to play supervised and organized soccer against other youths;

(2) for which the property tax liability imposed for property taxes first due and payable in 2000, 2001, 2002, 2003, and 2004 exceeded ~~thirty-three~~ thirty thousand dollars ~~(\$33,000)~~ (\$30,000), in total, which has been paid by the taxpayer;

(3) that would have qualified for an exemption under IC 6-1.1-10 from property taxes first due and payable in 2000, 2001, 2002, 2003, and 2004 if the taxpayer had complied with the filing requirements for the exemption in a timely manner; and

(4) that have been granted an exemption under IC 6-1.1-10 from property taxes first due and payable in 2005.

(c) Land and improvements described in subsection (b) are exempt under IC 6-1.1-10-16 from property taxes first due and payable in 2003 and 2004, notwithstanding that the taxpayer failed to make a timely application for the exemption for those years.

(d) The taxpayer may file claims with the county auditor for a refund for the amounts paid toward property taxes on land and improvements described in subsection (b) that were billed to the taxpayer for property taxes first due and payable in 2003 and 2004. The claims must be filed as set forth in IC 6-1.1-26-1(1) through IC 6-1.1-26-1(3). The claims must present sufficient facts for the county auditor to determine whether the claimant is a person that

meets the qualifications described in subsection (b) and the amount that should be refunded to the taxpayer.

(e) Upon receiving a claim filed under this SECTION, the county auditor shall determine whether the claim is correct. If the county auditor determines that the claim is correct, the county auditor shall submit the claim under IC 6-1.1-26-4 to the county board of commissioners for review. The only grounds for disallowing the claim under IC 6-1.1-26-4 are that the claimant is not a person that meets the qualifications described in subsection (b) or that the amount claimed is not the amount due to the taxpayer. If the claim is allowed, the county auditor shall, without an appropriation being required, issue a warrant to the claimant payable from the county general fund for the amount due the claimant under this SECTION. The amount of the refund must equal the amount of the claim allowed. Notwithstanding IC 6-1.1-26-5, no interest is payable on the refund.

(f) This SECTION shall be liberally construed in favor of the taxpayer to give effect to the purposes of this SECTION.

(†) (g) This SECTION expires December 31, 2007.

SECTION 95. [EFFECTIVE JANUARY 1, 2006 (RETROACTIVE)] (a) IC 6-1.1-12.1-1 and IC 6-1.1-40-4, both as amended by this act, apply only to:

(1) new manufacturing equipment, new research and development equipment, new logistical distribution equipment, and new information technology equipment installed and initially used in an economic revitalization area; or

(2) new manufacturing equipment installed and initially used in a maritime opportunity district;

after December 31, 2005.

(b) It is the intent of the general assembly that the amendment of IC 6-1.1-12.1-1 and IC 6-1.1-40-4 by this act be interpreted to expand the equipment that is eligible for a deduction under IC 6-1.1-12.1 or IC 6-1.1-40 to include equipment that is ineligible for a deduction under IC 6-1.1-12.1 or IC 6-1.1-40 solely because the equipment was used in Indiana by a person other than a deduction applicant (as defined in IC 6-1.1-12.1-1(15), as added by this act) before being installed by the deduction applicant in an economic revitalization area or a maritime opportunity district.

SECTION 96. [EFFECTIVE UPON PASSAGE] (a) As used in this SECTION, "eligible district" means a fire protection district established under IC 36-8-11:

(1) that expanded its territory after 1998; and

(2) for which the quotient expressed as a percentage of:

(A) the taxable assessed value of all tangible property in the district for the assessment date (as defined in IC 6-1.1-1-2) in 2004; divided by

(B) subject to subsection (b), the taxable assessed value of all tangible property in the district for the assessment date (as defined in IC 6-1.1-1-2) in 1999;

is at least one hundred fifty percent (150%).

(b) To account for the change in the definition of "assessed value" reflected in IC 6-1.1-1-3(a)(1) and IC 6-1.1-1-3(a)(2), the taxable assessed value to be used for purposes of subsection (a)(2)(B) is the product of:

(1) the actual taxable assessed value; multiplied by

(2) three (3).

(c) An eligible district may, before September 20, 2006, appeal to the department of local government finance for relief from the levy limitations imposed by IC 6-1.1-18.5 for property taxes first due and payable in 2007. In the appeal the district must:

(1) state that it will be unable to carry out the governmental functions committed to it by law unless the appeal is approved; and

(2) present evidence that it is an eligible district.

(d) The maximum increase in an eligible district's levy allowed under this SECTION is four hundred twenty-five thousand dollars (\$425,000).

(e) The department of local government finance shall process the appeal in the same manner that the department processes appeals under IC 6-1.1-18.5-12.

(f) For purposes of computing an eligible district's ad valorem property tax levy for taxes first due and payable in 2008, the district's maximum permissible ad valorem property tax levy for property taxes first due and payable in 2007 under STEP ONE of IC 6-1.1-18.5-3(a) or STEP ONE of IC 6-1.1-18.5-3(b) includes the amount of any increase in the district's levy approved under this SECTION for property taxes first due and payable in 2007.

(g) This SECTION expires January 1, 2009.

SECTION 97. [EFFECTIVE UPON PASSAGE] (a) As used in this SECTION, "taxable year" has the meaning set forth in IC 6-3-1-16.

(b) IC 6-3-2-20, as added by this act, applies only to taxable years beginning after June 30, 2006.

(c) The addition of IC 6-3-2-20, as added by this act, does not affect the legitimacy or illegitimacy of deductions claimed by taxpayers for taxable years beginning before July 1, 2006. Any determination of:

(1) the department of state revenue; or

(2) a court reviewing a department of state revenue determination;

of the legitimacy or illegitimacy of deductions claimed by taxpayers for taxable years beginning before July 1, 2006, shall be made without regard to IC 6-3-2-20, as added by this act.

(d) The department of state revenue may adopt temporary rules in the manner provided for the adoption of emergency rules under IC 4-22-2-37.1 to implement IC 6-3-2-20, as added by this act, and IC 6-3.1-1-3.5, as amended by this act. A temporary rule adopted under this SECTION expires on the earliest of the following:

(1) The date a rule is adopted by the department of state revenue under IC 4-22-2 that repeals, amends, or supersedes the temporary rule.

(2) The date another temporary rule is adopted under this SECTION that repeals, amends, or supersedes a previously adopted temporary rule.

(3) The date specified in the temporary rule.

(4) July 1, 2007.

SECTION 98. [EFFECTIVE UPON PASSAGE] The department of state revenue may adopt temporary rules in the manner provided for the adoption of emergency rules under IC 4-22-2-37.1 to implement IC 6-2.3-1-3.5, IC 6-2.3-3-11, and IC 6-2.3-5.5, all as added by this act. A temporary rule adopted under this SECTION expires on the earliest of the following:

(1) The date a rule is adopted by the department of state revenue under IC 4-22-2 that repeals, amends, or supersedes the temporary rule.

(2) The date another temporary rule is adopted under this SECTION that repeals, amends, or supersedes a previously adopted temporary rule.

(3) The date specified in the temporary rule.

(4) July 1, 2007.

SECTION 99. [EFFECTIVE JANUARY 1, 2007] **IC 6-3-2-2, as amended by this act, applies to taxable years beginning after December 31, 2006.**

SECTION 100. **An emergency is declared for this act.**

SENATE MOTION
(Amendment 1010-8)

Madam President: I move that Engrossed House Bill 1010 be amended to read as follows:

Page 1, between the enacting clause and line 1, begin a new paragraph and insert:

"SECTION 1. IC 8-1-2-89 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 89. (a) As used in this section, unless the context otherwise requires, the following terms have the following meanings:

(1) "Sewage disposal service" means any public utility service whereby liquid and solid waste, sewage, night soil, and industrial waste of any single territorial area is collected, treated, purified, and disposed of in a sanitary manner, and includes all sewage treatment plant or plants, main sewers, submain sewers, local and lateral sewers, intercepting sewers, outfall sewers, force mains, pumping stations, ejector stations, and all other equipment and appurtenances necessary or useful and convenient for the rendition of such service.

(2) "Sewage disposal company" means any natural person, firm, association, corporation, or partnership owning, leasing, or operating any sewage disposal service within the rural areas of this state, and all provisions of this chapter pertaining to a public utility shall apply with equal force and effect to a sewage disposal company, except insofar as said provisions may be inconsistent with specific provisions of this section.

(3) "Rural area" means territory lying within the state of Indiana and lying outside the corporate limits of a municipality.

(4) "Certificate of territorial authority" means a certificate of convenience and necessity issued by the commission pursuant to this section, which said certificate shall be deemed an indeterminate permit, unless expressly conditioned otherwise by the commission when issued.

(5) "Notice of hearing" means notice of the time, place, and purpose of a hearing, given by publication in at least one (1) newspaper of general circulation in each of the counties in which the particular sewage disposal company operates or proposes to operate and given also in writing by United States registered mail:

(A) to each other sewage disposal company operating in territory contiguous to the territory in which the particular sewage disposal company operates or proposes to operate;

(B) to each municipality in territory contiguous and nearest to the territory in which the particular sewage disposal company operates or proposes to operate; and

(C) to such other persons or entities which the commission may from time to time require by its rules and forms;

all such notices shall be so mailed as to be received by the recipients at least ten (10) days prior to any hearing, or as otherwise required by the commission.

(6) "Package sewage disposal company" means a sewage disposal company that provides or will provide sewage

disposal service to less than five hundred (500) customers.

(b) It is hereby declared to be in the public interest to provide for the orderly development and rendering of sewage disposal service in rural areas within the state of Indiana, and such public interest makes it necessary and desirable that to the extent provided herein the holding of a certificate of territorial authority should be required as a condition precedent to the rendering of such service, and that such operation be under the control, regulation, and supervision of the commission, and such sewage disposal companies shall not be subject to regulation by any municipality or county government or metropolitan regulatory body, or any branch or subdivisions thereof or substitute therefor in the form of special service districts, with the **exception exceptions** that: **said**

(1) a sewage disposal company shall be subject to the comprehensive plan, zoning, and subdivision requirements and regulations of the governmental units having jurisdiction in the area; and

(2) a package sewage disposal company is subject to the requirements set forth in subsection (m).

However, all functions, powers, and duties of the state department of health and the water pollution control board shall remain unaffected by this section.

(c) No sewage disposal company shall commence the rendering of sewage disposal service in any rural area in the state of Indiana in which it is not actually rendering sewage disposal service, without first obtaining from the commission a certificate of territorial authority authorizing such sewage disposal service, finding that public convenience and necessity require such sewage disposal service within such rural area by such sewage disposal company, and defining and limiting specifically the rural area covered thereby. No sewage disposal company hereby required to hold such a certificate shall render any additional sewage disposal service within such rural area to any extent greater than that authorized by such certificate or shall continue to render sewage disposal service within such rural area if and after such certificate of territorial authority has been revoked or transferred as in this section provided, unless in such order of revocation or transfer the commission shall require continued service until a new sewage disposal company or municipality actually takes over such service. The commission shall not have the power to require extension of such service by any sewage disposal company into any additional territory than that defined and limited in such a certificate without the consent of such sewage disposal company.

(d) Whenever any sewage disposal company proposes to commence the rendering of sewage disposal service in any rural area, it shall file with the commission a verified application for a certificate of territorial authority to cover the proposed service. The commission shall by rule prescribe the form of the application and the information to be contained therein, **including information necessary to make a determination under subsection (m)**, and such application by any such company shall conform to such prescribed form. The commission shall set the matter for hearing and notice of such hearing shall be given to the parties and in the manner defined in this section. Any city may, and upon petition to the commission shall, be made a party to any service proposal if its territorial limits lie within five (5) miles of the area to be serviced under this section. **A verified application submitted by a package sewage disposal company must include a resolution in support of the verified application**

adopted by the county executive of the county in which the package sewage disposal company seeks to provide sewage disposal services.

(e) If, after notice of hearing and hearing on any application for a certificate of territorial authority, the commission shall find from the evidence introduced at such hearing, including any evidence which the commission shall have caused to be introduced as a result of any investigation which it may have made into the matter, that the applicant has proved:

(1) lawful power and authority to apply for said certificate and to operate said proposed service;

(2) financial ability to install, commence, and maintain said proposed service; and

(3) public convenience and necessity require the rendering of the proposed service in the proposed rural area by this particular sewage disposal company; however, in the event the service is proposed for a proposed rural real estate addition, division, or development, or any part thereof, the reasonably expected sewage disposal service requirements of the anticipated residents may be found to constitute such public convenience and necessity;

then the certificate of territorial authority, defining and limiting the rural area to be covered thereby, shall be granted to the applicant, subject to such terms, restrictions, limitations, and conditions, including but not limited to a reasonable time in which to commence operations, as the commission shall determine to be necessary and desirable in the public interest.

(f) In cases of applications filed by two (2) or more sewage disposal companies seeking the issuance of a certificate of territorial authority for the same area or areas or any conflicting portions thereof, the commission may either consider such applications separately or by consolidation of two (2) or more or all within a single hearing at its discretion and shall have the power to issue its certificate after notice of hearing and hearing to any single qualified sewage disposal company for a particular rural area, or, in the event that the commission determines and finds that two (2) or more or all applicants seeking the same area or areas or any conflicting portions thereof are both or all qualified, then the commission shall have the power to determine which is the better or best qualified, or whether the same area or areas or any conflicting portions thereof shall be divided between or among such qualified applicants. However, in no event shall such area or areas or portions thereof be greater than that for which the particular applicant applied, unless such sewage disposal company shall consent and agree in writing to such modification of its application and the issuance of such modified certificate.

(g) After the issuance of such certificate, no other sewage disposal company shall render sewage disposal service in the area or areas so determined and so defined in any certificate of territorial authority issued by the commission, except after notice of hearing and hearing, and the determination and finding by the commission that public convenience and necessity require that sewage disposal service in said same area or areas be also rendered or offered by an additional or another company, and the issuance of a certificate duly granted by the commission as provided in this section.

(h) A sewage disposal company shall be required to furnish reasonable adequate sewage disposal services and facilities for which said service and facilities it shall be entitled to charge reasonable,

nondiscriminatory rates, subject to the jurisdiction of the commission for the purpose of fixing said rates to be charged to patrons of such sewage disposal company for sewage disposal service, and for such purpose the commission is given jurisdiction to proceed in the same manner and with like power as is provided by this chapter in the case of public utilities.

(i) To encourage the installation of sewage treatment plants, and sewers, mains, stations, and all other equipment and appurtenances for rendering sewage disposal service in rural areas in close proximity to municipalities, and to ensure that a sewage disposal company which had made such installation in such area can recover the cost of its investment, in the event that the area or areas or any part thereof included within the territory granted under a certificate of territorial authority shall be annexed by any municipality at any time within twelve (12) years from the date that such certificate was granted, a sewage disposal company operating under such certificate shall continue to operate under such certificate of territorial authority, subject to the exclusive jurisdiction and regulation of the commission, for the unexpired portion of such period of twelve (12) years from the date of granting such certificate, or, in the case of a determinate permit specifying a term shorter than twelve (12) years, then for the unexpired portion of such lesser period as specified by such permit from the date of granting such permit. However, the foregoing provisions in regard to continued operation within the corporate limits of a municipality after annexation shall not affect the right of the sewage disposal company to cease its operation of providing sewage disposal service within such annexed territory prior to the termination of said twelve (12) year or lesser determinate permit period, upon thirty (30) days written notice to the commission, the municipality, and all patrons.

(j) Upon approval by the commission given after notice of hearing and hearing, but not otherwise, any certificate of territorial authority may:

- (1) be sold, assigned, leased, or transferred by the holder thereof to any sewage disposal company to which a territorial certificate might be lawfully issued; or
- (2) be included in the property and rights encumbered under any indenture of mortgage or deed of trust of such holder;

or any sewage treatment plant or plants, sewers, mains, stations, and equipment and appurtenances for the rendering of sewage disposal service, or any part thereof, may be sold, assigned, leased, or transferred by the holder thereof to any municipality if these assets lie within an area which shall have been annexed by such municipality or lie within the given radius of miles from the corporate limits of such municipality into which it is authorized to render such services, if such municipality is prepared to render a comparable sewage disposal service without loss of continuity of service, and if the terms of such sale, assignment, lease, or transfer are reasonable. However, once the commission has given its approval to such transaction and the transaction itself is actually consummated, the commission shall have no control over the sewage disposal service henceforth rendered by such municipality as a municipally owned utility (as defined in this chapter).

(k) Any certificate of territorial authority may, after notice of hearing and hearing, be revoked by the commission, in whole or in part, for the failure of the holder thereof to furnish reasonably adequate sewage disposal service within the area or areas determined

and defined in such certificate of territorial authority, or for the failure of the holder thereof to comply with any applicable order or rule prescribed by the commission in the exercise of its powers under this chapter, or for failure to comply with any term, condition, or limitation of such certificate of territorial authority.

(l) After the commission revokes any certificate of territorial authority under subsection (k) or after the county board of health determines the existence of a serious health problem related to the sewage disposal facility, the county commissioners of the county in which the sewage disposal facility is located may acquire the facility, subject to the approval of the acquisition by the county council, except that the county commissioners may not acquire any facility already acquired by any city or town. The county commissioners shall acquire the sewage disposal facility by:

- (1) gift, grant, purchase, or condemnation that is funded in the same manner that cities and towns fund sewage treatment acquisitions under IC 36-9; or
- (2) a lease arrangement that is funded in the same manner that cities and towns fund leases of sewage disposal facilities under IC 36-9.

After acquisition, the county commissioners shall repair, operate, and maintain the sewage disposal facility and charge user fees for these services.

(m) Before the commission may issue a certificate of territorial authority to a package sewage disposal company, the commission must determine that the package sewage disposal company is the most appropriate provider of sewage disposal services for the rural area covered by the certificate of territorial authority. The issuance of a certificate of territorial authority to a package sewage disposal company is subject to review and approval by the department of environmental management."

RESOLUTIONS ON FIRST READING

Senate Concurrent Resolution 41

Senate Concurrent Resolution 41, introduced by Senators Ford, Merritt, Craycraft, and Lewis:

A CONCURRENT RESOLUTION honoring the Indiana State Fair Commission and Board on the upcoming 150th State Fair.

Whereas, In 1851, the Indiana General Assembly passed an act "to encourage agriculture," which provided for the formation of a State Board of Agriculture. The primary goal of the Board was to create the first Indiana State Fair;

Whereas, Then in 1852, Indiana became the sixth state to begin holding an annual state agricultural fair. The original purpose of the State Fair was to allow Indiana's farmers to share ideas, view the most modern farming techniques, and display their products;

Whereas, The first State Fair was held at Camp Sullivan, which is now known as Military Park in downtown Indianapolis. While Indianapolis has been the primary location of the State Fair throughout its history, a few other Indiana cities hosted the event in the 1800s: Lafayette (1853), Madison (1854), New Albany (1859), Fort Wayne (1865) and Terre Haute (1867);

Whereas, In 1892, the Fair moved to its current location at East 38th Street and Fall Creek Parkway;

Whereas, The Indiana State Fair is one of the longest running fairs in the nation, having been held every year since 1852 with the exceptions of 1861, due to the Civil War, and 1942-1945, due to World War II;

Whereas, Agricultural activities at the Fair over the years have consisted of various livestock shows and crop exhibits. In addition, the Fair has included numerous homemaking projects such as baking, sewing, and arts and crafts;

Whereas, Today, with over 64,000 farms in Indiana, agriculture is still a focal point of the Fair. Attractions such as Pioneer Village, Farmers Day at the Fair, Pioneer Our Land Pavilion, the Ag/Hort Building, Little Hands on the Farm, and countless other exhibits highlight the development and impact of agriculture on the lives of Hoosiers statewide;

Whereas, In addition to agriculture, the Indiana State Fair has hosted many nationally-known performers, including: Captain Kangaroo, Johnny Cash, Reba McIntyre, DefLeppard, Dolly Parton, Garth Brooks, Bruce Springsteen, Alabama, Sonny & Cher, and The Beatles;

Whereas, The Indiana State Fair is also known for its scrumptious and varied menu of food, including traditional favorites like corn on the cob, Hoosier ribeye sandwiches, lemon shake-ups, milk shakes, and corn dogs, as well as many other delicious treats;

Whereas, After \$8 million in enhancements in 2004, the 4-H Education Complex at the State Fairgrounds is the nation's premier showcase of 4-H exhibits and events;

Whereas, With an annual average attendance of more than 800,000 visitors, the State Fair is the most-attended event in Indiana and generates nearly \$20 million annually for the economy; and

Whereas, Although primarily an agricultural exposition, the Indiana State Fair is a family event that young and old look forward to every year: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly recognizes the 150th Indiana State Fair and congratulates the Indiana State Fair Commission and Board on having one of the longest running State Fairs in the nation.

SECTION 2. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to Cindy Hoye, Executive Director of the Fair Commission; Dr. Gene Sease, State Fair Commission Chairman; and the members of the Indiana State Fair Board.

The resolution was read in full and adopted by voice vote. The Chair instructed the Secretary to inform the House of the passage of the resolution. House sponsors: Representatives Ruppel, Pond, Bischoff, and Goodin.

"SECTION 69. IC 21-2-15-11, AS AMENDED BY P.L.246-2005, SECTION 190, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: Sec. 11. (a) Except as provided in **IC 6-1.1-18-12** and subsection ~~(c)~~; **(b)**, to provide for the capital projects fund, the governing body may, for each year in which a plan adopted under section 5 of this chapter is in effect, impose a property tax rate that does not exceed forty-one and sixty-seven hundredths cents (\$0.4167) on each one hundred dollars (\$100) of assessed valuation of the school corporation. This actual rate must be advertised in the same manner as other property tax rates.

(b) The maximum property tax rate levied by each school corporation must be adjusted each time a general reassessment of property takes effect. The adjusted property tax rate becomes the new maximum property tax rate for the levy for property taxes first due and payable in each year:

- (1) after the general reassessment for which the adjustment was made takes effect; and**
- (2) before the next general reassessment takes effect.**

(c) The new maximum rate under this section is the tax rate determined under STEP SEVEN of the following formula:

STEP ONE: Determine the maximum rate for the school corporation for the year preceding the year in which the general reassessment takes effect.

STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the year preceding the year the general reassessment takes effect to the year that the general reassessment is effective.

STEP THREE: Determine the three (3) calendar years that immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:

- (A) Zero (0);**
- (B) The result of the STEP TWO percentage minus the STEP FIVE percentage.**

STEP SEVEN: Determine the quotient of the STEP ONE tax rate divided by the sum of one (1) plus the STEP SIX percentage increase.

(d) The department of local government finance shall compute the maximum rate allowed under subsection (c) and provide the rate to

~~each school corporation:~~

~~(c)~~ **(b)** For a year in which a school corporation uses money from the school corporation's capital projects fund to pay for costs described in section 4(l) of this chapter, the school corporation may impose a property tax rate that exceeds the rate described in subsection (a). The amount by which the property tax rate may exceed the rate described in subsection (a) equals the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the school corporation's expenditures under section 4(l) of this chapter for the calendar year.

STEP TWO: Determine the quotient of:

(A) the STEP ONE amount; divided by

(2) All tax levies shall be computed by rounding the levy to the nearest dollar amount (\$1).

"SECTION 80. IC 36-1-12-3.3 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 3.3. (a) This section applies to a public works project constructed by, for, or on behalf of the Indiana stadium and convention building authority created by IC 5-1-17-6.**

(b) Notwithstanding section 3 of this chapter, the board may purchase supplies and may enter into a contract for the installation of supplies in the manner provided in IC 5-22-10-13.5, when the board awarding the contract for the public work determines in writing that proceeding under this section is in the best interest of the project.

SECTION 81. IC 36-1-12-13.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13.1. **(a) Except as provided in subsection (f), this section applies to contracts for public work only if the cost of the public work is estimated to be more than one hundred thousand dollars (\$100,000).**

(b) The contractor shall execute a payment bond to the appropriate political subdivision or agency, approved by and for the benefit of the political subdivision or agency, in an amount equal to the contract price. The payment bond is binding on the contractor, the subcontractor, and their successors and assigns for the payment of all indebtedness to a person for labor and service performed, material furnished, or services rendered. The payment bond must state that it is for the benefit of the subcontractors, laborers, material suppliers, and those performing services.

(c) The payment bond shall be deposited with the board. The payment bond must specify that:

(1) a modification, omission, or addition to the terms and conditions of the public work contract, plans, specifications, drawings, or profile;

(2) a defect in the public work contract; or

(3) a defect in the proceedings preliminary to the letting and awarding of the public work contract;

does not discharge the surety. The surety of the payment bond may not be released until one (1) year after the board's final settlement with the contractor.

(d) A person to whom money is due for labor performed, material furnished, or services provided shall, within sixty (60) days after the completion of the labor or service, or within sixty (60) days after the last item of material has been furnished, file with the board signed duplicate statements of the amount due. The board shall forward to the surety of the payment bond one (1) of the signed duplicate statements. However, failure of the board to forward a signed duplicate statement does not affect the rights of a person to whom money is due. In addition, a failure to forward the statement does not operate as a defense for the surety.

(e) An action may not be brought against the surety until thirty (30) days after the filing of the signed duplicate statements with the

board. If the indebtedness is not paid in full at the end of that thirty (30) day period the person may bring an action in court. The court action must be brought within sixty (60) days after the date of the final completion and acceptance of the public work.

(f) This subsection applies to contracts for a public work entered into by, for, or on behalf of the Indiana stadium and convention building authority created by IC 5-1-17-6. The board awarding the contract for the public works project may waive the payment bond requirements of this section if the board, after public notice and hearing, determines:

(1) that:

(A) an otherwise responsive and responsible bidder is unable to provide the payment bond required by this section; or

(B) the cost or coverage of the payment bond is not in the best interest of the project; and

(2) that an adequate alternative is provided through a letter of credit, additional retainage, or other sufficient protective mechanism.

SECTION 82. IC 36-1-12-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 14. (a) This section applies to public work contracts in excess of one hundred thousand dollars (\$100,000) for projects other than highways, roads, streets, alleys, bridges, and appurtenant structures situated on streets, alleys, and dedicated highway rights-of-way. This section also applies to a lessor corporation qualifying under IC 21-5-11 or IC 21-5-12 or any other lease-back arrangement containing an option to purchase, notwithstanding the statutory provisions governing those leases.

(b) A board that enters into a contract for public work, and a contractor who subcontracts parts of that contract, shall include in their respective contracts provisions for the retainage of portions of payments by the board to contractors, by contractors to subcontractors, and for the payment of subcontractors. At the discretion of the contractor, the retainage shall be held by the board or shall be placed in an escrow account with a bank, savings and loan institution, or the state as the escrow agent. The escrow agent shall be selected by mutual agreement between board and contractor or contractor and subcontractor under a written agreement among the bank or savings and loan institution and:

(1) the board and the contractor; or

(2) the subcontractor and the contractor.

The board shall not be required to pay interest on the amounts of retainage that it holds under this section.

(c) To determine the amount of retainage to be withheld, the board shall:

(1) withhold no more than ten percent (10%) of the dollar value of all work satisfactorily completed until the public work is fifty percent (50%) completed, and nothing further after that; or

(2) withhold no more than five percent (5%) of the dollar value of all work satisfactorily completed until the public work is substantially completed.

If upon substantial completion of the public work minor items remain uncompleted, an amount computed under subsection (f) of this section shall be withheld until those items are completed.

(d) The escrow agreement must contain the following provisions:

(1) The escrow agent shall invest all escrowed principal in obligations selected by the escrow agent.

(2) The escrow agent shall hold the escrowed principal and income until receipt of notice from the board and the contractor, or the contractor and the subcontractor, specifying the part of the escrowed principal to be released from the escrow and the person to whom that portion is to be released. After receipt of the notice, the escrow agent shall remit the designated part of escrowed principal and the same proportion of then escrowed income to the person specified in the notice.

(3) The escrow agent shall be compensated for the agent's services. The parties may agree on a reasonable fee comparable with fees being charged for the handling of escrow accounts of similar size and duration. The fee shall be paid from the escrowed income.

The escrow agreement may include other terms and conditions consistent with this subsection, including provisions authorizing the escrow agent to commingle the escrowed funds with funds held in other escrow accounts and limiting the liability of the escrow agent.

(e) **Except as provided by subsection (i),** the contractor shall furnish the board with a performance bond equal to the contract price. If acceptable to the board, the performance bond may provide for incremental bonding in the form of multiple or chronological bonds that, when taken as a whole, equal the contract price. The surety on the performance bond may not be released until one (1) year after the date of the board's final settlement with the contractor. The performance bond must specify that:

(1) a modification, omission, or addition to the terms and conditions of the public work contract, plans, specifications, drawings, or profile;

(2) a defect in the public work contract; or

(3) a defect in the proceedings preliminary to the letting and awarding of the public work contract;

does not discharge the surety.

(f) The board or escrow agent shall pay the contractor within sixty-one (61) days after the date of substantial completion, subject to sections 11 and 12 of this chapter. Payment by the escrow agent shall include all escrowed principal and escrowed income. If within sixty-one (61) days after the date of substantial completion there remain uncompleted minor items, an amount equal to two hundred percent (200%) of the value of each item as determined by the architect-engineer shall be withheld until the item is completed. Required warranties begin not later than the date of substantial completion.

(g) Actions against a surety on a performance bond must be brought within one (1) year after the date of the board's final settlement with the contractor.

(h) This subsection applies to public work contracts of less than two hundred fifty thousand dollars (\$250,000). The board may waive the performance bond requirement of subsection (e) and accept from a contractor an irrevocable letter of credit for an equivalent amount from an Indiana financial institution approved by the department of financial institutions instead of a performance bond. Subsections (e) through (g) apply to a letter of credit submitted under this subsection.

(i) This subsection applies to the Indiana stadium and convention building authority created by IC 5-1-17-6. The board awarding the contract for the public works project may waive the performance bond requirement of subsection (e) if the board, after public notice and hearing, determines:

(1) that:

(A) an otherwise responsive and responsible bidder is unable to provide the performance bond required by subsection (c); or

(B) the cost or coverage of the performance bond is not in the best interest of the project; and

(2) that an adequate alternative is provided through a letter of credit, additional retainage, or other sufficient protective mechanism."

Chapter 8. Property Tax Freeze; County Income Tax Increment

Sec. 1. The:

(1) county income tax council, if the county option income tax is in effect on January 1 of the year in which the county acts under this chapter;

(2) county council, if the county adjusted gross income tax is in effect on January 1 of the year in which the county acts under this chapter; or

(3) county income tax council or the county council, whichever acts first, for a county not covered by subdivision (1) or (2);

may adopt an ordinance to impose a complete freeze on the controlled property taxes imposed in the county on noncorporate tangible property, a partial freeze on the controlled property taxes imposed in the county on corporate tangible property, and impose a county income tax increment to replace the revenue lost to taxing units as a result of the application of the controlled property tax freeze.

Sec. 2. To freeze controlled property tax levies under this chapter, a county income tax council shall use the procedures set forth in IC 6-3.5-6 concerning the imposition of the county option income tax.

Sec. 3. (a) An ordinance adopted under this chapter before April 1 in a year (or in 2006, before June 1, 2006) applies to:

(1) controlled property taxes first due and payable; and

(2) the taxation of adjusted gross income earned;

in each year that follows the year in which the ordinance is adopted.

(b) An ordinance adopted after March 31 in a year (or in 2006, after May 31, 2006) applies to:

(1) controlled property taxes first due and payable; and

(2) the taxation of adjusted gross income earned;

in each year that follows the year in which the ordinance is adopted by at least two (2) years.

Sec. 4. An ordinance under this chapter must be adopted substantially in the following form:

"The _____ County _____ elects to impose a freeze on the controlled property taxes imposed by the taxing units in _____ County and imposes a county income tax on the county taxpayers of _____ County at the rate necessary to replace the revenue lost as a result of the application of the property tax freeze in the county. The freeze shall be a complete freeze of controlled property taxes imposed on noncorporate tangible property and a partial freeze on controlled property taxes imposed on corporate tangible property, as provided by law. "

Sec. 5. An ordinance adopted under this chapter may freeze controlled property tax levies by reference to the amount of the controlled property tax levies certified by the department of local government finance under IC 6-1.1-17-16 for any of the following freeze limit determination years:

(1) The year in which the ordinance is adopted.

(2) The year immediately preceding the year in which the ordinance is initially effective under section 3 of this chapter, if section 3(b) of this chapter applies.

(3) 2006.

Sec. 6. As soon as practicable after adopting an ordinance under this chapter, the governing body adopting the ordinance shall certify the ordinance to the following:

(1) The county auditor of each county in which any part of the taxing unit in the county is located.

(2) The fiscal officer of each taxing unit that is located in any part in the county.

(3) The department of local government finance.

Sec. 7. The department of local government finance shall provide copies of an ordinance received under section 6 of this chapter to the department of state revenue and the budget agency.

Sec. 8. An ordinance that is adopted in conformity with this chapter may not be amended, repealed, or otherwise rescinded. However, an ordinance may be amended to bring the ordinance into conformity with this chapter.

Sec. 9. Beginning with the first year in which an ordinance is effective under section 3 of this chapter:

(1) an additional property tax replacement credit is granted against the tax liability imposed on tangible property for controlled property taxes equal to the applicable percentage of the controlled total tax levies of all taxing units in the county that exceeds the county freeze limit; and

(2) a county income tax increment is annually imposed against the county taxpayers in the county at the rate necessary to replace the revenue lost to all taxing units in the county as a result of the granting of the property tax replacement credit.

Sec. 11. The applicable percentage that is applied under subdivision (1) to:

(1) noncorporate tangible property is one hundred percent (100%); and

(2) corporate tangible property is the percentage determined under STEP FOUR of the following formula:

STEP ONE: Determine the greater of zero (0) or the county income tax increment rate imposed in the county in the immediately preceding year.

STEP TWO: Divide the STEP ONE amount by two tenths (0.2).

STEP THREE: Determine the result of:

- (i) one percent (1%); multiplied by
- (ii) the STEP TWO amount.

STEP FOUR: Determine the result of:

- (i) One hundred percent (100%); minus
- (ii) the greater of the STEP THREE percentage or one percent (1%).

Sec. 12. The county increment income tax rate for an ensuing year is the tax rate determined under STEP FOUR of the following formula:

STEP ONE: Determine the sum of the county income tax increments to be raised in the county for the ensuing year by each of the taxing units in the county, as determined from the budgets and county income tax increments certified by the county auditor and adjusted by the department of local government finance before November 2 in the year immediately preceding the ensuing year.

STEP TWO: Determine the sum of:

- (A) the STEP ONE amount; plus
- (B) the amount of any excess levy appeals that are:
 - (i) granted by the department of local government finance for a taxing unit in the county before November 2 of the year immediately preceding the ensuing year or the later date approved by the department of local government finance;
 - (ii) payable from the county's increment; and
 - (iii) excess of the amount certified to the department of local government finance by the county auditor.

STEP THREE: Determine the adjusted gross income for the county taxpayers for the ensuing year, using the best forecast data available before November 1 immediately preceding the ensuing year or the later date approved by the department of local government finance.

STEP FOUR: Divide the STEP TWO amount by the STEP THREE amount, rounding to the nearest ten thousandth (.0001).

Sec. 13. The county income tax increment rate shall be determined based on the amount of tax liability that accrues in the accounting period in which the tax rate applies even if the full amount of tax is not due until the taxpayer files a final return for the taxpayer's taxable year.

Sec. 14. The county income tax increment rate shall be adjusted to eliminate the effects that an allocation area has on the county income tax increment that will be available to the taxing units in the county.

Sec. 15. The department of local government finance shall reduce the county increment tax rate that would otherwise be imposed in the county for a year to reflect the availability to the taxing unit of any of the following:

(1) An excess increment or supplement distribution to the taxing unit under IC 6-11-13-8.

(2) An excess increment or supplement distribution to the taxing unit under IC 6-11-13 for county income taxes imposed on adjusted gross income earned in a year preceding the ensuing year.

Sec. 16. The department of local government finance shall adjust the county income tax increment rate as necessary to eliminate any excess county income tax revenue that would otherwise result from the application of a partial freeze on the controlled property taxes of corporate tangible property.

Sec. 17. The department of local government finance, after reviewing the recommendation of the budget agency, shall certify the county income tax increment rate for a county for the ensuing year before November 2 immediately preceding the ensuing year or the later date approved by the department of local government finance. The county income tax increment rate shall be certified to the following:

- (1) The county auditor.
- (2) The county treasurer.
- (3) The fiscal office of each taxing unit in the county.
- (4) The department of state revenue.

Chapter 9. County Income Tax Supplement

Sec. 1. This chapter applies in a county only if the county is an adopting county.

Sec. 2. In addition to the property tax relief permitted under IC 6-10-8, the:

- (1) county income tax council, if the county option income tax is in effect on January 1 of the year in which the county acts under this chapter;
- (2) county council, if the county adjusted gross income tax is in effect on January 1 of the year in which the county acts under this chapter; or
- (3) county income tax council or the county council, whichever acts first, for a county not covered by subdivision (1) or (2);

may adopt an ordinance to grant an additional property tax replacement credit against controlled property taxes imposed in the county and impose a county income tax supplement rate to replace the revenue lost to taxing units as a result of the property tax replacement credit.

Sec. 3. To adopt an ordinance under this chapter, a county income tax council shall use the procedures set forth in IC 6-3.5-6 concerning the imposition of the county option income tax.

Sec. 4. (a) An ordinance adopted under this chapter before April 1 in a year (or in 2006, before June 1, 2006) applies to:

- (2) the taxation of adjusted gross income earned;

in each year that follows the year in which the ordinance is adopted.

(b) An ordinance adopted after March 31 in a year (or in 2006, after May 31, 2006) applies to:

- (1) controlled property taxes first due and payable;
- (2) and the taxation of adjusted gross income earned;

in each year that follows the year in which the ordinance is adopted by at least two (2) years.

Sec. 5. An ordinance under this chapter must be adopted substantially in the following form:

"The _____ County _____ elects to grant an additional property tax replacement credit against controlled property taxes imposed by the taxing units in _____ County on tangible property except tangible property on which a C Corporation is directly or indirectly liable for the tax liability beginning with controlled property taxes first due and payable in _____ and imposes an additional county income tax on the county taxpayers of _____ County at the rate of _____ percent (____%) to replace the revenue lost as a result of the granting of the additional property tax replacement credit".

Sec. 6. A county income tax supplement rate may be imposed in an increment of one tenth of one percent (0.1%). The maximum county income tax supplement rate that may be imposed in a county is one percent (1%).

Sec. 7. As soon as practicable after adopting an ordinance under this chapter, the governing body adopting an ordinance under this chapter shall certify the ordinance to the following:

- (1) bring the ordinance into conformity with this chapter; or
- (2) increase the county income tax supplement rate in the county, if the maximum permissible county income tax supplement rate under section 6 of this chapter has not been imposed in the county.

An amendment under this section takes effect in the manner provided in section 4 of this chapter.

Sec. 10. In a year in which an ordinance under this chapter is in effect:

- (1) a county income tax supplement rate is imposed on the adjusted gross income of county income taxpayers in the county at the rate specified in the ordinance; and
- (2) an additional property tax replacement credit is granted against the tax liability for controlled property taxes imposed on tangible property in the county other than tangible property for which a C corporation is directly or indirectly liable for the tax liability.

Sec. 11. The department of local government finance shall set the percentage of the additional property tax replacement credit granted under this chapter in a year so that the total amount of the additional property tax replacement credits granted in the county equals the department of local government finance's best estimate of the amount of the county income tax supplement that will be available to the county in the ensuing year.

Sec. 12. (a) Subject to subsection (b), the additional property tax replacement credit granted under this chapter shall be uniformly applied to the property tax liability for the controlled property taxes imposed by each taxing unit in the county after

applying all other credits granted by a law outside this article, except IC 6-1.1-20.6.

(b) The additional property tax replacement credit granted by this chapter may not be applied to the tax liability for controlled property taxes imposed on tangible property for which a C corporation is directly or indirectly liable."

"SECTION 67. IC 36-7-14-35 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 35. (a) In order to:

The bonds, notes, or warrants are not payable from or secured by a levy of taxes, but are payable only from and secured only by income, funds, and properties of the project becoming available to the redevelopment

(e) Bonds, notes, or warrants issued under this section are exempt from taxation for all purposes.

(k) Bonds, notes, or warrants issued under this section are declared to be issued for an essential public and governmental purpose.

- (1) Not more than twenty-five (25) acres of the area included in the allocation area has been annexed during the preceding five (5) years.**
- (2) No area within the allocation area has been annexed within the preceding five (5) years over a remonstrance of a majority of the owners of land within the annexed area.**
- (3) The program cannot be accomplished by regulatory processes or by the ordinary operation of private enterprise because of:**
 - (A) lack of public improvements;**
 - (B) existence of improvements or conditions that lower the value of the land below that of nearby land; or**
 - (C) other similar conditions.**

- (4) The public health and welfare will be benefited by accomplishment of the program.
- (5) The accomplishment of the program will be of public utility and benefit as measured by:
 - (A) the provision of adequate housing for low and moderate income persons;
 - (B) an increase in the property tax base; or
 - (C) other similar public benefits.
- (6) At least one-third (1/3) of the parcels in the allocation area established by the program are vacant.

- (9) At least one-third (1/3) of the parcels in the allocation area have at least one (1) of the following characteristics:

 - (D) The parcel is owned by local, state, or federal government.
- (10) The total area within the county or municipality that is included in any allocation area established for a housing program under section 45 of this chapter does not exceed one hundred fifty (150) acres.

SECTION 71. IC 36-7-14-48 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 48. (a) Notwithstanding section 39(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 45 of this chapter, "base assessed value" means the net assessed value of all of the property, other than personal property, as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 39(h) of this chapter.

(b) The allocation fund established under section 39(b) of this chapter for the allocation area for a program adopted under section 45 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:

- (1) The construction, rehabilitation, or repair of residential units within the allocation area.
- (2) The construction, reconstruction, or repair of any infrastructure (including streets, sidewalks, and sewers) within or serving the allocation area.
- (3) The acquisition of real property and interests in real property within the allocation area.
- (4) The demolition of real property within the allocation area.
- (5) The provision of financial assistance to enable individuals and families to purchase or lease residential units within the allocation area. However, financial assistance may be provided only to those individuals and

families whose income is at or below the county's median income for individuals and families, respectively.

(6) The provision of financial assistance to neighborhood development corporations to permit them to provide financial assistance for the purposes described in subdivision (5).

(7) Providing each taxpayer in the allocation area a credit for property tax replacement as determined under subsections (c) and (d). However, the commission may provide this credit only if the municipal legislative body (in the case of a redevelopment commission established by a municipality) or the county executive (in the case of a redevelopment commission established by a county) establishes the credit by ordinance adopted in the year before the year in which the credit is provided.

(c) The maximum credit that may be provided under subsection (b)(7) to a taxpayer in a taxing district that contains all or part of an allocation area established for a program adopted under section 45 of this chapter shall be determined as follows:

STEP ONE: Determine that part of the sum of the amounts described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4(a)(1) that is attributable to the taxing district; by
- (B) the amount determined under STEP ONE.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.

(d) The commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c). Except as provided in subsection (g), one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2) that under IC 6-1.1-22-9 are due and payable on May 10 and November 10 of a year. The commission must provide for the credit annually by a resolution and must find in the resolution the following:

- (1) That the money to be collected and deposited in the allocation fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations from the fund, plus ten percent (10%) of those amounts.
- (2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.
- (3) If bonds of a lessor under section 25.2 of this chapter or under IC 36-1-10 are outstanding and if lease rentals are payable from the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.

If the tax increment is insufficient to grant the credit in full, the

commission may grant the credit in part, prorated among all taxpayers.

(e) Notwithstanding section 39(b) of this chapter, the allocation fund established under section 39(b) of this chapter for the allocation area for a program adopted under section 45 of this chapter may only be used to do one (1) or more of the following:

- (1) Accomplish one (1) or more of the actions set forth in section 39(b)(2)(A) through 39(b)(2)(H) and 39(b)(2)(J) of this chapter for property that is residential in nature.
- (2) Reimburse the county or municipality for expenditures made by the county or municipality in order to accomplish the housing program in that allocation area.

The allocation fund may not be used for operating expenses of the commission.

(f) Notwithstanding section 39(b) of this chapter, the commission shall, relative to the allocation fund established under section 39(b) of this chapter for an allocation area for a program adopted under section 45 of this chapter, do the following before July 15 of each year:

- (1) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary:
 - (A) to make, when due, principal and interest payments on bonds described in section 39(b)(2) of this chapter;
 - (B) to pay the amount necessary for other purposes described in section 39(b)(2) of this chapter; and
 - (C) to reimburse the county or municipality for anticipated expenditures described in subsection (e)(2).
- (2) Notify the county auditor of the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 39(b)(1) of this chapter.

(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (d) for the taxes (as defined in IC 6-1.1-21-2) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2)."

(Amendment 1029-2)

Madam President: I move that Engrossed House Bill 1029 be amended to read as follows:

Page 3, between lines 28 and 29, begin a new paragraph and insert:

"SECTION 3. IC 6-1.1-19-8, AS AMENDED BY P.L.1-2005, SECTION 90, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8.

(a) A school corporation must file a petition requesting approval from the department of local government finance to incur bond indebtedness, enter into a lease rental agreement, or repay from the debt service fund loans made for the purchase of school buses under IC 20-27-4-5 not later than twenty-four (24) months after the first date of publication of notice of a preliminary determination under IC 6-1.1-20-3.1(2), unless the school corporation demonstrates that a longer period is reasonable in light of the school corporation's facts and circumstances. A school corporation must obtain approval from the department of local government finance before the school corporation may:

- (1) incur the indebtedness;
- (2) enter into the lease agreement; or
- (3) repay the school bus purchase loan.

This restriction does not apply to ad valorem property taxes which a school corporation levies to pay or fund bond or lease rental indebtedness created or incurred before July 1, 1974. **In addition, this restriction does not apply to a lease agreement or a purchase agreement entered into between a school corporation and the Indiana bond bank for the lease or purchase of a school bus under IC 5-1.5-4-1(a)(5), if the lease agreement or purchase agreement conforms with the school corporation's ten (10) year school bus replacement plan approved by the department of local government finance under IC 21-2-11.5-3.1.**

(b) The department of local government finance may either approve, disapprove, or modify then approve a school corporation's proposed lease rental agreement, bond issue or school bus purchase loan. Before it approves or disapproves a proposed lease rental agreement, bond issue or school bus purchase loan, the department of local government finance may seek the recommendation of the tax control board.

(c) The department of local government finance shall render a decision not more than three (3) months after the date it receives a request for approval under subsection (a). However, the department of local government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the school corporation. A school corporation may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under this section.

(d) After December 31, 1995, the department of local government finance may not approve a school corporation's proposed lease rental agreement or bond issue to finance the construction of additional classrooms unless the school corporation first:

- (1) establishes that additional classroom space is necessary; and
- (2) conducts a feasibility study, holds public hearings, and hears public testimony on using a twelve (12) month school term (instead of the nine (9) month school term (as defined in IC 20-30-2-7)) rather than expanding classroom space.

(e) This section does not apply to school bus purchase loans made by a school corporation which will be repaid solely from the general fund of the school corporation.

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section."

Senate Concurrent Resolution 47, introduced by Senator Rogers:

A CONCURRENT RESOLUTION honoring the City of Gary, Indiana as it celebrates its Centennial Anniversary.

Whereas, The City of Gary, Indiana was founded on July 14, 1906 named in honor of the chairman of U.S. Steel Corp., Elbert H. Gary, who was pivotal in the creation of the city through his vision of building the largest and most modern steel plant in the world; and

Whereas, The population of Gary more than tripled from 16,800 people in 1910 to 55,000 people in 1920 when it became the largest city in the region and is now over 100,000 people; and

Whereas, Gary was seen as the world's most modern city, was referred to as "The Magic City", and was a great ethnic melting pot due to the attraction of immigrants from Poland, Romania, Serbia, Hungary, Ireland, and other countries for jobs in the mills; and

Whereas, William Wirt, the "father of modern education" who moved to Gary in 1907 built an education system in the city that focused on education of the whole child and became a national model; and

Whereas, Gary's history has been colored with both times of great prosperity and times of economic challenge, from the post-war production booms after WWI and WWII to the Great Depression of the 1930s and the staggering economic recession in the 1970s; and

Whereas, Richard G. Hatcher was elected in 1967 to serve as Mayor of Gary and subsequently elected to four more terms; he was

the country's first African-American metro city mayor and worked to improve housing conditions in the city and garner federal job training programs for displaced workers and the unemployed; and

Whereas, Community leaders are currently striving to diversify Gary's economy, adding service industries and high-tech jobs to create a business mix that will include but not be limited to steel, and constructing new housing and refurbishing existing residential neighborhoods; and

Whereas, The City's Centennial celebration events, with the theme "100 reasons to come home", will include neighborhood celebrations, a Founders Day week in July with original music scores and theater presentations, prayer breakfasts, restoration of the famous Gary Land building at Fifth Avenue and Broadway and the opening of a time capsule in April that was buried in front of City Hall in 1956; and

Whereas, The centerpiece of the memorial festivities will be a 30 foot, granite-based sculpture named "The Fusion", which depicts the history of Gary by representing the steel industry, its workers, arts and diversified culture: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. The General Assembly honors the City of Gary, Indiana as it celebrates its Centennial Anniversary.

SECTION 2. The Secretary of the Senate shall transmit a copy of this Resolution to Scott L. King, Mayor of Gary, and to the Gary Centennial Committee.

Delete the title and insert the following:
 A BILL FOR AN ACT to amend the Indiana Code concerning local government and natural and cultural resources.

Page 2, between lines 37 and 38, begin a new paragraph and insert:

"SECTION 2. IC 14-32-1-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 1. The following are declared as a matter of legislative determination:

- (1) That the land and water resources of Indiana are among the basic assets of Indiana and that the proper management of these

resources is necessary to protect and promote the health, safety, and general welfare of the people of Indiana.

(2) That improper land use practices and failure to control and use rainfall and runoff water cause and contribute to deterioration and waste of these resources of Indiana.

(3) That the breaking of natural grass, plant, and forest cover has interfered with the natural factors of soil stabilization, causing loosening of soil and exhaustion of humus and developing a soil condition that favors excessive runoff and erosion, with the following results:

(A) The topsoil is being blown and washed out of the fields and pastures.

(B) There has been an accelerated washing of sloping fields.

(C) These processes of erosion by wind and water speed up with removal of the topsoil, exposing the less absorptive, less protective, less productive, and more erosive subsoil.

(4) That valuable water resources are being lost causing damages in watersheds.

(5) That failure by a land occupier to properly manage the soil and water causes a washing and blowing of these resources onto other land and makes the conservation of these resources on the other land more difficult.

(6) That the consequences of soil erosion and failure to control and use rainfall and runoff water are the following:

(A) The silting and sedimentation of stream channels, reservoirs, dams, ditches, and harbors.

(B) The loss of fertile soil material.

(C) The piling up of soil on lower slopes and the deposit over alluvial plains.

(D) The reduction in productivity or outright ruin of bottom land by flooding and overwash of poor subsoil material, sand, and gravel swept out of the hills.

(E) The deterioration of soil and the soil's fertility, deterioration of crops grown, and reduction in crop yields.

(F) The loss of soil and water that causes destruction of food and cover for wildlife.

(G) A blowing and washing of soil into streams and lakes that silts over spawning beds and destroys water plants, diminishing the food supply of fish.

(H) A diminishing of the underground water reserve and loss of surplus rainfall runoff causing water shortages, intensifying periods of drought, and causing crop failures.

(I) An increase in the speed and volume of rainfall runoff, causing severe and increasing floods.

(J) Economic hardship for those attempting to farm land that is eroded or subject to frequent flooding.

(K) Damage to roads, highways, railways, farm buildings, and other property from floods and from dust storms.

(L) Losses in navigation, hydroelectric power, municipal water supply, recreational water development, irrigation developments, farming, and grazing.

(7) That to conserve soil and water resources, control and prevent soil erosion, **protect water quality**, reduce flood damage, and further the conservation development, use, and disposal of water, it is necessary that:

(A) land use practices contributing to soil and water wastage, **water quality impairment**, and soil erosion be

discouraged and discontinued; and

(B) appropriate soil and water conserving land use practices and works of improvement for flood prevention or the conservation development, use, and disposal of water be adopted and carried out.

(8) That among the procedures necessary for widespread adoption are the following:

(A) Carrying on of engineering operations such as the construction of flood preventing reservoirs and channels, terraces, terrace outlets, check dams, dikes, ponds, ditches, and similar operations.

(B) The use of soil protecting agronomic practices, such as strip cropping, contour cropping, and conservation tillage.

(C) Land irrigation.

He holds 14th place on the NBA all-time career scoring list and played a total of 1,323 games, earning him 7th place on the NBA's all-time list. Miller is the all-time NBA leader in 3-point field goals, scoring over one hundred per season for 15 consecutive seasons. Whereas, Miller was a five-time NBA All-Star, a member of the gold medal-winning 1996 Olympic Basketball Team, and represented the United States in the 2002 World Basketball Championship in Indianapolis. He was also the first Pacers player to start in an NBA All-Star game;

Whereas, Taking a great interest in charitable work, Miller serves on the Board of Directors of the Dale Davis Foundation, which benefits at-risk and economically disadvantaged youth populations. In order to assist victims of fire, he started the Reggie Miller Foundation. In addition, Miller contributes to Riley Hospital for Children and makes frequent, unscheduled visits to provide encouragement to the kids and their families. Also, in 2001, Miller pledged to donate \$1,000 to the American Red Cross for each 3-point field goal he made during the season—resulting in a donation that totaled over \$200,000. In 2004, the Professional Basketball Writers Association honored Miller's citizenship and community service with the J. Walter Kennedy Citizenship Award; and

Whereas, In recognition of Reggie Miller's contributions and success throughout his basketball career, Miller was inducted into UCLA's Hall of Fame in 1998 and the Indiana Pacers will retire Miller's number "31" jersey in a halftime ceremony this spring: Therefore,

(iii) the number of years of service credit the member intends to purchase.

(B) Contributions for any accrued interest, at a rate determined by the actuary of the fund, for the period from the member's initial membership in the fund to the date payment is made by the member.

At least ten (10) years of service in Indiana is required before a member may receive a benefit based on service credits purchased under this section. A member who terminates employment before satisfying the eligibility requirements necessary to receive a monthly allowance or receives a monthly allowance for the same service from another tax supported public employee retirement plan other than under the federal Social Security Act may withdraw the purchase amount plus accumulated interest after submitting a properly completed application for a refund to the fund.

Whereas, Dr. Richards had been the girls' varsity coach for the previous five years;

RESOLUTIONS ON FIRST READING

Senate Concurrent Resolution 52

Senate Concurrent Resolution 52, introduced by Senator Waltz:

A CONCURRENT RESOLUTION urging the Legislative Council to establish an interim study committee to study issues pertaining to foreign language learning opportunities for Indiana students.

Whereas, The Committee for Economic Development's February 9, 2006 report **Education for Global Leadership: The Importance of International Studies and Foreign Language Education for U.S. Economic and National Security** warns, "The United States will become less competitive in the global economy because of a shortage of strong foreign language and international studies programs at the elementary, high school, and college levels;"

Whereas, **A Call to Action for National Foreign Language Capabilities**, a report of the National Language Conference, convened by the Office of the Secretary of Defense in partnership with other federal agencies (Spring 2004) confirms that:

- The experience of many other countries supports the need for second language instruction to begin well below high school and continue throughout the educational pipeline;
- Foreign language learning experiences must be available and encouraged for all students; and
- Sufficient instructional time must be provided for language learners to acquire meaningful levels of language competence;

Whereas, A U.S. Senate Resolution designating 2005 the "Year of Foreign Language Study," co-sponsored by Indiana's Senator Richard Lugar, asserts "That it is the sense of the Senate that foreign language study makes important contributions to a student's cognitive development, our national economy, and our national security;"

Whereas, A recent study in Louisiana found that elementary students who received daily instruction in a foreign language outperformed other students on the state basic skills test, regardless of race, gender, or academic level;

Whereas, At the January 5, 2006 U.S. University Presidents Summit on International Education, President George W. Bush announced the National Security Language Initiative which will:

- "Increase the number of Americans mastering critical need languages and start at a younger age;
- Increase the number of advanced-level speakers of foreign languages, with an emphasis on critical need languages; and
- Increase the number of teachers of critical need languages and resources for them;"

Whereas, As early as 1992 the Indiana International Issues Task Force, recommended in its report **Indiana in a Changing World: A Strategy for Action** "foreign language study should begin in elementary school for all children;"

Whereas, According to the Center for Applied Linguistics, 24% of U.S. public elementary schools report teaching foreign languages, yet, according to the Indiana Department of Education, fewer than 5% of Indiana's elementary students currently study a foreign

language, less than 15% study foreign language at the middle level, and 44% at the high school;

Whereas, Under Secretary of Defense, David S. Chu recently declared that "Improving the Nation's foreign language capability requires immediate and long-term engagement. Every sector of our society has a role to play;"

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly recognizes that the economic well-being of Hoosiers demands the global perspective provided through the study of foreign languages and cultures.

SECTION 2. That the issues to be studied by the committee, if established, include, but are not limited to the following:

1. The development of a strategy for introducing foreign language instruction in the early grades that continues throughout Indiana's educational pipeline;
2. The development of policy recommendations for consideration by the General Assembly; and
3. Any other issues pertaining to the study of foreign languages as determined necessary by the committee.

SECTION 3. That the committee, if established, shall operate under the direction of the Legislative Council and that the committee shall present its findings and recommendations in a final report when directed to do so by the Legislative Council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

Senate Resolution 34

Senate Resolution 34, introduced by Senator Landske:

A SENATE RESOLUTION to urge the Legislative Council to establish an interim study committee to study issues pertaining to the safety of nursing home residents.

Whereas, All Indiana nursing home residents should be protected by sufficient fire protection systems;

Whereas, It is not known to what extent Indiana nursing home residents are currently protected by smoke detection systems;

Whereas, There are currently no state licensing requirements for persons who install fire protection systems;

Whereas, These fire protection systems should be installed by licensed contractors and installers to ensure that the systems work properly and protect the residents as intended; and

Whereas, An interim study committee could determine the safety of Indiana nursing home residents and recommend changes that need to be made in nursing home environments to make them safe for the residents: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana Senate recognizes the importance of ensuring the safety of Indiana nursing home residents.

SECTION 2. That the committee, if established should:

- a. Study which Indiana health facilities currently have smoke detectors in resident rooms and the types of smoke detectors the facilities are using;
- b. Evaluate smoke detection systems currently available and determine which types of systems provide the greatest safety for nursing home residents;
- c. Evaluate the fiscal impact of requiring all Indiana health facilities to install recommended smoke detection systems in each resident room;
- d. Review and make recommendations regarding the statewide licensing of fire sprinkler contractors and installers; and
- e. Consider any other issues pertaining to the safety of residents of Indiana nursing homes and health facilities.

SECTION 3. That the committee, if established, shall operate under the direction of the Legislative Council and that the committee shall present its findings and recommendations in a final report when directed to do so by the Legislative Council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

Senate Resolution 35

Senate Resolution 35, introduced by Senator Landske:

A SENATE RESOLUTION urging the Northwest Indiana Regional Development Authority to begin spending the money allocated to it in HEA 1120-2005 before receiving approval of its strategic plan.

Whereas, The Northwest Indiana Regional Development Authority is charged with accomplishing a variety of projects, including investigating the extension of South Shore passenger rail service to Lowell and Valparaiso, integrating existing bus services, helping to bring the Marquette Plan for the lakeshore to completion, and helping the Gary/Chicago International Airport become a reality;

Whereas, The overall charge given to the authority is to boost the region's economic development;

Whereas, The Northwest Indiana Regional Development Authority is also charged with developing a strategic plan that will include many of these projects;

Whereas, If the Northwest Indiana Regional Development Authority waits to distribute the money earmarked for the region until the strategic plan has been approved, it will miss a valuable opportunity to jump-start the economic development of an area whose economy is in need of stimulation;

Whereas, Local money is also needed to compete for federal funds from agencies like the Federal Aviation Administration, the U.S.

March 9, 2006

Senate 767

Environmental Protection Agency, the Federal Transit Administration, and the U.S. Army Corps of Engineers;

Whereas, Competition for federal funds is fierce, and Northwest Indiana is at its most critical juncture in 100 years; and

Whereas, In the world of business, plans must be adapted quickly to meet the needs of a changing market: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana Senate urges the Northwest Indiana Regional Development Authority to proceed spending the money allocated to it in HEA 1120-2005 before receiving approval of its strategic plan.

SECTION 2. That copies of this resolution be transmitted by the Secretary of the Senate to Governor Daniels and the Northwest Indiana Regional Development Authority.

The resolution was read in full and referred to the Committee on Appropriations.

Senate Resolution 36

Senate Resolution 36, introduced by Senator Harrison:

A SENATE RESOLUTION urging the Legislative Council to direct the Pension Management Oversight Commission to consider amending IC 36-8-8-7(h) to provide for a transfer of the employee's contribution account and service credit in the 1977 fund to the public employee's retirement fund if the employee does not earn a benefit in the 1977 fund for the time of their appointment pursuant to the waiver which is provided in existing law.

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana State Senate urges the Legislative Council to direct the Pension Management Oversight Commission to consider an amendment to IC 36-8-8-7(h).

SECTION 2. That the Pension Management Oversight Commission, if directed to take such action, shall operate under the direction of the Legislative Council and shall issue a report when directed to do so by the Council.

SECTION 3. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to the Legislative Council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

RESOLUTIONS ON FIRST READING

Senate Resolution 41

Senate Resolution 41, introduced by Senator Riegsecker:

A RESOLUTION encouraging medical schools to require medical students interested in pediatrics and family medicine to complete a rotation in a clinic with a history of diagnosing and treating people with autism spectrum disorder.

Whereas, As future physicians, medical students must be fully aware of the relationship between a patient's medical problems and autism spectrum disorder;

Whereas, An understanding of the relationship between medical problems and autism and other pervasive developmental disorders is particularly important for medical students in the areas of pediatric and family medicine; and

Whereas, Medical students who complete a rotation in a clinic with a history of diagnosing and treating autism and other pervasive developmental disorders can broaden their clinical approach and learn to make the best possible decisions under all conditions: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana General Assembly and the Indiana Commission on Autism encourage medical students, specifically those with an interest in pediatrics and family medicine, to complete additional studies and a rotation with an emphasis on autism and other pervasive developmental disorders.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

House Concurrent Resolution 53

House Concurrent Resolution 53, sponsored by Senator Lubbers:

A CONCURRENT RESOLUTION honoring Senator Richard Lugar in his efforts to safeguard the American people from the threat posed by weapons of mass destruction throughout the world.

Whereas, The collapse of the Soviet Union brought a unique problem to the citizens of the world;

Whereas, This was the first time that a nuclear nation had suddenly broken apart, and nuclear, chemical, and biological weapons command and control programs collapsed;

Whereas, The United States faced the grim possibility that weapons previously held in secure Soviet facilities and technology previously restricted to the Soviet military could be stolen or sold to the highest bidder;

Whereas, Senator Lugar and Senator Nunn worked diligently to develop a plan that would safeguard the welfare of the citizens of the former Soviet Union and the rest of the world and reduce the threat posed by the proliferation of weapons of mass destruction;

Whereas, The Nunn-Lugar Cooperative Threat Reduction Program uses money from the United States defense budget every year and allocates it to help the states of the former Soviet Union eliminate and safeguard nuclear weapons and other weapons of mass destruction;

Whereas, The Nunn-Lugar Cooperative Threat Reduction Program is not foreign aid and more than 80% of the funds are awarded through contracts to American companies.

Whereas, The goal of the Nunn-Lugar Cooperative Threat Reduction Program is to lessen the threat posed by weapons of mass destruction, to deactivate and destroy these weapons, and to assist former weapons experts to find long-term, peaceful employment;

Whereas, In 1997, Senators Lugar and Nunn were joined by Senator Pete Domenici in introducing the Defense Against Weapons of Mass Destruction Act;

Whereas, This act expanded Nunn-Lugar Cooperative Threat Reduction Program authorities in the former Soviet Union and provided defense against weapons of mass destruction expertise and equipment to first responders in 120 American cities;

Whereas, The city of Indianapolis and Marion County received first-responder training and equipment under the Nunn-Lugar-Domenici Defense Against Weapons of Mass Destruction Program in 1998, and Fort Wayne and Allen County received training and equipment in 2000.

Whereas, In 2003, Congress adopted the Nunn-Lugar Expansion Act authorizing the Nunn-Lugar Program to operate outside the former Soviet Union to address proliferation threats; and in October 2004, Nunn-Lugar Program funds were used for the first time outside of the former Soviet Union to destroy 16 tons of chemical weapons in Albania;

Whereas, Since its inception in 1991, the Nunn-Lugar Cooperative Threat Reduction Program has helped to deactivate 6,760 nuclear warheads; destroyed 590 missile silos, 32 mobile missile launchers, 150 strategic bombers, 789 air-to-surface nuclear missiles, 549 submarine launched missiles, 436 submarine missile launchers, and 28 strategic missile submarines; and sealed 194 nuclear test tunnels;

Whereas, The countries of Ukraine, Belarus, and Kazakhstan emerged from the Soviet Union as the third, fourth, and eighth largest nuclear powers in the world, and today they are free of nuclear weapons because of the Nunn-Lugar Cooperative Threat Reduction Program.

Whereas, Still striving to reduce the threat posed by the proliferation of weapons of mass destruction throughout the world, Senator Richard Lugar has offered legislation with Senator Barack Obama;

Whereas, Senator Lugar invited his Democratic colleague to join his annual trip to inspect weapons storage and elimination sites in Russia, Ukraine, and Azerbaijan;

Whereas, Senator Obama joined Senator Lugar in proclaiming the need for urgency to prevent stockpiles of nuclear, biological, and conventional weapons from falling into the hands of terrorists;

Whereas, During their trip to the former Soviet Union, Senators Lugar and Obama witnessed first hand the progress the Nunn-Lugar Cooperative Threat Reduction Program is making in improving the safety and security of nuclear warheads, the consolidation and

security improvements at biological pathogens storage facilities, and the elimination of mobile intercontinental ballistic missile launchers;

Whereas, Senators Lugar and Obama recently introduced legislation aimed at eliminating stockpiles of conventional weapons such as shoulder-fired missiles that terrorists have used to attack commercial aircraft, fuel civil wars in Africa and elsewhere and ammunition to attack peacekeepers and aid workers seeking to stabilize and rebuild war-torn societies;

Whereas, The Lugar-Obama legislation also seeks to strengthen the ability of America's friends and allies to detect and interdict illegal shipments of weapons of mass destruction or material that could be used in nuclear, chemical, or biological weapons and to build a robust international network for stopping the proliferation of these weapons; and

Whereas, The efforts of Senator Richard Lugar to eliminate stockpiles of weapons of mass destruction and conventional weapons transcends politics; Senator Lugar, Senator Nunn, Senator Domenici, and Senator Obama work to resolve the real problems facing our nation and the world in a bipartisan effort to make all people safer from the terrorist threat. Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

SECTION 1. That the Indiana General Assembly acknowledges the efforts of Senator Richard Lugar in making the world a safer place and promoting cooperative solutions to the world's problems.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to Senator Lugar, Senator Nunn, Senator Domenici, and Senator Obama.

The resolution was read in full and adopted by voice vote. The Chair instructed the Secretary to inform the House of the passage of the resolution.

RESOLUTIONS ON FIRST READING

Senate Concurrent Resolution 64

Senate Concurrent Resolution 64, introduced by Senator Lubbers:

A CONCURRENT RESOLUTION urging the Legislative Council to establish an interim study committee to study issues pertaining to early learning and reading.

Whereas, Article 8, Section 1 of the Indiana Constitution establishes that knowledge and learning are essential to the preservation of a free government;

Whereas, Early learning opportunities promoting reading readiness are critical because students must learn to read before they can read to learn;

Whereas, Experts agree the earliest years of a child's life—in the home, in the neighborhood, and in early education programs like kindergarten—are key to predicting success in school and life;

Whereas, Children who are not provided with the necessary early learning opportunities and reading readiness skills typically enter first grade behind their peers and struggle throughout their schooling;

Whereas, Early learning and reading readiness are keys to eliminating the student achievement gap that exists at all levels of Indiana's education system;

Whereas, Students who do not learn to read well early on are at a higher risk of dropping out of school and are subject to limited opportunities in their adult lives;

Whereas, The English/language arts test scores of Indiana's students on state and national assessments have remained relatively unchanged over the past ten years and are not segregated to show true comprehension skills;

Whereas, Students who lack early learning opportunities and strong literacy skills often struggle as adults to earn a wage that can support a family and face difficulties in helping their own children succeed in school;

Whereas, Today's policymakers are more clear about what we expect children to be able to do when they enter first grade so that early education and kindergarten programs can be geared toward

specific measurable goals;

Whereas, Early learning and kindergarten research shows that gains in academic achievement, lower grade retention rates, improved attendance and social skills, and fewer special education referrals; and

Whereas, Educated and productive citizens are fundamental to ensuring a strong democracy, a successful economy, and the health and welfare of the people of Indiana: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Legislative Council is urged to establish and interim study committee to study the issues pertaining to early learning and reading.

SECTION 2. That the study committee, if established, shall study and make recommendations concerning the following issues:

- a. In the area of assessment, to investigate the most efficient way of disaggregating reading scores from English/language arts ISTEP-Plus results to transparently show student proficiency and weaknesses;
- b. In the area of content and curriculum, to increase the emphasis on reading in all content areas and at all grades;
- c. In the area of textbook adoption, to strengthen rigor of reading levels among all subject areas;
- d. In the areas of libraries and media centers, to survey local schools regarding the age, student usage, interest, and need of printed materials;
- e. In the area of best practices, to continue research by the Department on local, state, and national efforts to promote, increase, improve, and measure reading; and to continue research on the impact of early learning and kindergarten programs on academic achievement, grade retention, attendance, social skills, and special education referrals; and
- f. To inform the Governor, General Assembly, State Board, Education Roundtable, schools, businesses, and communities of Indiana of all findings.

SECTION 3. That the committee, if established, shall operate under the direction of the Legislative Council and shall issue a report when directed to do so by the Council.

SECTION 4. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to the Legislative Council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

Senate Resolution 42

Senate Resolution 42, introduced by Senator Landske:

A SENATE RESOLUTION to urge the Legislative Council to establish an interim study committee to study issues pertaining to smoke detectors and sprinkler systems in health facilities.

Whereas, All Indiana health facility residents should be protected by sufficient fire protection systems;

Whereas, It is not known to what extent Indiana health facility residents are currently protected by smoke detection systems;

Whereas, Legislation in the 2006 Regular Session of the General Assembly will require data to be collected regarding the extent to which Indiana health facility residents are currently protected by smoke detection systems;

Whereas, There are currently no state licensing requirements for persons who install fire protection systems;

Whereas, These fire protection systems should be installed by licensed contractors and installers to ensure that the systems work properly and protect the residents as intended; and

Whereas, An interim study committee could determine the safety of Indiana health facility residents and recommend changes that need to be made in health facility environments to make them safer for the residents: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana Senate recognizes the importance of ensuring the safety of Indiana health facility residents.

SECTION 2. That the committee, if established, should:

- a. Study which Indiana health facilities currently have smoke detectors in resident rooms and the types of smoke detectors the facilities are using;
- b. Evaluate smoke detection systems currently available and determine which types of systems provide the greatest safety for health facility residents;
- c. Evaluate the fiscal impact of requiring all Indiana health facilities to install recommended smoke detection systems in each resident room;
- d. Review and make recommendations regarding the statewide licensing of fire sprinkler contractors and installers; and
- e. Consider any other issues pertaining to the safety of residents of Indiana health facilities.

SECTION 3. That the committee, if established, shall operate under the direction of the Legislative Council and that the committee shall present its findings and recommendations in a final report when directed to do so by the Legislative Council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

Senate Resolution 43

Senate Resolution 43, introduced by Senator Landske:

A SENATE RESOLUTION to urge the Legislative Council to establish an interim study committee to study issues pertaining to the care and management of diabetes at school.

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Legislative Council is urged to establish an interim study committee to study the issues relating to the care and management of student diabetes at school.

SECTION 2. That the interim study committee, if directed to take such action, shall operate under the direction of the Legislative Council and shall issue a report when directed to do so by the Council.

SECTION 3. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to the Legislative Council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

Principal Clerk of the House

RESOLUTIONS ON FIRST READING

Senate Concurrent Resolution 67

Senate Concurrent Resolution 67, introduced by Senator Meeks:

A CONCURRENT RESOLUTION urging the Legislative Council to establish an interim study committee to study issues pertaining to public transportation and commerce.

Whereas, Every dollar invested in public transportation boosts worker output by five dollars;

Whereas, Major cities outside of Indiana have seen as much as a forty percent increase in retail and business redevelopment around public transit facilities;

Whereas, Major Indiana businesses have begun to invest in facilities to manufacture energy efficient and environmentally-friendly engines, transmissions, and other components designed for the public transportation sector;

Whereas, A favorable tax and business incentive policy has been an integral component of every public transportation development project;

Whereas, There is a need to gather economic and financial information on the optimal mix of public and private investments needed to grow Indiana's emerging public transportation equipment industry and secure the economic benefits of public transportation for Indiana: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Legislative Council is urged to establish an interim study committee to study public transportation and commerce.

SECTION 2. That the study committee, if established, shall study and make recommendations concerning public transportation and commerce.

SECTION 3. That the committee, if established, shall operate under the direction of the Legislative Council and shall issue a report when directed to do so by the Council.

SECTION 4. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to the Legislative Council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

Senate Resolution 45

Senate Resolution 45, introduced by Senator Meeks:

A SENATE RESOLUTION to encourage the President of the United States, the Indiana United States Congressional Delegation, and the Governor of the State of Indiana to make it a priority to

advance the commitment to community integration and personal security for individuals with mental retardation or other developmental disabilities, including autism, cerebral palsy, Down syndrome, epilepsy, and other related conditions, by ensuring a stable, high quality, direct support workforce.

Whereas, There are more than 15,000 Indiana citizens with mental retardation or other developmental disabilities (hereinafter "qualifying individuals") that are receiving services and approximately 15,000 additional Indiana citizens waiting to receive these services;

Whereas, Qualifying individuals have substantial limitations on their functional capacities, including limitations in three or more of the areas of self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency, as well as the continuous need for individually planned and coordinated services;

Whereas, For the past two decades, qualifying individuals and their families have increasingly expressed their desire to live and work in their communities;

Whereas, The Supreme Court, in its Olmstead decision, affirmed the right of qualifying individuals to receive community-based services as an alternative to institutional care. Since this decision was handed down, the demand for community supports and services has grown rapidly as States continue to move more individuals from institutions into the community;

Whereas, Families and private providers that employ direct support professionals deliver the majority of supports and services for qualifying individuals in the community;

Whereas, Direct support professionals provide a wide range of supportive services on a day-to-day basis, including habilitation, health needs, personal care and hygiene, employment, transportation, recreation, housekeeping and other home management-related supports and services so that these individuals can live and work in their communities;

Whereas, Private providers and the individuals for whom they provide supports and services are in jeopardy as a result of the growing crisis in recruiting and retaining a direct support workforce;

Whereas, providers of supports and services typically draw from a labor market that competes with other entry-level jobs that involve less physically and emotionally demanding work, and higher pay and other benefits. As a result, these direct support jobs are not currently competitive in today's labor market. Annually, the national industry turnover rates for direct support workers range from 40 to 75 percent;

Whereas, This workforce shortage is the most significant barrier

to implementing the *Olmstead* decision and undermines the expansion of community integration as called for by President Bush's New Freedom Initiative, placing the community support infrastructure at risk; and

Whereas, The Indiana Association of Rehabilitation Facilities is committed to supporting the provision of safe and high-quality supports to qualifying individuals who benefit from community based services for the developmentally disabled through recognition of the quality of care provided by the direct support staff who deliver those services in community-based settings: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana Senate recognizes that building a stable, well-trained direct support workforce to provide supports and services to individuals with mental retardation and other developmental disabilities is important in advancing Indiana's commitment to community integration for those individuals and to personal security for them and their families.

SECTION 2. That the Indiana Senate seeks to encourage this by taking advantage of all resources, both federal and state, for developing and expanding career options and opportunities to meet this workforce crisis of direct support professionals in Indiana.

SECTION 3. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to President George W. Bush, every member of the Indiana United States Congressional Delegation, and Governor Mitchell E. Daniels.

The resolution was read in full and referred to the Committee on Health and Provider Services.

Senate Resolution 46

Senate Resolution 46, introduced by Senators Delph, Wyss, and Kenley:

A SENATE RESOLUTION urging the Legislative Council to assign to the Commission on State Tax and Financing Policy the topic of the eligibility of certain military benefits.

Whereas, In order to provide the best possible benefits for members of all branches of the armed forces, the Legislative Council is urged to have the Commission on State Tax and Financing Policy study this topic further: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Legislative Council is urged to assign to the Commission on State Tax and Financing Policy the topic of the eligibility of certain military benefits.

SECTION 2. That the Commission on State Tax and Financing Policy should study the following topics:

- (1) the zero percent (0%) disability threshold for statutory fee remission for educational benefits; and
- (2) eligibility of the active component of the armed forces for grants from the military family relief fund.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

(f) The withdrawal of the employees described in subsection (a) from the fund is effective on a termination date established by the board. The board may not establish a termination date that occurs before all of the following have occurred:

(1) The governor has requested coverage under this section and provided written notice of the following to the board:

(A) The intent of the state to terminate the employees from employment.

(B) The names of the terminated employees as of the date that the termination is to occur.

The contribution by the state must be made in a lump sum or in a series of payments determined by the board. The benefit for the member shall be computed under IC 5-10.2-4-4 using the member's actual years of creditable service.

(h) A member who is covered by subsection (g) and who is at least sixty-five (65) years of age as of the date of the notice under subsection (f) may elect to retire under IC 5-10.2-4-1 even if the member has less than ten (10) years of service. (2) The maximum amount of creditable service that the state may purchase for a member under this subsection is twenty-four (24) months.

(3) The benefit for the member shall be computed under IC 5-10.2-4-4 using the member's actual years of creditable service plus all other service for which the fund gives credit, including the creditable service purchased under this subsection.

(2) If the state does not receive any monetary payments under the lease or contractual arrangement described in subsection (a), any remaining appropriations made to the state department, agency, or other entity terminating the employees described in subsection (a).

(3) If the sources described in subdivisions (1) and (2) do not fully fund the amounts that the state is required to contribute to the fund under subsection (i), the board shall request that the general assembly appropriate the amount necessary to fully fund the state's required contribution under subsection (i) in the next biennial state budget.

(k) The board shall evaluate each withdrawal under this section to determine if the withdrawal affects the fund's compliance with Section 401(a) of the Internal Revenue Code of 1954, as in effect on September 1, 1974. The board may deny an employee permission to withdraw if the denial is necessary to achieve compliance with Section 401(a) of the Internal Revenue Code of 1954, as in effect on September 1, 1974.

that the Senate recede from its dissent from all House amendments and that the Senate now concur in all House amendments to the bill and that the bill be further amended as follows:

Delete everything after the enacting clause and insert the following:

SECTION 1. IC 6-1.1-1-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 8. "General assessment provisions of this article" means the law contained in:

(1) chapters 3, 4, 5, 9, 11, 13, 14, 15, 16, 28, 31, and 35 of this article;

(2) sections 4, 6, 7, 8, 11, 12, and 13 of chapter 30 of this article;

(3) sections 1 through 7, inclusive, of chapter 36 of this article; and

(4) sections 2, 3, 7, 8, 9, **10.7**, 11, 12, and 13 of chapter 37 of this article.

SECTION 2. IC 6-1.1-18.5-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12. (a) Any civil taxing unit that determines that it cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter may:

(1) before September 20 **of the calendar year immediately preceding the ensuing calendar year**; or

(2) in the case of a request described in section 16 of this chapter, before:

(A) December 31 of the calendar year immediately preceding the ensuing calendar year; or

(B) **with the approval of the county fiscal body of the county in which the civil taxing unit is located, March 1 of the ensuing calendar year**;

appeal to the department of local government finance for relief from those levy limitations. In the appeal the civil taxing unit must state that it will be unable to carry out the governmental functions committed to it by law unless it is given the authority that it is petitioning for. The civil taxing unit must support these allegations by reasonably detailed statements of fact.

(b) The department of local government finance shall promptly deliver to the local government tax control board every appeal petition it receives under subsection (a) and any materials it receives relevant to those appeals. Upon receipt of an appeal petition, the local government tax control board shall immediately proceed to the examination and consideration of the merits of the civil taxing unit's appeal.

(c) In considering an appeal, the local government tax control board has the power to conduct hearings, require any officer or member of the appealing civil taxing unit to appear before it, or require any officer or member of the appealing civil taxing unit to provide the board with any relevant records or books.

(d) If an officer or member:

(1) fails to appear at a hearing of the local government tax control board after having been given written notice from the local government tax control board requiring **his that person's** attendance; or

(2) fails to produce for the local government tax control board's use the books and records that the local government tax control board by written notice required the officer or member to produce;

then the local government tax control board may file an affidavit in the circuit court in the jurisdiction in which the officer or member may be found setting forth the facts of the failure.

(e) Upon the filing of an affidavit under subsection (d), the circuit court shall promptly issue a summons, and the sheriff of the county within which the circuit court is sitting shall serve the summons. The summons must command the officer or member to appear before the local government tax control board, to provide information to the local government tax control board, or to produce books and records for the local government tax control board's use, as the case may be. Disobedience of the summons constitutes, and is punishable as, a contempt of the circuit court that issued the summons.

(f) All expenses incident to the filing of an affidavit under subsection (d) and the issuance and service of a summons shall be charged to the officer or member against whom the summons is issued, unless the circuit court finds that the officer or member was acting in good faith and with reasonable cause. If the circuit court finds that the officer or member was acting in good faith and with reasonable cause or if an affidavit is filed and no summons is issued, the expenses shall be charged against the county in which the affidavit was filed and shall be allowed by the proper fiscal officers of that county.

(g) The fiscal officer of a civil taxing unit that appeals under section 16 of this chapter for relief from levy limitations shall immediately file a copy of the appeal petition with the county auditor and the county treasurer of the county in which the unit is located.

SECTION 3. IC 6-1.1-19-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) A county board of tax adjustment may not approve or recommend the approval of an excessive tax levy.

(b) If a school corporation adopts or advertises an excessive tax levy, the county board of tax adjustment which reviews the school corporation's budget, tax levy, and tax rate shall reduce the excessive tax levy to the maximum normal tax levy.

(c) If a county board of tax adjustment approves, or recommends the approval of, an excessive tax levy for a school corporation, the auditor of the county for which the county board is acting shall reduce the excessive tax levy to the maximum normal tax levy. Such a reduction shall be set out in the notice required to be published by the

auditor under IC 6-1.1-17-12, and an appeal shall be permitted therefrom as provided under IC 6-1.1-17 as modified by this chapter.

(d) Appeals from any action of a county board of tax adjustment or county auditor in respect of a school corporation's budget, tax levy, or tax rate may be taken as provided for by IC 6-1.1-17. Notwithstanding IC 6-1.1-17, a school corporation may appeal to the department of local government finance for emergency financial relief for the ensuing calendar year at any time before:

(1) September 20 of the calendar year immediately preceding the ensuing calendar year; or

(2) in the case of a request described in section 4.7(a) of this chapter:

(A) December 31 of the calendar year immediately preceding the ensuing calendar year; or

(B) with the approval of the county fiscal body of the county in which the school corporation is located, March 1 of the ensuing calendar year.

(e) In the appeal petition in which a school corporation seeks emergency financial relief, the appellant school corporation shall allege that, unless it is given the emergency financial relief for which it petitions, it will be unable to carry out, in the ensuing calendar year, the public educational duty committed to it by law, and it shall support that allegation by reasonably detailed statements of fact.

(f) When an appeal petition in which a school corporation petitions for emergency financial relief is filed with the department of local government finance, the department shall include, in the notice of the hearing in respect of the petition that it is required to give under IC 6-1.1-17-16, a statement to the effect that the appellant school corporation is seeking emergency financial relief for the ensuing calendar year. A subsequent action taken by the department of local government finance in respect of such an appeal petition is not invalid, however, or otherwise affected, if the department fails to include such a statement in the hearing notice.

(g) The fiscal officer of a school corporation that appeals under section 4.7(a) of this chapter for relief from levy limitations under this chapter shall immediately file a copy of the appeal petition with the county auditor and the county treasurer of the county in which the unit is located.

If the county council has adopted such an ordinance, then whenever a tax statement mailed under section 8 of this chapter shows that the person's property tax liability for a year is less than twenty-five dollars (\$25) for the property covered by that statement, the tax liability for that year is due in one (1) installment on May 10 of that year.

(d) If the county treasurer receives a copy of an appeal petition under IC 6-1.1-18.5-12(g) or IC 6-1.1-19-2(g) before the county treasurer mails or transmits statements under section 8(a) of this chapter, the county auditor may:

No such successor employer may cease to be an employer subject to this article at the end of the first year of the current period of coverage of the predecessor employer. If all of the resources and liabilities of the experience account of an employer are assumed by another in accordance with the provisions of IC 22-4-10-6 or IC 22-4-10-7, such employer's status as employer and under this article is hereby terminated unless and until such employer subsequently qualifies under the provisions of IC 22-4-7-1 or IC 22-4-7-2 or elects to

become an employer under sections 4 or 5 of this chapter.

(c) If no application for termination, as herein provided, is filed by an employer and four (4) full calendar years have elapsed since any contributions have become payable from such employer, then and in such cases the ~~board~~ **department** may terminate such employer's experience account.

SECTION 9. IC 22-4-9-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 4. (a) Contributions shall accrue and become payable from each employer for each calendar year in which it is subject to this article with respect to wages paid during such calendar year. ~~except~~ Where the status of an employer is changed by cessation or disposition of business or appointment of a receiver, trustees, trustee in bankruptcy, or other fiduciary, contributions shall immediately become due and payable on the basis of wages paid or payable by such employer as of the date of the change of status. Such contributions shall be paid to the department in such manner as the ~~commissioner~~ **department** may prescribe, and shall not be deducted, in whole or in part, from the remuneration of individuals in an employer's employ. When contributions are determined in accordance with Schedule A as provided in IC 22-4-11-3, the ~~board~~ **department** may prescribe rules to require an estimated advance payment of contributions in whole or in part, if in the judgment of the ~~board~~ **department** such advance payments will avoid a debit balance in the fund during the calendar quarter to which the advance payment applies. An adjustment shall be made following the quarter in which an advance payment has been made to reflect the difference between the estimated contribution and the contribution actually payable. Advance payment of contributions shall not be required for more than one (1) calendar quarter in any calendar year.

~~(a)(1)~~ (b) Any employer which is, or becomes, subject to this article by reason of IC 22-4-7-2(g) or IC 22-4-7-2(h) shall pay contributions as provided under this article unless it elects to become liable for "payments in lieu of contributions" (as defined in IC 22-4-2-32).

~~(3)~~ (d) Any employer ~~which that~~ makes an election in accordance with ~~subdivisions (1) through (2)~~ **subsections (b) and (c)** will

continue to be liable for "payments in lieu of contributions" until it files with the ~~commissioner~~ **department** a written notice terminating its election. ~~This~~ **The notice filed by an employer to terminate its election** must be filed not later than thirty (30) days prior to the beginning of the taxable year for which such termination shall first be effective.

~~(4)~~ (e) Any employer ~~which that~~ qualifies to elect to become liable for "payments in lieu of contributions" and has been paying contributions under this article, ~~for a period subsequent to January 1, 1972~~, may change to a reimbursable basis by filing with the department not later than thirty (30) days prior to the beginning of any taxable year a written notice of election to become liable for payments in lieu of contributions. Governmental entities of this state and its political subdivisions electing to make "payments in lieu of contributions" shall be billed by the department at the end of each calendar month for an amount equal to the full amount of regular benefits plus the full amount of extended benefits paid during the month that is attributable to service in the employ of the governmental entities.

~~(2)~~ (g) Payment of any bill rendered under ~~subdivision (1)~~ **subsection (f)** shall be made not later than thirty (30) days after such bill was mailed to the last known address of the employer or was otherwise delivered to it, unless there has been an application for review and redetermination ~~in accordance with subdivision (4)~~; **filed under subsection (i).**

~~(3)~~ (h) Payments made by any employer under the provisions of ~~this subsection~~ **subsections (f) through (j)** shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the employer.

~~(4)~~ (i) The amount due specified in any bill from the department shall be conclusive on the employer unless, not later than fifteen (15) days after the bill was mailed to its last known address or otherwise delivered to it, the employer files an application for redetermination. If the employer so files, the employer shall have an opportunity to be heard, and such hearing shall be conducted by a liability administrative law judge pursuant to IC 22-4-32-1 through IC 22-4-32-15. After the hearing, the liability administrative law judge shall immediately notify the employer in writing of the finding, and the bill, if any, so made shall be final, in the absence of judicial review proceedings, fifteen (15) days after such notice is issued.

~~(5)~~ (j) Past due payments of amounts in lieu of contributions shall be subject to the same interest and penalties that, pursuant to IC 22-4-29, apply to past due contributions.

~~(6)~~ (k) Two (2) or more employers that have elected to become liable for "payments in lieu of contributions" in accordance with

~~subsection (a)~~ **subsections (b) and (c)** may file a joint application with the department for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Such group account shall be established as provided in regulations prescribed by the commissioner.

SECTION 12. IC 22-4-10-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 4. **(a)** Except as provided in ~~section 1(a)~~ **section 1(b) through 1(e)** of this chapter, the commissioner shall maintain within the fund a separate experience account for each employer and shall credit to such account all contributions paid by such employer on its behalf except as otherwise provided in this article.

(b) The commissioner shall also maintain a separate account for each employer electing to make payments in lieu of contributions as provided in ~~section 1(a)~~ **section 1(b) through 1(e)** of this chapter and shall charge to such account all benefits chargeable to such employer and credit to such account all reimbursements made by such employer.

SECTION 13. IC 22-4-10-6, AS AMENDED BY P.L.98-2005, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 6. **(a)** When:

An application for the acquiring employer to assume this portion of the resources and liabilities of the

disposing employer's experience account must be filed with the ~~commissioner~~ **department** on prescribed forms not later than ~~one hundred fifty (150)~~ **thirty (30)** days immediately following the disposition date or not later than ten (10) days after the disposing and acquiring employers are mailed or otherwise delivered final notice that the acquiring employer is a successor employer, whichever is the earlier date. (c) Except as provided by IC 22-4-11.5, the successor employer, if an employer prior to the acquisition, shall pay at the rate of contribution originally assigned to it for the calendar year in which the acquisition occurs, until the end of that year. If not an employer prior to the acquisition, the successor employer shall pay the rate of two and seven-tenths percent (2.7%) unless the successor employer assumes all or part of the resources and liabilities of the predecessor employer's experience account, in which event the successor employer shall pay at the rate of contribution assigned to the predecessor employer for the period starting with the first day of the calendar quarter in which the acquisition occurs, until the end of that year. However, if a successor employer, not an employer prior to the acquisition, simultaneously acquires all or part of the experience balance of two (2) or more employers, the successor employer shall pay at the highest rate applicable to the experience accounts totally or partially acquired for the period starting with the first day of the calendar quarter in which the acquisition occurs, until the end of the year. If the successor employer had any employment prior to the date of acquisition upon which contributions were owed under IC 22-4-9-1, the employer's rate of contribution from the first of the year to the first day of the calendar quarter in which the acquisition occurred would be two and seven-tenths percent (2.7%).

Whereas, Long before there was a broad international awareness concerning the dangers that pesticides pose to our air, water and land, the biologist and naturalist Rachel Carson warned her readers in her historic book, "Silent Spring", that unless we change the ways we use these chemicals, the environmental consequences could prove

catastrophic;

Whereas, Despite her stern warning, the quantity of pesticides used in our country and abroad has continued to grow over the years and poses a potential threat to all life forms;

Whereas, Worldwide, more than three billion kilograms of pesticides are spread annually;

Whereas, Children are uniquely vulnerable to chemical pesticides due to their developing physiology and to their habit of frequently putting their hands into their mouths;

Whereas, Chemical pesticides applied outdoors are washed into our waterways and our drinking water;

Whereas, Several types of cancer, neurological diseases, endocrine disorders and birth defects have been associated with exposure to common pesticides;

Whereas, Migratory birds and pregnant women, children, asthmatics, cancer patients, elderly and other immune-compromised people are highly vulnerable to toxic effects of chemical pesticides;

Whereas, May 27 would be Rachel Carson's 98th birthday, and across the country it is being designated as a day to refrain from the use of any pesticides; and

Whereas, This one-day effort symbolizes the continuing and life-threatening problems resulting from the use of pesticides: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Senate honors the late Rachel Carson and urges Indiana residents to refrain from the use of pesticides on May 27, 2006 and to seek alternative methods of pest management.

SECTION 2. The Secretary of the Senate shall transmit a copy of this Resolution to the Governor.

The resolution was read in full and referred to the Committee on Energy and Environmental Affairs.

FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) As a condition precedent to filing a complaint in condemnation, and except for an action brought under IC 8-1-13-19 (repealed), a condemnor may enter upon the property as provided in this chapter and must, at least thirty (30) days before filing a complaint, make an offer to purchase the property in the form prescribed in subsection (c). The offer must be served personally or by certified mail upon:

- (1) the owner of the property sought to be acquired; or
- (2) the owner's designated representative.

(b) If the offer cannot be served personally or by certified mail, or if the owner or the owner's designated representative cannot be found, notice of the offer shall be given by publication in a newspaper of general circulation in the county in which the property is located or in the county where the owner was last known to reside. The notice must be in the following form:

NOTICE

TO: _____, _____ (owner(s)),
 _____ (condemnor) needs your property
 for a _____
 (description of project), and will need to acquire the following from
 you:

_____ (general
 description of the property to be acquired). We have made you a
 formal offer for this property that is now on file in the Clerk's Office
 in the _____ County Court House. Please pick up the offer. If you
 do not respond to this notice or accept the offer by ____ (a date 30
 days from 1st date of publication) 20____, we shall file a suit to
 condemn the property.

 Condemnor

The condemnor must file the offer with the clerk of the circuit court with a supporting affidavit that diligent search has been made and that the owner cannot be found. The notice shall be published twice as follows:

- (1) One (1) notice immediately.
- (2) A subsequent publication at least seven (7) days and not more than twenty-one (21) days after the publication under subdivision (1).

(c) The offer to purchase must be in the following form:

UNIFORM PROPERTY OR EASEMENT ACQUISITION OFFER

_____ (condemnor) is authorized by Indiana law to obtain your property or an easement across your property for certain public purposes. _____ (condemnor) needs (your property) (an easement across your property) for a _____ (brief description of the project) and needs to take _____ (legal description of the property or easement to be taken; the legal description may be made on a separate sheet and attached to this document if additional space is required)

It is our opinion that the fair market value of the (property) (easement) we want to acquire from you is \$ _____, and, therefore, _____ (condemnor) offers you \$ _____ for the above described (property) (easement). You have ~~twenty-five (25)~~ **thirty (30)** days from this date to accept or reject this offer. If you accept this offer, you may expect payment in full within ninety (90) days after signing the documents accepting this offer and executing the

easement, and provided there are no difficulties in clearing liens or other problems with title to land. Possession will be required thirty (30) days after you have received your payment in full.

HERE IS A BRIEF SUMMARY OF YOUR OPTIONS AND LEGALLY PROTECTED RIGHTS:

1. By law, _____ (condemnor) is required to make a good faith effort to purchase (your property) (an easement across your property).
2. You do not have to accept this offer **and** _____ **(condemnor) is not required to agree to your demands.**
3. However, if you do not accept this offer, and we cannot come to an agreement on the acquisition of (your property) (an easement), _____ (condemnor) has the right to file suit to condemn and acquire the (property) (easement) in the county in which the property is located.
4. You have the right to seek advice of an attorney, real estate appraiser, or any other person of your choice on this matter.
5. You may object to the public purpose and necessity of this project.
6. If _____ (condemnor) files a suit to condemn and acquire (your property) (an easement) and the court grants its request to condemn, the court will then appoint three appraisers who will make an independent appraisal of the (property) (easement) to be acquired.
7. If we both agree with the court appraisers' report, then the matter is settled. However, if either of us disagrees with the appraisers' report to the court, either of us has the right to ask for a trial to decide what should be paid to you for the (property) (easement) condemned.
8. If the court appraisers' report is not accepted by either of us, then _____ (condemnor) has the legal option of depositing the amount of the court appraisers' evaluation with the court. And if such a deposit is made with the court, _____ (condemnor) is legally entitled to immediate possession of the (property) (easement). You may, subject to the approval of the court, make withdrawals from the amount deposited with the court. Your withdrawal will in no way affect the proceedings of your case in court, except that, if the final judgment awarded you is less than the withdrawal you have made from the amount deposited, you will be required to pay back to the court the amount of the withdrawal in excess of the amount of the final judgment.
9. The trial will decide the full amount of damages you are to receive. Both of us will be entitled to present legal evidence supporting our opinions of the fair market value of the property or easement. The court's decision may be more or less than this offer. You may employ, at your cost, appraisers and attorneys to represent you at this time or at any time during the course of the proceeding described in this notice. (The condemnor may insert here any other information pertinent to this offer or required by circumstances or law).

(d) If a public utility or pipeline company fails to meet the requirements set forth in subsection (c) concerning a parcel of real estate, the public utility or pipeline company may not initiate an action under this article to acquire the parcel through the power of eminent domain for the same project or a substantially similar project for at least two (2) years after the date on which the six (6) year period described in subsection (c) expires.

SECTION 10. IC 32-24-1-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8. (a) A defendant may object to the proceedings:

(b) Objections under subsection (a) must be:

(d) If an objection is sustained, the plaintiff may amend the complaint or may appeal from the decision in the manner that appeals are taken from final judgments in civil actions. All the parties shall take notice and are bound by the judgment in an appeal.

(e) If the objections are overruled, the court shall appoint appraisers as provided for in this chapter. Any defendant may appeal the interlocutory order overruling the objections and appointing appraisers in the manner that appeals are taken from final judgments in civil actions upon filing with the circuit court clerk a bond:

The offer must state that it is made under this section and specify the amount, exclusive of interest and costs, that the party serving the offer is willing to accept as just compensation and damages for the property sought to be acquired. The offer or counter offer supersedes any other offer previously made under this chapter by the party.

(b) An offer of settlement is considered rejected unless an acceptance in writing is filed and served on the party making the offer before the trial on the issue of the amount of damages begins.

(c) If the offer is rejected, it may not be referred to for any purpose at the trial but may be considered solely for the purpose of awarding costs and litigation expenses under section 14 of this chapter.

(d) This section does not limit or restrict the right of a defendant to payment of any amounts authorized by law in addition to damages for the property taken from the defendant.

(e) This section does not apply to an action brought under IC 8-1-13-19 (repealed).

SECTION 12. IC 32-24-1-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 14. (a) Except as provided in subsection (b), the plaintiff shall pay the costs of the proceedings.
